

Sharing the Word With a Serial Killer

By

Melvin Brown

First I will like to thank Our Lord Jesus Christ for this Great Opportunity

"This is a true"
"Story"

I would like for ANYONE to read this story and I'll pray that someone will be blessed by this story. Our Lord Jesus Christ can change ANYONE for his glory.

Living with David Berkowitz in New York State Correctional Facility was a Blessing to me. I HAVE gotten to know David Berkowitz very well and I know Our Lord Jesus Christ is working in him. People who are on the Outside call him a murderer or the Son of Sam or the 44 caliber killer, but I'll call him a Child of God, and yes it's a fact that David Berkowitz may die in prison, but he will die with Our Lord Jesus Christ in his heart.

②

At first it was hard for me to Believe that this man who had the City of New York at a stand still, Now he is preaching the word of God to the inmates at Sullivan Correctional Facility Our God is a Good God.

During recreation time David and I would walk the yard together and talk about the things of God like, how he would like for me to let Our Lord Jesus Christ in to my heart, so he can Bless me even under these situation, Because I was Angry with my lawyer, the Courts, Also I was Angry with myself.

After letting Our Lord Jesus Christ into my heart, Now I am thanking Our Lord Jesus Christ that I am in prison. Also I thank Our Lord Jesus Christ for getting my attention. People Believe that this man cannot change however, it's not what people say, it's about what Our Lord Jesus Christ says about his Son. It's a fact that some of the Vietnam's family will not forgive him, But keep in mind that in Order for the Lord Jesus Christ

3)
to forgive you, you have to forgive Others
David Berkowitz

said to me while we were walking in
the Big yard that he hurted a lot of people
and even hurt his own family and he is
very sorry about what happened. But before
I die I will help you get closer to
Our Lord Jesus Christ and I said to him
do you really care for me like that and
he said yes, I'll say to myself I know
it's a God.

As I look back on my life God
been so so good to me better than I been
to myself and I thank Our Lord Jesus Christ
for taking the time to show me what my
situation is nothing and someone else is
little more mess up than I am.

So my Brother's and
Sister's please believe that Our Lord Jesus
Christ can change anyone for his glory (A
men) he did it for David Berkowitz and he
did for me and I know he will do for

you. So Brother's and Sister's stand up for
Our Lord Jesus Christ "God Bless you"
Please Give Jesus a chance."

And I'll pray that someone will be
Bless By these words Please give
~~Our~~ Lord a chance in your life

"try Jesus" "try Jesus" "try Jesus"

Thank you
God Bless
you
And your's
