Mi nombre es ——— estoy en Prision Por
Primeravez Y Por desgracia Por muchos años
en mi Pais estube solo Por unas horas.

Me bine alos Estados Unidos, dure dos años Fuera-
antes de Caer a Prision.

No tengo nada Para escribirles solamente
que estoy Yendo ala escuela Para aPrender
el ingles como mi Segunda lengua es algo
dificil Pero no imposible, estoy en Prision Y
hay que echarle muchas Ganas

My name is _____. I am in prison for the first time and unfortunately for many years. I was in my country for some hours only. I came to the United States, lasted 2 years outside before ending up in prison. I don't have anything to write to you, only that I am going to school to learn English as my second language. It is something difficult but not impossible. I am in prison and one must try really hard.
