The Soupposed "Rehafulitation System: California Deparment of Corrections" and "Rehafulitaion" of the unitedstates of America.

The only truth to the words used By The Deparment of corrections In The Sentence They use TO Indentify There name "california Department of - corrections and Rehabilitation is The california and The Department ... ove Because The State is california and I GuesS They have a Department Some were! ..... I Been a prisoner now for allmost 8 year's and have not got my Issue of correction's ~~OR~~ NOR Rehabiltaion wich i am still hopeing I do get, given The Fact That according ~~The~~ TO ~~Fued~~ The ~~Foode~~ Judge That Sentence me! ~~I AM~~ need a Full 33 year's of it!

I Guess since i lived in Encanto all my life I

In the county Jail, Housed with all The

with it, That I am From Encanto

since That "cops/able" ~~all~~ all The

Paperwork ~~and~~ The computer System

as A Gangmember I had To go with It

I try saying I was no gangmember But

The cops Tend not To Belive people That

~~Has~~ Have comitted The ~~Stiches~~ Sliets crimes, so

I had No option given The ~~Fack~~ Fact That

every one arand me was ~~form~~ From a gang..

~~Orlygang~~ There i& was Doing my Time, Now

I am Told By The Inmates That every

one from a southeren Gang is consider a

"SUR 13" gangmember no matter what! I am

Like I am allready from a gang "Encanto, VELS

There like yes But In The system we all

Represent SUR 13... ya are with us or

against us ??? I am like no no

I am with ya! Just asking wanted-

to make sure whats going on But

Dont worrie sur13 it is..... so I go

to court The Judge gives me a little

slap on The wrist 60 Days with Half

and a Few programs ~~and~~ a suspended

licens make me promiss not To Do It

The Jury was told + was a Documented

"gangmember" ... Now Lets Do The math

on This, The cops are The ones that made

me a Documented gangmember, The cops

are ~~The~~ ones ~~How~~ Telling The Jury TO "agravet" ~~gravat~~ = my

Sentence TO The max. ~~Lawful~~ one Fact alon

In California Thats all It takes for the

Judge To give ya The max Term JUst

~~one~~ one, with Agravated sircamctans _ —.

~~Be~~ I Belive That from The gate, poor

kid's get These ~~he~~ lables as gangmembers

so If and when They commit a crim The

State gives Them more Time.--- who Dose

the Judge work for? The state! who Dose

the DA work for? the state! who Dose

the publicDefender OR as we call It

The Publicpretender work fer? The State!

every one is on The same pay Roll, so

If you Dont Have The money for a privet

atturnny you are pertty much Fuck'd.

How IS That a Far System?

If From Befor you end up In a court →

Room The Deck is against you.!

from Day one when That cop took our

picture when we were kids, everything

STATE LIBRARY

was against me and ~~every~~ one that was

There. . . . In court the DA Bringings

His little cop's That Documented you to

Testify, There is ~~now~~ no law That prevents

a cop from Takeing a picture and Documen-

ting a kid to a gang. . . . why is

it That kids in la "Joya" "Beverly Hills"

can ~~Gang~~ Hang around a reckcenter and

talk play and not get Documented as

gang members ? ? ? ? But when Its a ti

poor lad That Has no Reck center

or Park He can go TO for what ever

reson They Become This gaugster :: I

now moving on so your In prison,

now Doing four crazy amount of time

to Talk TO other Inmates and Find

out There In prison for The same

exact Thing... a carjacking in LA,

gives you 6 years TOP..... a ~~carjack~~

carjacking in San Diego gives you 15

minimum !! .... But If your a gangmember

you will get The Book 33 years..

carjacking IN california carries

3-5-9, . . . In my case I

got the Hi'est Term for Being a

Documented gang member 9x2=18

10 year gun enhausment for useing it

In a commission of a crime. . .

and 5 year's for Felen In possesion

of a gun. . . . = 33 "years" not

Day's! not months! 33 years! . . .

Every one ~~eate~~ eats . . . from other

city's would never get that much Time

for a carjacking were no one got

Hurt. . . . is That Realy a Far

system? ? ? ? now let's talk about

TE PRISON
CCI-TEHACHAPI
4B HU6

the prison system, when you get to prison a Active line "level 4" 2 "strick" ... The chances of you going Home with a Term of 33 years are slim to none ... every one in a "level-4" prison ..... no 85% of level 4 prisons are life Inmates,,, for ~~ether~~ ethier a SUR 13 OR a NF 14" nuestra Familya = all gangs From Nother California - - - - so ya Have TO pic one But ya one ~~of the~~ OR the other - - - The cold part is That the System knows about THIS They →

Ask you, Them self ~~Dae~~ when your in

Reception center ... SUR OR worth.

So now That once a pon a Time kid

is from a prison gang ~~//~~ with Ties

TO The "Mexican MAFIA" That's The nex

Step.... and ya will Do what They Ask

OR plane and simple ya get your neck

cut off OR end up with multiple stab

wounds.... "now They Have This "new"

S-N-y yards sensitive need yard.

from around 1995 OR Something... These ~~This~~

yards ~~at~~ are for people That Dont want

TO Be apart of SURB OR NF 14 →

STATE PRISON

17

ya are soupose TO Be able TO Program

with out all The gang Drama. The problem

IS That ance ya get over Here, The

commiteS lable ya as a "25" gang member

a "IR" or "NR" or "NF"

25 = "ex" sather[13] gang member IR = Independent —

Rider ~~Sy~~ mixer of gang's north & south =

NF = New Flower anyone That is agnst

Mexican mafia[13] and Nuestra Familay[14].

So This 5vy-yard are even worst

Because There's TO meany gangs for me

TO even Remember Them. . . But once

agin The CO's = COP = lable you —D

one ~~of~~ OR The other, Specily If your young and Try To Stay activ working out going To Yard. . . . "Your Counseler" 13 more like the "DA," The "worden" is The "Judge," . . . The Same Prosses only Beening Done is Prison. . . . . with all This going on They for get Yur There To get Rehabilitaion, ... were or when I will They give it To you? I Dont know. . Any How. . I have much more on The Subject But in The letter it says 15 Pages Double space 5,000 words I ran out of space so I CUt This Here.
