To APWA

Hello my name is Walter Ziden #25339
I'm an inmate at W.S.P. Wyoming State Pen
I have been in Prison 14 years and have 10
years to go. Since I have been in Prison the
State of Wyoming has moved me from
Rawlins Wyoming to Indian Springs Nevada
Haskell Texas Back to Rawlins then to Torrington
& Back to Rawlins. While I have been in
Prison I am an ideal inmate the only
write up I got was from another inmate
writing a letter on me (He wanted my job
in KOSHER Kitchen) they dropped all charges I
received my High School Diploma in Indian
Springs Nevada I have mentored tutored
facilitated many groups I'm an ordained
minister and a Licensed Religious Counselor
I have a Masters in Religious Studies a
PHD in Religion, a Honorary Dr. of Divinity,
Dr. of Religious Science, Dr. of Metaphysics, Dr.
of Biblical Studies and a Dr. of Religious Humanities.
I'm working on more I'm also working on
starting a foundation I'm going to
call it HOHT An acronym for Helping Others
Help themselves. What I want the foundation
to do is exactly that Help others with
Life Skills Job Skills Job Experience Job
Certification and transportation and help
basically any one whether they be poor
getting out of prison Homeless people
that don't have the opportunity to learn
How to succeed in life and self.

~~over~~ NEXT

I have worked very hard to achieve what I
 have achieved. I see a very big need to do
 what I'm working on doing. I have had
 no help from the system. It is fractured
 they warehouse us and are too lazy to
 help us help ourselves but they sure will
 lie and say they are doing everything
 for us. Some being me have taken it
~~upon~~ upon myself to better my self
 and get the accreditation I need to
 be able to help others help themselves
 there is so much more that I could
 tell you I have watched Prison medically
 murder several people I have watched them
 Parole people with a bunch of write ups
 and are total screw ups while people like
 me that have worked hard to do everything
 they could to make sure they never do
 crimes again with no write ups get
 denied maybe some day when I get
 out I will be able to help bring light
 to the Broken System I bear for my safety
 & well being if I told you all of the stuff
 I know from simple stuff like having to
 wear dirty Laundry to them passing
 Policy & Procedure that violates State Statutes
 if you want more information on me
 or about the foundation I want to start
 I will be at this address until 2017 after
