Dear America, what is a society? One would think that it would be obvious?

A society is population, a community and a particularly large group of people usually one that may or may not be officially recognized or even accepted as a legitimate society by the status quo. Professional sociologists might not like admitting to it, but even though they may not be legally viewed as official or legitimate, to be called society's, because of their social-class status. In fact they are still society's, unofficially or illegitimately, they are populated with large amounts of people. All of them speaking the same language, live in the same geographic areas, share the same economy, governing system and laws too. This qualifies as a society too. Taking an even closer look at what makes up a society, actually reveals some very surprising truths. For example take for instance those of us born into poverty-stricken sub-society's which are found in designated geographic areas, spread out wide, all over the U.S. a population that's living together in the same larger population's as all American citizens. But still separated, divided, by an invisible, unseen barrier of political, and economic walls. A partition that marginalizes and relegates us ^{to} attend different education districts, reside in different property tax zones, participate in different occupation employment pools. Unable to equally compete with larger society's, highly trained, better-educated, officially recognized society. Leaving many to create improvise and develop pseudo-society's and quasi-society's, counter-society's, underground society's even illegitimate unofficial society's, left with no other choice except taking what scarce resources they can find around them. Optimize their potential, and transform their circumstances, to survive. Like it or not, official or unofficial, these are society's and they aren't going to go away anytime soon either. Places called ghettos.

That are found in EVERY AMERICAN city; Just look for the place where the least amount of property taxes and revenues are collected. Find the most underfunded schools in the public school district. Check the crime statistic reports to see where, geographically there is the highest crime rates documented? Where are the most excessive force complaints filed against police? Where is the highest number of enrolled recipients concentrated at, who are receiving government social-services aid, for housing, food and medicine? Because of this, all who are produced from this has been assigned a specific social-class status here in the U.S. being socialized and guided towards another subterranean underground, unrecognized and unofficial society. One which has seen an explosion in population all across the U.S. Officially called the "AMERICAN Penal system", unofficially called AMERICA'S "Cell Block Society." Think of it, as the place where the official society, and larger populated, legitimate and recognized society, has constructed and designated to be the official social-waste disposal-system. Where all of the citizens who prove to be psychologically-broken, traumatized and mentally-unstable, unfit to survive the inhospitable, wretched, suffocating pressures of sub-society's low-income, govt-subsidized, predatory environment, are sent. Mentally-ill, and no where else to live, they are steered into the status quo's penal-system. Where they are converted into a state tax revenue dependent, joined together with the rest of us. Who have succumbed to the mounting social economic, and other pressures, trying to cope with desperation, familial demands, and other dysfunctions, having no employable skills often illiterate, we are driven towards the most readily and always convenient, well 'baited' and cleverly placed traps. Where we are sure to gravitate towards 'scavenging' to survive.

Adopting a survival of the fittest kind of mentality, becoming more and more sociopathic by the day, developing our predatory behavior as we go. Until we finally find ourselves ensnared in one of these elaborately designed, well camouflaged social snares. Once, trapped, labled with a tag and tracking device, systematically disposed of, separated from the larger society, thrown into the criminal justice system, eventually into the penal system. What is another society in itself altogether. Where, we all meet up again. This time inside the status-quo's other separate society or its 'trapped' predators society, a guaranteed income source, profit-producing shares, for their prison industrial complex, and shareholders. Once landing our feet here on the inside of these tall, electrified, razor wire fences. We are very quickly reminded of the fact, we no longer have to contend with the pressures of one society, but still are contending with a whole different kind of society, that's altogether different from any other we know of. Because here inside this one, the entire population is made up ^{of} sociopaths, predators, and the likes. Where a counter-culture society has organically formulated. Given what professional sociologists define as society's. This definitely qualifies as one. Although illegitimate and unofficial by status quo standards to be recognized as a society. One who unfortunately lands here becomes socialized into another alien environment altogether, one that's constructed by the state, policed by the state, yet the population being completely composed of all 'society's' socially illiterate, mentally ill, chemically-dependent, homicidal, suicidal, kleptomaniacs, burglars and kidnapers, sexual deviants and predators of every kind. Who are all concentrated together on this side of the razor wire fences. Having formulated a social-class structure system of our

VERY OWN. JUST LIKE THE "GHETTOS" HAVE DONE IN ^{civil} SOCIETY, IN ORDER TO EXERCISE SOME LEVELS OF CONTROL OVER THE ENVIRONMENT AND ITS SCARCE RESOURCES. SO HAVE WE, MOTIVATED OUT OF BASIC HUMAN-INSTINCTS FOR SURVIVAL. OUR NATURAL HUMAN NEED TO PROTECT OURSELVES, FROM THREATS AND DANGERS, BECAME THE REASON TO FORM OUR OWN ARMED FORCES AND STANDING MILITARIES, WITH AN ORGANIZED CHAIN OF COMMAND AND DISCIPLINED, WELL-TRAINED, VANGUARD CADRES. ALONG WITH A THOROUGHLY VETTED, SELF-EDUCATED, CHARISMATIC LEADERSHIP, CHOSEN TO STEER THE CELLDWELLER POPULATION ALONG THROUGH A GOVERNING SYSTEM. ONE THAT HAD BEEN HAMMERED-OUT AND CONSTRUCTED YEARS AGO, DECADES BACK. BY THE EARLY CELLDWELLERS WHO EXPERIMENTED WITH SEVERAL DIFFERENT POLITICAL SYSTEMS AND GOVERNING LAWS BEFORE FINALLY REACHING A SET OF LAWS AND RULES THAT EACH AND EVERY POLITICAL ^{AND RACIAL} GROUP, COULD COMPROMISE WITH AND AGREE TO ABIDE BY. THROUGH AN UNWRITTEN CONTRACT IT BECAME OFFICIAL. THIS ESTABLISH A MAJORITY RULE TO REDUCE CONSTANT ONGOING CONFLICT AND WARS BETWEEN SEPARATE, OPPOSING CELLDWELLER ^{RACIAL} GROUPS, WITH ^{VOYING FOR DOMINANCE AS} OPPOSING POLITICAL BELIEFS, AND PHILOSOPHICAL VIEWS. ^{OPEN} ALLOWING FOR EFFECTIVE GOVERNMENT TO RESOLVE DISPUTES AND ARGUMENTS, THIS SOON LED TO CLEARING A WAY FOR BASIC EXCHANGES OF ^{CONTRACTS AND} GOODS AND SERVICES, BETWEEN OPPOSING GROUPS, DEALS WERE ^{TO BECOME} A COMMON OCCURANCE. WHICH SET UP THE FRAMEWORK FOR AN ECONOMIC SYSTEM TO THRIVE AS WELL. STRICT ADHERENCE TO THE CELLBLOCK SOCIETY'S GOVERNING LAWS PROVED TO WORK, FOR ALL CELLDWELLERS LIVING IN THIS UNOFFICIAL, ILLICIT ^{UNDERGROUND} UNDERGROUND SOCIETY. HOWEVER, IT SHOULD BE OF NO SURPRISE THAT ONCE STATE AUTHORITY'S DISCOVERED HOW CELLDWELLERS LEARNED HOW TO MANAGE OURSELVES, GOVERN OURSELVES AND METE-OUR OWN UNDESIRABLES OR METE-OUT THOSE PROVEN TO HAVE VIOLATED THE LAWS OF CELLBLOCK SOCIETY, WHO ARE ^{THEY} DISCIPLINED WITH EXTREME PREJUDICE. THE STATE BECAME-

inherently threatened by this, extremely troubled by the fact, what the state had 'constructed' as a tool of oppression and 'strict' control and 'containment', to degrade and demoralize a specific segment of their social class system. Those who have been disposed of and 'tagged' losers. Have somehow adapted to the oppressive, inhumane and unnatural living environment. Dramatically shifting everything to our control. Turning the violence, trauma, dysfunction into usable resources that can be tapped into and manipulated into a meaningful supply, given a value. In attempts to gain a sense of power, aspiring to become more than what the state has relegated us to be, and tagged us as. Some of those being disposed of in here, discover themselves here, and see this as an opportunity. ^{MANY} Deciding to increase their knowledge heighten their ~~understanding~~ understanding about themselves, their lives, and how this ^{ENTIRE} world really works. Learning about their relationship with ^{THE PLANET} the planet, developing a relationship with 'books' inside here. ^{UNFORTUNATELY} Not every cell dweller is equal, ^{SO} we don't have equal motivation to pick up a book and read, nor do we have equal abilities, some or should I say many have learning disabilities, ^{ILLITERATE} or just simply don't have any desire to learn at all, who are ultimately left to be exploited, taken advantage of, manipulated and preyed upon by the predatorial hierarchy, and their initiates, who have studied statescraft extensively, educated themselves thoroughly on the art of rhetoric, ^{RACIAL} propaganda and invested thousands of hours into sociology, psychology, political science and human behavior. Like the historical political philosopher and author of the famous work 'Leviathan' a must read for all cell dwellers ascending to the Cellblock Society's all-powerful government, hierarchy. Being in here, forced to co-exist in such closed, contained environment.

Crowded together with such unpredictable, hostile, predatory Alpha-males, one can see quickly that life inside here, without government, would become a state of human nature. Where, without agreed upon enforceable rules, created by us, cell dwellers, would live like ~~we~~ ^{we} are inside an animal kingdom. Preaching, foraging for resources, stealing, killing each other and even rape in the weaker of. In order to tame these horrifying predatory natures to at least, a sustainable level. I would agree, along with many of my fellow "cell block society" government constituents, with state prison officials, that "social predators" even after society has disposed of them here, they to must still be persuaded by coercion to submit themselves over to an even more powerful force, that is credible and fair, ensuring protection and support, to each who does. But state authorities insist that we are an illegitimate government that is only in existence to act as an intimidating force, that uses its own influence to 'extort', 'threaten', 'coerce' the uninitiated into submission and collusion to support and participate in a much larger and expanding criminal syndicate enterprises. So, we've been given a designated, validation of security threat groups or (STG's) according to the state prison officials. Which has been created as a legal maneuver to systematically identify those of us who are recognized, validated, ranking members of the "cell block society" government, its vanguard cadre or associates. Authorization for immediate removal from open general population is certain. Transfer into level V maximum security housing is imminent, 23 hours a day confinement. Entombed to an 8x10 cages separated from every other cell dweller, absolutely zero contact, with another human, all means of communications heavily monitored and censored. Phone calls closely screened, mail closely inspected.

Such has been the conditions for myself and several other comrades for quite awhile now. This form of confinement is being used to dismantle destabilize prisoner leadership structures statewide in all the institutions. Becoming increasingly common occurrences, more and more, as a torture device to create a 'psychologically' tightening effect on our minds subjecting us to prolonged periods^{of} isolation, employing behavior modification techniques, surprise strip-searches, random cell inspections to keep^{us} in-line, staggered feeding times, to confuse us^{and} sensory deprivation. I've had to listen to men slide into mental depression, despair, anxiety, rage and claustrophobia^{because} men who have even slipped into deep psychological hallucinations, ^{losing} impulse control and struggle daily to concentrate on one thing, having an impaired ability to think. Not all of us, who are sent here are able to endure the devastating effects of extended periods^{of} time in isolation cells. One can even become delusional with paranoia, frightened of what will happen to us, should we become ill while we are isolated back here. Many of my closest comrades have committed suicide back here choosing to take their own lives oppose to, psychological torture. This development has in turn made the entire "Cellblock Society" more vulnerable to government in-fighting, power-struggles, racial-rioting and a breakdown of order and control out there on the open-yards. Board of Governor's are no longer^{being} vetted, chain of command rank is not appointed by protocol anymore, but through favoritism and 'opportunism'. Leading to all kinds of miscalculations, abandonment of duties and "zero" accountability. Making Prisons Authorities feel less threatened. As they use the "STG" label to get the real leadership into these torture chambers. Their use of the "GANG" label by the prison authorities, is obviously fraught with racial bias. While at the same time, white supremacist's hate groups rarely get labeled as gangs or transferred here as security threat groups.

While I'm not denying the fact that many of ^{us} have deep history's in the street corner criminal gangs outside of here. And we depend on those same connections and ties, behind these fences and walls, in order to strengthen our credibility and influence to achieve political goals and aspirations inside here. Increasing our status and giving us a measure of security and group connection in a dangerous, violent and predatory environment. At the same time, yes in fact we do frequently engage in illegitimate activity, controlling smuggling routes to introduce contraband into the cellblocks, controlling the distribution of contraband, and revenues generated from it. Setting up vast communication networks using contraband cell phones, corrupting prison guards through bribery, often having to display violent criminal actions to terrorize our own community to enforce rules and maintain control. Which can be challenging to prison authorities to control. So they set out to develop ways to limit our activities. Although we don't glorify or promote criminal activity's nor do we condone violence. Because of our population being who they are, unfortunately violence becomes the 'necessary' evil here to gain any respect from the populace. Many of us who have exclusive access inside of the cellblock government, have made a personal commitment to ourselves and our community's, working with the street corner gangs and with the youth, trying to help them to transform themselves into community organizations with a legitimate cause to create social movements for social change, mentoring them on how to use their power to make a difference showing them how to counter their gravest problems, created by deepened inherited poverty and lack of education, many of us have been developing new models, of community accountability and new approaches to reducing gun-violence in the streets, ourselves. Oppose to waiting for others to do it for us. Which will most likely come in the form of incarceration adding more of us to these "cellblocks". Where we eventually become essentially socialized to live inside the ^{state} constructed criminally governed institutions. Never getting desocialized of our programming we are released back to

an intolerant, unforgiving 'civil society'; Facing a constant struggle to find employment and legal means of income. While being discriminated against and passed over because of our past criminal histories. Past histories which deny us opportunities in our futures. Becoming another discarded individual citizen amongst the other millions who come out of cellblock society with a permanent label. Allowed to interact freely amongst larger, legitimate civil society. However being subdued and held back by unseen restrictions and invisible life sentences of limited options and contained potential. The status quo's civil disability laws were developed and written specifically for this. To maintain an underclass social status of disposable citizens that is kept unequal in every sense compared to the other population. These civil disability laws aren't written into the criminal statutes, but are found in business codes and professional trade codes. They are created for the specific purpose to limit those of us with criminal convictions from being allowed to participate in specific occupations, professions and trades. Their objective is to limit the competition, so despite our seeming to look as if we are free of the "cellblocks". It is only in appearance that we are free, not actually in reality. So, what is an ex-con to do? Stay quiet and endure suffering? Wait around and pray for the laws to change? Be satisfied and content with whatever we can find? Unfortunately for me and millions others who, like myself, embrace the most convenient and readily available alternatives around us. Which is crime. The quickest, and nearest option for all us. Especially following rejection from civil society, we take on the mindset of an angry rebel who's out to get retribution against society's status quo, sabotaging ourselves to come right back again and again. Reinsuring the popular belief that we all belong inside of here.

Today a REAL EFFORT is UNDERWAY by the All too Familiar Elite social class status Quo, to label and track all of us with a Radio Frequency Identification Monitoring "Micro Chip", or (RFID). All of us who are now validated "STG" GANG MEMBERS have been added to a National database for Known GANG MEMBERS, to ensure that we are designated as possible "domestic-Terrorists". On Sept. 11th, 2001. This was the day America's Ruling Elite ushered in its newest and highest level of controls yet, for a "FREE" society. A new phrase had been introduced to our daily lexicon, "Homeland Security", which only had been used inside government think tanks at one time. Now it's a common term we see and hear daily. The same goes for the term "terrorists", and "terror attacks", even "terror threat". State and Federal ^{Authority's} have now gotten everyone acquainted with the "terrorism" scare. Now, they are taking dramatic measures to add certain crimes and certain kinds of criminals to their Homeland Security "terrorist" tracking lists. This is only the beginning of what's to come. As they plan to use this fear tactic of eminent danger and terror threats to manipulate the public and U.S. population into a level of fear, enough that they would willingly surrender their constitutional rights over, giving up their own "Freedom", for "protection" in exchange. Protection from who? From what? Unwittingly moving this country closer towards a police-state. Using manufactured threats and fears, to persuade the population into ^{routine} curfews, blockades, home-searches, food ^{being} rationed-out, water supplies restricted etc. We, will be seeing an increase in police-military training exercises playing-out in the streets, ^{soon} see: (Dude Helm. ^{Gov} ORG), see: (Patriot Act. ^{Gov} ORG). Under the term "terrorism", they will justify everything, to usher in their new plans for martial law. "terrorism" is an Ambiguous faceless, nameless adversary, because the perpetrators of it can be anyone. U.S. political dissidents or simple criminals, whoever police want to eliminate.

THOMAS JEFFERSON ONCE SAID "WHEN PEOPLE FEAR THEIR GOVERNMENT THERE IS TYRANNY, WHEN THEIR GOVERNMENT FEARS THE PEOPLE, THERE IS FREEDOM." BEING A STAUNCH BELIEVER IN THIS IDEALOGY, I'VE DEDICATED MANY YEARS OF THIS 21 YEAR PRISON SENTENCE TRYING TO GET MYSELF PREPARED FOR WHAT'S COMING IN THE NEAR FUTURE. PARTICULARLY THE CHANGES THAT WE SEE OCCURRING IN THE WAYS THAT WE WILL BE IDENTIFYING OURSELVES, DECLARING WHO WE ARE AS U.S. CITIZENS. FOR INSTANCE, 9/11 HAS GIVEN US THE NATIONAL "REAL I.D. ACT" WHICH IS ^{THE} NATIONAL STANDARD FOR ALL STATES TO FOLLOW WHEN ISSUING STATE DRIVERS LICENSES, I.D.'S ETC. UNDER FEDERAL MANDATE CALLED "SECURE I.D." SPURRED BY THE STATUS QUA TO CREATE A MORE CONNECTED DATA BASE THAT CAN BRING EVERYTHING ABOUT A PERSON'S ENTIRE LIFE, INTO ONE FORM OF I.D. MEDICAL HISTORY, FINANCES, CRIMINAL, EMPLOYMENT AND EVEN CREDIT. AGAIN, ALL FOR OUR OWN PROTECTION OF COURSE. THIS IS NOW ALREADY IN MOTION, ALL 50 STATES MUST BE IN COMPLIANCE NO LATER THAN 2021, AROUND THE TIME I'M SCHEDULED FOR RELEASE. I'VE ALREADY SAID WHY I'VE COME TO HAVE A SERIOUS DISTRUST FOR OUR GOVERNMENT'S INTENTIONS AND PLANS FOR ^{AMERICA'S} ~~OUR~~ POPULATION ^{REGARDING} ~~THE~~ THE SOCIAL CLASS STRUCTURE. AND I'M NOT ABOUT TO JUST FOLLOW THE OTHER HERD TO MY OWN SLAUGHTER, WITHOUT ATTEMPTING SELF-PRESERVATION, SELF-GOVERNANCE, REQUIRING ALOT OF SELF-EDUCATION TO RISE TO THE OCCASION. SO, I FOLLOW UP WITH DEEP RESEARCH AND TRACK ALL DEVELOPMENTS, WHO WOULD ARGUE THAT WE ARE NOW MOVING TOWARDS A "CASHLESS" ECONOMY, NO MORE PAPER TO TENDER OUR TRANSACTIONS. NOW, WE SEE TECHNOLOGY BEING INTRODUCED ALLOWING TRANSACTIONS TO BE TENDERED AT THE "TAP" OF OUR SMART PHONES, TO "LIFT" DIGITAL PAYMENT. SOON, IF YOU DON'T HAVE THIS TECHNOLOGY THEN YOU WON'T BE ABLE TENDER ANY TRANSACTIONS. "CASH" SIMPLY WILL BECOME OBSOLETE, SHIFTING EACH AND EVERY TRANSACTION TO A CONTROLLED, MONITORED DATABASE. SO, THEN WHEN YOU DISOBEY THE AUTHORITIES, DISAPPOINT A CREDITOR YOUR ABILITY TO BUY OR SELL WILL BE UNPLUGGED FROM THE SYSTEM.

So, how do you function after ^{your} disconnected? People don't see this for what it actually really is, 'a Prison'. Because, they can't see the walls. Once everyone comes through these ^{here} prison doors they are issued a unique number that connects them to a database of criminal records, and their entire criminal past, with no escaping it. There's no difference when the government demands all citizens take a single number that connects them to their education's past, medical, credit, taxes, and financial status, with just a single number, with no escape either. Sadly, most of the population see nothing wrong with ~~his~~ being forced, to acquire this new secure I.D. There will always be naive gullible and mindless sheep that will always follow along and avoid asking questions. But those wolves who are lurking and observing in the cut, can see past the 'elaborate' disguise. We, can see the implicit threats to our freedoms, shifting everything over, to computerized central identity data-banks. Which will become conveniently used for insurance companies, banks and creditors, hospitals, surveillance and eventually another tool for 'social-control' and assigning 'social-class' status. I've researched, very intensely all of their new rules for these government-issued I.D.'s. And have uncovered strategic clever ways to legally create new official forms of I.D. for myself to have a new start in life. Providing them with the documents they want, in order to get the documents I want. I think it would be an injustice to exclude honorable mention of my most influential, distinguished and proven decorated mentors that I've had the great privilege and honor of meeting, through their writings. Those whom I've studied under and would like to point to as having the most profound impact on my theory's and philosophy's explored in this writing.

The principle theoretician and mentor who is responsible for taking off my blind fold and leading me to the light is the late great Cellblack Society Architect George L. Jackson "THE DRAGON" who's written works "Soledad Brother" and "Blood in My Eye" became my "Awakening" to see, with my mind's eye. Before him, I had only been seeing life and this world through my visual eyesight. Through the Dragon's writings I was able to meet another esteemed distinguished mentor of mine that led me out of the darkness using the torch that George had lit for me, after he removed my blindfold. Dr. Sundiata Acoli who wrote "Sunviews" picked up where George left off, then ^{MUMIA ABU JAMAL WHO WROTE "LIVE FROM DEATH ROW"} Dr. Mutulu Shakur, Sekou Odinga, Beronimo Pratt "Jilaga", Huey P. Newton, Sekou Toure, George Washington Carver, Marcus Garvey, Fredrick Douglass, Ms. Elaine Brown, Ms. Angela Davis and Joanne Chesimard "Assata", these were the mentors who shaped my philosophy about political thought, government and social ideas. Most recently I've had the honor and privilege of studying under Dr. Cornel West, Michael Eric Dyson, and now since 2010 I've been introduced to a very compelling theory and appealing ideology that's altogether compatible with all of my earlier lessons, only these mentors are able to join everything from the past ideology with the ~~the~~ current, updated and modern relevance. Dr. Roxanne Meadows of "The Venus Project", with Jordan Maxwell and Jacques-Fresco, all of which have captured my attention with their works on the Venus project and the Zeitgeist movement. I write my essays while caged inside an 8 x 10 cement "tomb" that was constructed to bury my human spirit and suffocate life from all who unfortunately find themselves entombed here. Writing is my personal form of therapy to help me cope with these psychologically suffocating circumstances. I'm not expecting anyone who reads my writings to accept

ANY OF MY THEORY'S, OR CLAIMS ON THEIR FACE VALUE; EVERY ONE OF MY ESSAYS
 HAVE BEEN WRITTEN WITH THE GENERAL READER IN MIND. I'M ONLY PROVIDING AN
 IDEAL INTRODUCTION INTO THE MIND OF A SOLITARY MAN, WHO'S REMOVED FROM
 THE REST OF SOCIETY ^{TO DO INTROSPECTION} AND RIGHTFULLY SO, DUE TO MY ACTIONS AGAINST THE
 INNOCENT GENERAL PUBLIC, AND THE EFFECT THOSE ACTIONS HAVE HAD ON THEM.
 THERE SHOULD BE ACCOUNTABILITY FOR ^{ALL OF} OUR ACTIONS, I TRULY BELIEVE THIS.
 NOT ONLY FOR THOSE OF US WHO ARE COMMON ^{POOR} EVERYDAY CITIZENS WHO DON'T
 POSSESS WEALTH OR PRIVILEGE. BUT, I'M SENDING OUT A CALL TO ACTION,
 THAT IS TRYING TO GET THOSE POSSESSING THE POWER, WEALTH, PRIVILEGE AND
 STATUS IN THE U.S. TO COME FORWARD AND DO THE SAME, AS THEY TO
 EXPECT OF THE UNDERCLASS. AS THEY USE THEIR UNLIMITED ACCESS TO
 GLOBAL RESOURCES, AND MEDIA TO PROMOTE THEIR OWN IDEOLOGIES AND
 BELIEFS ABOUT WHAT'S BEST FOR EVERYONE ELSE. I'M LEFT WITH ^{ONLY} A PEN OR

It is difficult to describe the impact of living inside these cellblock-society's without touching on subject matter that essentially has been well hidden and tightly guarded, strongly protected and concealed away from the general public's eyes and ears for decades now.

So, I'm hesitant to even move forward in this writing endeavor to offer my perspectives and positions about the overall view of - America's penal system, and its impact on my life particularly, knowing that in order to have any real meaningful, serious function that will effectively have a distinct influence in educating the general-public, than I've got to explore the rawest form of truth that's possible. A truth reflected in the daily activities of the cell-dwellers who populate these CellBlock Society's. In order to make these writings relevant and credible, I do not have to implicate other cell-dwellers or name names in order to add value or prestige to my work. I've decided against using others' ^{NAMES} to strengthen my theories, opinions and claims here, for which I have no right to. Through my pencil and paper, I only seek to give the readers another direction to look at, another area of focus, to examine. Most importantly, emphasizing the fundamentals of learning to be good leaders in our own family's, in our neighborhoods and our communities. Or, risk the possibility of others exploiting us, our family's and our community's for their own selfish gains. Something that, I had to unfortunately learn the hard way. Having no other credible, healthy, good leadership around me, I succumbed to the influences all around me, being reduced to 'GANESTERISM' and 'CRIMINALITY'. Instead of being taught how to embrace humanity, respect self, and respect others, create goals and reach for them. Establish a personal code of conduct for oneself, that's disciplined and dignified. Instead, I was led by the

American "Pop-Culture", obsessing about Brand Names, Materialism and status. Which started out early on for me. I didn't know that I was being 'socialized' into consumerism, at such an early age. 'Colonized' by the social elite, to continue buying more and more, but 'producing' nothing of my own. This is the result of failed leadership in my family structure, an indictment of failed leadership, in my new African community. ^{as well} Because, they're weren't anywhere, the underdeveloped, low income, poverty-ridden oppressed communities in the city of San Bernardino, Cal where I grew up at, in the 70's and 80's. Eventually, my obsessions became the priorities in my life, making me another misguided stooge for the imperialist social elite and corporate-machine. Landing me inside these cell blocks very early in my life. Where I began to experience psychological changes, that made it easier for me to adapt to this kind of inhumane, unnatural, oppressive living environment. Something that I write in-depth about, regarding my socialization into prison-living.

Becoming mentally detached from the "outside society" and more socially-adapted to this 'institutional' society, after being locked up inside them for so many years. This is what I've been driven to write about, how it's effected my life personally. The ongoing changes that I've experienced over my 24 years of confinement inside of these institutions. Engaged in a self-educational journey, a crash course into manhood, maturity and human responsibility. Writing this book I say "writing" because even if this "book" were to ever get published, it still wouldn't be a finished product. Because it's an ongoing project. An undertaking that won't be completed until my own family members, and kids are finally aware and consciously educated as to who I once was, how I became that person, what drove me ^{to} change, how I set out to achieve the necessary changes, and who I am today, as a direct result of it.

MY WRITINGS ARE "INSTALLMENTS" THAT WILL MAKE UP MY "MANIFESTO"; SINCE MY FAMILY AND KIDS HAVEN'T HAD THE CHANCE TO GET TO KNOW ME IN PERSON BECAUSE OF MY LIFE CHOICES, KEEPING ME HERE, LOCKED UP WITH THE REST OF SOCIETY'S UNEMPLOYABLE, ILLITERATE, DESPISED AND MISUNDERSTOOD. THIS IS BECOMING ^{MORE} THAN JUST A BOOK. THIS IS WHAT I HOPE TO BE ABOUT INSPIRATION AND MOTIVATION, ENCASED INSIDE PAGES. SO THAT ONCE THESE WORDS ARE FINALLY READ BY MY FAMILY MEMBERS, MY KIDS AND MY HOME GIRLS AND HOMEBOYS WHO KNOW WHO THEY ARE, MY WORDS ACT AS INCANTATIONS WHICH EMPOWER THEM AND OTHER READERS TOO. TO INCARNATE "RAW" DETERMINATION AND AMBITION TO PURSUE THEIR GOALS. TO SHOW THEM THAT, NO SITUATION WILL CHANGE UNLESS THEY CHANGE IT. OTHERWISE NOTHING WILL EVER CHANGE EXCEPT FOR THEIR SITUATIONS BECOMING WORSE. IF THEY TOO BEGIN MAKING CONSCIOUS, INFORMED, NUANCED CHOICES, I KNOW THAT THEY WILL CAUSE THEIR OWN PERSONAL AND COLLECTIVE REALITIES, TO TRANSFORM AND ADVANCE THEMSELVES IN WAYS THEY NEVER DREAMED POSSIBLE. I'M NOT A WRITER PER SE; MY GOALS ARE NOT TO BE ELOQUENT, SOUND HIGHLY INTELLIGENT OR PRODUCE SOME AESTHETIC MASTERPIECE. I'M NOT WORRIED ABOUT MY CHAPTERS BEING PROPERLY ORGANIZED WITH CORRECT SENTENCE STRUCTURING, OR IF MY PUNCTUATION IS ALL ON POINT, OR NOT. HOWEVER I'D LIKE ALL OF MY READERS TO PLEASE KEEP IN MY MIND THAT I AM ONLY THE AMBASSADOR OF A LONG ESTABLISHED TRADITION OF OTHERS WHO CAME BEFORE ME BECOMING UNIQUE AND DISTINGUISHED, PRISON WRITERS AND PUBLISHED AUTHORS, WHO LIKE MYSELF, DISCOVERED THEMSELVES WHILE INSIDE THESE CAGES. WHO ALSO SET OUT TO CREATE A NEW BETTER LEGACY FOR THEMSELVES, AND EXPAND THEIR WORLD VIEW AS A WHOLE AND THEIR SOCIAL AWARENESS TOO, IN A WAY THAT OTHERS BEFORE THEM AND IN CONTEMPORARY TIMES SHARED AND LIVED. THERE ARE TIMES WHEN I PRESENT IDEAS IN MY WRITINGS THAT HAVEN'T BEEN CONSIDERED FOR MILLENIA, OR EVER. OTHER TIMES I'LL BE BREATHING NEW LIFE INTO SOME PLAUSABLE, SOUND THEORIES.

of others, that have since been forgotten, ignored or distorted. I'm one who considers them all one and the same in my eyes. Because I have zero interest's at all in receiving credit for anything, or re-inventing the wheel. My only interest's is that we as New Afrikan's colonized here in Amerika, at some point, either hereⁱⁿ prison cells or out there in civil society begin to experiment with, explore and apply the ideas and theories, suggested in these pages. That we remind ourselves, awaken others, that we get hungry for change, and start to 'think' through varied lenses. That's why calling this work a book would be limiting it's purpose and potential. Such causes as this have had many, many of books written on these issues and ideas, even many of speeches to deliver them. I've personally read hundreds of them. With property boxes under my bunk, full of them. I'm now just consolidating all of their messages and insights into my own-words, that you're reading now. Our vision and intent is for these writings to become a 'social project,' for a 'social movement.' You will notice that I often use the word 'our' alot. Because as I mentioned earlier I am only the Ambassador of ideas and legacy, that has been handed down to me, from others. Including the many cell dwellers in captivity who also have contributed to my knowledge, personal development, and political views. Many of whom have organized classes together with me, we've mentored to one another, formed group discussions, think-tanks and exchanged literature. Through these efforts we have used both personal and collective realities to even transform and advance our situations ^{in ways} we never imagined possible, reaching meaningful goals, together and as individuals. Learning how New Afrikan leadership doesn't have to be about "handing down a bunch of rules and regulations, by laws constitutions, and codes of conduct, ANY GROUP can do that."

HOWEVER, AS I'VE SEEN FIRST HAND, EVENTUALLY IT STIRS CONTEMPT AND BREEDS DISLOYALTY, LACK OF TRUST AND DESERTION OF RANKS. I'VE HAD TO LEARN, THROUGH A "CRASH-COURSE" LESSON, THAT CREDIBLE HONEST LEADERSHIP DOESN'T SEEK TO USE ITS AUTHORITY OR STATUS TO EXPLOIT ITS DISCIPLES. LEADERSHIP IS, THE ABILITY TO INSPIRE OTHERS, SHOW OTHERS HOW TO TAP INTO THEIR OWN WORTH AND POTENTIAL. LEADERS ATTRACT OTHERS TO CAUSES THAT ARE BIGGER THAN THEMSELVES, AND FULFILL SOMETHING INSIDE OF THEM THAT NO AMOUNT OF MONEY OR MATERIAL POSSESSIONS CAN FULFILL. SOMETHING I'M SADDENED ABOUT, KNOWING I'VE MISSED THE CHANCE TO BE THERE AND TEACH THESE IDEAS TO MY OWN KIDS, AS A FATHER SHOULD, I'VE GOT SEVERAL NIECES AND NEPHEWS THAT I'VE NOT BEEN INVOLVED IN THEIR LIVES, ^{EITHER} BECAUSE OF MY ^{LIFE'S} CHOICES LEADING ME HERE. BUT, I'M READY NOW, TO SET ANOTHER EXAMPLE FOR ALL OF THEM AND PUT THEM FIRST THIS TIME, SHOWING THEM HOW TO BECOME THE EMBODIMENT OF HIGHER IDEAS, INNOVATION AND SUCCESS. ELIMINATING ANY POSSIBILITY OF THEM SUCCOMBING TO THE MANY, TYPES OF SOCIAL-ECONOMIC PRESSURES OF SOCIETY, ^{TODAY} SHOWING THEM HOW TO OVERCOME THEIR OBSTACLES IN LIFE, BY THINKING THEIR WAY THROUGH ^{THEM} OPPOSE TO REACTING ~~THROUGH~~ ^{TO} THEM. MAKING SURE THAT THEY UNDERSTAND THE DIFFERENCES. MAKING SURE THAT THEY KNOW THE HISTORIES OF ALL THE VARIOUS STRUGGLES, SOCIAL MOVEMENTS, AND CHARISMATIC LEADERS OF THE PAST, AND EXPLAIN HOW, AFTER ALL OF THEM. MUCH OF THE WRONGS BACK THEN, ARE STILL WRONG TO THIS DAY, AND WHY THAT IS. I LOOK FORWARD TO THE NEXT OPPORTUNITY THAT I HAVE, TO TEACH MY KINFOLKS, NIECES, NEPHEWS AND MY OWN KIDS, HOW THEY ARE THE FUTURE, THEY HAVE TO ^{REVOLUTIONIZE} THEIR OWN CAPACITIES TO THINK AND SORT-OUT THEIR PROBLEMS, EXPOSING THEM TO DIFFERENT WAYS THAT THEY CAN NAVIGATE THEMSELVES THROUGH THE COMING CHANGES THAT ARE GOING TO TRANSFORM LIFE AS WE KNOW IT. MY CLOSEST LOVED ONES AND KIDS HAVE TO BE MADE AWARE OF

THESE COMING NEW REALITIES, THE SERIOUS EXTREME HARSHNESS THEY ARE GOING TO BRING. I'M HOPING THAT I CAN MAKE IT OUT, OUTTA HERE, IN TIME TO HELP THEM FACE ALL OF THE COMING VARIOUS CHALLENGES AHEAD. NO ONE ELSE WILL GUIDE THEM, OR TEACH THEM HOW TO PREPARE FOR THE CHALLENGES AHEAD, THE WAY I WILL. SHOWING THEM HOW TO RECOGNIZE THEIR OWN-STRENGTHS AND WEAKNESSES, THEN MAKE AN EFFORT TO SHORE THEM UP. FOR US TO APPROACH THESE COMING TESTS AND CHALLENGES WITH FULL-CONFIDENCE IN WHAT WE DO. I FIRST HAVE TO GAIN THE CONFIDENCE AND TRUST OF MY KIDS AND NIECES / NEPHEWS. WHO HAVE NOT HAD TIME TO GET ACQUAINTED WITH ME, AT ALL. SADLY, I'VE MISSED-OUT ON THE ENTIRE CHILDHOOD YEARS WHILE I SAT INSIDE CAGES THAT ARE LIKE THIS ONE. MAKING PROGRESS IN THIS AREA, WILL HAVE TO START OUT AS THEY ARE TEENAGERS AND YOUNG ADULTS. I EXPECT THERE TO BE SOME HESITATION AND INTREPIDATION ON THEIR PART AT FIRST. LETTING DOWN-
THEIR GUARD, GAINING THEIR TRUST WON'T COME INSTANTANEOUSLY, OR OVERNIGHT. I WILL HAVE TO BUILD TRUST OVER TIME. PROVING MYSELF TO BE WORTHY AND CREDIBLE. I'M SURE AT FIRST IT WILL BE A BUMPY, JAGGED AND CROOKED ROAD, BEFORE WE REACH FULL-TRUST AND CONFIDENCE, AND MORE IMPORTANTLY 'LOYALTY'. SOMETHING THAT IS RARELY FOUND NOWADAYS. MY PAST WAS RIDDLED WITH 'IMMATURE', 'IRRESPONSIBLE' AND 'IMPULSE' DECISION-MAKING, AS I WAS A LOST, RECKLESS, MISEGUIDED, MISUNDERSTOOD NEW AFRIKAN YOUTH, WHO HAD BEEN COLONIALIZED INTO A DYSFUNCTIONAL LOWER SOCIAL-CLASS STRUCTURE, FEELING POWERLESS, LOST, AND INSECURE, I LIKE MANY OTHER DELINQUENT YOUNG BLACK MALES DO, WE SET-OUT TO BE PROMISCUOUS AND HIGHLY SEXUALLY ACTIVE TO OVERCOMPEN-SATE FOR OUR DEEPER INNER-FEELINGS OF INADEQUACIES AND THIS RESULTS IN SEVERAL UNPLANNED PREGNANCIES AND LEAVING YOUNG SINGLE MOTHERS OUT THERE ALL ALONE, LEFT TO STRUGGLE AND RAISE OUR BABIES ALL ALONE, ^{FEELING} ABANDONED, UNWANTED, UNLOVED AND BURDENED BY MOUNTING EXPENSES,

Limited support and scarce resources, consequences of being stripped of what our original Afrikan culture teaches its men, starting at a very early age, we are mentored, taken through a rite of passage as we enter young Afrikan manhood. But this was taken away from our culture as we were separated from our traditions, customs and ^{NATIVE} cultures; leaving us to find a way for survival, here. Over the passing of hundreds and hundreds of years, we can see today, the 'uneducated', ghetto dwelling lower social class Black males, out there in their streets and even inside these cellblocks, are ^{NOW} men of confusion, facing hostile environments daily. Attracting the hostilities ^{OF} American society, the Police force, and the social elite. We are targeted by everyone, we are constantly told that we are violent and animalistic, we are told that we are inferior males, because of ^{OUR} lack of ability to provide. As young men, we often find ourselves without the things that bring status in America's pop-culture, we lack those material things we see, that bring respect, and a feeling of worthiness. We look around us, and we don't see ^{THE FEW} responsible Black men who are out providing for their kids getting status or respect like they should be, it's the "dope man", the "ganster" who's looked upon with admiration and respect, instead of the Black man who's working two jobs to provide for his kids and attend classes at night, ^{IN ORDER} to acquire the skills needed to make a better life for himself his family, manipulating his social status and environment to his favor. Instead of being the one who is manipulated by their social status and environment, like I had been for most of my life. Something that I've come to feel ashamed about and even embarrassment for ^{Today}. After years inside this institution, having time alone to reflect on all of this and deconstructing this mistaken failed way of thinking. Rebuilding myself, and my old dysfunctional

MINDSET, I'VE SINCE RETRAINED MYSELF TOWARDS AMBITION AND WILL-
 POWER. LIBERATING MYSELF FROM THE IMAGINARY FANTASY-WORLD OF
 HAVING THINGS, STUFF, OBJECTS, MATERIAL POSSESSIONS THAT WE REALLY
 DO NOT NEED. BREAKING AWAY FROM THE OBSESSIVE NEED TO FEEL A
 SENSE OF STATUS. GOING BACK TO THE BASICS, TO BECOME THE ONE AND
 ONLY, SOLE MASTER OF MY UNIVERSE. WHERE I'VE BEEN LEARNING TO BE
 THE SOLE MASTER OF MY OWN FACULTIES, LEARNING HOW TO ANALYZE MY
^{OWN} PROBLEMS, EVALUATE CONDITIONS, WHILE COOPERATING WITH OTHERS.
 SACRIFICING SELFISH DESIRES, IN ORDER TO REACH THE BIGGER PICTURE.
 LET ME BE CLEAR, I'M NOT ANOTHER "PENITENTARY" SCHOLAR WHO HAS
 FOUND THE 'LIGHT' SO TO SPEAK AND ^{THEY} SOMEBOW LOSE IT ONCE
 THEY ARE RELEASED, GOING RIGHT BACK TO THE SAME OLD THINGS,
^{LIKE THOSE WHO?} ~~WHICH~~ ONLY USE THE BIBLE OR READ BOOKS JUST TO KEEP THEMSELVES
 BUSY, AND PASS THEIR TIME INSIDE, WITH NO REAL PLANS TO CHANGE.
^{HONESTLY} I HAVE NO MORE INCLINATIONS TOWARDS CRIMINAL BEHAVIORS,
 I DON'T HAVE ANY MORE DESIRE OR ASPERATIONS TO BELONG TO ANY
 STREET GANG, OR PRISON ORGANIZATION. MY LOYALTY IS NO LONGER
 SWORN TO ANY SUCH CRIMINAL OR ^{PRISON} REVOLUTIONARY DISSIDENT AFFILI-
 ATIONS. TODAY I'M LOYAL TO A HIGHER ELEVATION OF IDEAS, PRINCIPLES
 AND VALUES. BELIEVING WHOLEHEARTEDLY, IF STEADFASTLY ADHERED
 TO, PURSUED AND COMMITTED TO. EVENTUALLY I WILL CREATE MUCH
 BETTER OUTCOMES IN MY LIFE, THEN THE PAST OUTCOMES I'VE SEEN.
 I WILL PRODUCE OUTCOMES THAT SATISFY MY PERSONALIZED-
 MASTER PLAN AND BLUEPRINT FOR MY FUTURE. MY GOALS, NEEDS,
 AND INTERESTS WILL BE MET. UNFORTUNATELY IT'S TAKEN ME OVER
 HALF OF MY LIFE TO FINALLY GET HERE, TO SEE THAT EVENTUALLY
 SOONER OR LATER. THOSE WE CHOOSE IN THAT WHOLE CRIMINAL,
 STREET HUSTLE, GANGS, PRISON ORGANIZATIONS, TO COME FIRST,
 OVER OUR OWN KIDS AND FAMILY'S, THEY ALL WILL SOON DISAPPOINT,

BETRAY, FAIL, CHANGE and ABANDONED US. HOWEVER, PRINCIPALS, and PERSONAL LAWS, VALUES, and IDEAS DON'T JUST CHANGE INSTANTLY LIKE PEOPLE DO. I'VE HAD THE TIME IT TAKES TO DEVELOP THE CAPACITY TO THINK AND CREATE FOR MYSELF, AS AN INDIVIDUAL. TAKING HEED TO LESSONS THAT HAVE BEEN PASSED ALONG TO ME, FROM MENTORS. I DISCOVERED WAYS HOW TO TRANSFORM THIS OPPRESSIVE, PSYCHOLOGICAL TORTURE CHAMBER INTO A PLACE TO HEIGHTEN MY UNDERSTANDING OF SELF, AND MY ENTIRE SURROUNDINGS, WHILE ADAPTING TO THE MOST MENTALLY CHALLENGING EXTREME TESTS IMAGINABLE. ENTOMBED INSIDE OF AN 8x10 CEMENT 'WINDOWLESS' SARCOPHAGUS. DILIGENTLY PURSUING KNOWLEDGE, and EDUCATION. BELIEVING IN MY HEART THE WHOLE TIME THAT IN FACT, 'SCHOOL' IS, WHERE WE MAKE IT. 'SCHOOL' DOESN'T HAVE TO BE ONE-SANCTIONED BY THE STATUS-QUO FIRST, BEFORE ITS LEGITIMIZED TO 'TEACH' OR PEOPLE CAN 'LEARN'. WE NEED ONLY THE HUNGER, THE DESIRE and PASSION TO LEARN and EDUCATION WILL OCCUR, NO MATTER OUR WHEREABOUTS OR OUR CIRCUMSTANCES, CONDITIONS, OR ENVIRONMENT. LIKE THIS ONE, WHERE I'M EMBARRASSED TO ADMIT THAT, ADULT MALES WHO HAVE THE AUDACITY TO CALL THEMSELVES AZ. AZTECA WARRIORS OR "MEXICA" EVEN HIJACKING THE CALIFORNIA PRISON MONIKERS MEXICAN MAFIA EVEN ARYAN BROTHERHOOD, THEY RESORT TO THROWING FEACES and URINE THROUGH THEIR PERFORATED DOORS and SCREAMING, at the top of their LUNGS, trading-off all of their PERSONAL PROPERTY, T.V.'S, TAPE PLAYERS, FANS, ETC. ETC. JUST TO SCORE A "FIX" OF HEROIN OR METH to inject themselves with, spending MONEY that their OWN-FAMILIES HAVE SACRIFICED to support them ^{with} through this ^{STRUGGLE}; And they use their OWN FAMILY'S HARD EARNED MONEY to maintain their drug dependency, while keeping the illegal contraband prison-economy well-funded. All of which leads to EVEN MORE DESPERATION, SUFFERING, TORMENT and INCREASING HOSTILITIES as THE PRISON ORGANIZATIONS all clamor FOR CONTROL of the PRISON-ECONOMY.

which, leads to MORE RACIAL RIOTS, and 'OVERDOSED' PRISONERS CARRIED OUT
ATOP OF STRETCHERS, MORE MENTAL ANGUISH AND MISERY, DEEP DEPRESSION AND
MEN REACHING THEIR 'BREAKING-POINT'. I WITNESS MEN, DEVELOPING DRUG HABITS
GRADUALLY BUILDING UP THEIR TOLERANCE LEVELS THAT REQUIRE MORE AND MORE OF
THESE DRUGS, FINALLY TO ^{THE LEVELS} WHERE THEY GET THEMSELVES INTO A "CREDIT" ^{LINE} WITH
THE DISTRIBUTORS, RUNNING UP CREDIT BILLS THAT THEY CANNOT SUSTAIN SO THEY
VOLUNTARILY GO INTO PROTECTIVE CUSTODY AS A WAY TO SEEK SAFETY AND FIND
PROTECTION FROM THOSE WHOM WHICH THEY ARE INDEBTED TO. AND MANY OF
THESE CASES, THEY MUST DISCLOSE EVERYTHING THEY KNOW ABOUT THEIR
PARTICULAR PRISON ORGANIZATION, THEIR HIERARCHY AND DRUG OPERATION
TO AUTHORITIES BEFORE THEY CAN BE ADMITTED INTO THE P.C. PROGRAM. THIS NOW BECOM-
ING, SO FREQUENT, THERE IS NO MORE AVAILABLE BED SPACE HOUSING TO
ACCEPT P.C. PRISONERS. AUTHORITIES HAVE ^{NEW} ESSENTIALLY TURNED AWAY
PRISONERS WHO ARE TRYING TO GET INTO PROTECTIVE CUSTODY, DUE TO
P.C. HOUSING SHORTAGES, INSIDE ARIZONA'S DEPT. OF CORRECTIONS. THIS HAS NOW
REACHED SUCH CRISIS LEVELS HERE INSIDE ARIZONA'S STATE PRISON SYSTEM, THAT
PRISON AUTHORITIES HAVE BEEN FORCED TO TAKE PROTECTIVE CUSTODY PRISON-
ERS OFF OF ONE GENERAL POPULATION YARD AND TRANSFER THEM AROUND TO
BE MIXED TOGETHER WITH OTHER GENERAL POPULATION PRISONERS WHERE
THEY BLEND IN UNTIL ALL OF THEIR PAST COMES CATCHING UP, WITH THEM.
WHICH HAPPENS OFTEN, SO THESE PRISONERS ARE CONSTANTLY MOVING FROM
ONE INSTITUTION TO THE NEXT, TO STAY ALIVE. "IF THESE WALLS COULD TALK" THE
STORIES THEY COULD TELL. ODDS ARE THEY ^{WOULD} SPEAK ABOUT THE ^{ONE-DINE} ~~WALLS~~ SECRETIVE
HIDDEN, 'HOMOSEXUALITY' BEING PLAYED-OUT INSIDE THESE WALLS, MEN
PASSED AROUND AS 'SEX-SLAVES' IN THE DARK, THOSE WHO PROVE TO BE
PASSIVE, EFFEMINATE OR TIMID, ARE TARGETED BY THE DOMINANT, ALPHA-
MALE POPULATION WHENEVER CORNERED ALONE OR IN A CELL WITH MALES
THAT ENTERTAIN THESE 'HOMOSEXUAL' URGES, THEN THEY BECOME THE
'PREY' WHO ARE COERCED AND INTIMIDATED INTO PERFORMING SEXUAL

favours, secretly at first. Then, eventually this becomes who they are, their identity. Spending their remaining time here as indentured - servants, and sex-slaves, for the other alpha-male population that indulges in this 'homosexual' activity. But, ^{still} do not consider themselves to be 'homosexuals' at all; ^{a fact} which I find to be quite a disturbing contradiction. I personally do not subscribe to any kinds of male on male sex, whatsoever, not that I'm homophobic or harbor any contempt towards those who are into that. I'm simply not sexually aroused or attracted to males in any way whatsoever. My lengthy period of time spent here confined to a prison, the circumstances of my living environment doesn't change that fact. Sexually, I don't relate to males. I embrace my heterosexuality and have actually been quite fortunate in my pursuits after the opposite sex here that come here to visit me, ^{on occasion} and quite honestly there have been a few occasions when female staff members have even given in, to my persuasive charms, arranging for our bodies to meet, on several "secretive" rendezvous, ^{one in particular} which lasted for 7 mos. Before our last rendezvous was ended ^{abruptly} with a sudden interruption, by prison guards barging into a 'file' room on us, acting on a 'tip' by another prisoner (confidential informant). Finding me ^{and her having intercourse with me in} possession of a "cell phone" and "drugs" packaged for sale; terminating her employment immediately, while triggering a much intense and thorough investigation into my background and my activities, within the institution's walls and beyond. As authorities set out to build a case against me, to formally indict me and prosecute me. Using intel collected by prison investigators, that confidential informants CI's provided. They formulated a formal "disciplinary" case to designate ^{me} as a validated prison gang member warranting my immediate transfer to a "super max unit," "ste" housing.

High security, 23 hours a day confined to a cell, for a minimum of a mandatory two year stay, before consideration to be transferred is even looked at, by prison administrators. Due ^{to} these current changes taking place within the prisoner social-class structure, all of the known established cell dweller governments and their hierarchical ranks have been forced to go into hiding underground, using elaborately camouflaged decoys and red herrings to throw off their scent and escape prison authorities detection, and avoid getting ensnared by their many well placed traps, many have already begun to re-structure themselves, deconstructing their old models, upgrading to a completely different way of doing their "day to day" operations. Knowing that those initiates who have deserted, and defected to protective custody, into the awaiting arms of prison administration, have also passed on the most vital and sensitive of intel, about the inner-workings and 'formal' structure of the cell block society government, economics and supply chains. Essentially handing over the 'perverted' playbook to the other 'opposing' team. However, the essence of conflict between the prison administration and the prisoner populace will always be a perpetual, on-going and timeless one. Which demands for any general or commander of his cadre to know that his means and methods used in steering his soldiers, have to continuously evolve, in order to stay one step ahead. I herewith present an obsolete, yet tested and proven 30 year old strategy of defense, that's already been replaced, by another one. Sun Tzu is known to have said "If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself but not the enemy for each victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, then you will succumb in every battle."

The internal workings of any prisoner structured organization is very similar to those found in Fortune 500 corporations or conventional military. And generally follow standardized procedures and processes, that have been written and designed to ensure normative behavior among initiates. Consequently, direct control measures can be used to solve most problems because, those problems can be anticipated fairly well, if the variables and boundaries are well-defined. When prison administrators have all of the schematics and strategic foundation for the present and future plans. This obviously leverages all of the advantages in their hands. Success of any kind is highly unlikely, after that. Leaving the prison gangs reduced to desperation and on their hands and knees groping around in the dark, feeling around for any signs of something they can use for a tool. As a prisoner who has held high-ranking positions of authority before inside of this cellblock government hierarchy, I've seen the side of defeat and the side of victory too. Today, these groups are in a state of diminished capacity, crumbling under the proactive and aggressive efforts by the state, to suffocate, strangle and squeeze the last breath out of their bodies. Leaving them to only 'react'. Reacting as a strategy may temporarily stave off and prevent defeat. But, it rarely will deliver a victory, this has left Arizona's Mexican Mafia, Aryan Brotherhood and New Afrikan Republic, in a downward slide of disorientation, internal conflict, and failing leadership, greatly reducing their authority and their effectiveness. Causing them to split into separate camps, blaming each other, and pointing fingers, amidst their crisis, such level of disharmony will lead them into total disaster. As many will come to the realization as I myself have done. They too have

Nothing to show for all of their sacrifices made on behalf of the groups they belong to, they are left with nothing, for their risk taking efforts or dedicated time in service to their groups pursuits. Having only their memories and experiences to account for their life of crime. No formal education in government politics, business, economics, or sociology. They will always be left behind, stranded, and stuck in the dark, on the ground fumbling around for any signs of useful objects, without any light, to help guide themselves along. I'm no longer of this mindset, I've come out of that dark cave and set my feet on solid ground. Having learned the hard way that, belief in these mistaken ideas and erroneous organizations, will sooner or later prove to be our downfall, from acts of betrayal or exploitation using us, and our talents till we are no more of any value, to the organizations' interests. All in all it took someone from my own chain of command to inform prison authorities about my activities involving the female staff member, for it was not a "public" knowledge on display for all to see. In fact, it was something tightly controlled, well choreographed and kept hidden away. So much so, that once exposed, there was complete shock throughout the institution. Only at the hierarchical level did the organization know of my so called "rendevouz", whom they ~~met~~^{met} with, and the specific times and locations, they were planned. This was not the first time people inside of my own group had betrayed me. It's happened to me before, however it will be the last. I've announced my official notice of resignation to the remaining rank and file commanders. which has expectedly ^{been} received ^{with} great contempt, and immediate reaction; ^{and} swift response. One chapter has ended and another one began, for me. Closing one door and opening another. The only condition is to never implicate anyone, or disclose any secrets about behind closed doors inner-workings, my comrades know that I'm no threat to them. ^{True to the fact,} ~~because~~ I'm not renouncing because of any pressures

BEING APPLIED AGAINST ME BY AUTHORITIES, I'VE ALREADY TAKEN ALL OF THE 'JUDICIAL' AND 'INSTITUTIONAL' SANCTIONS FACING ME. MY CONSEQUENCES HAVE BEEN ACCEPTED AND METED-OUT. I NEVER TRIED TO SEEK ANY EASY WAY OUT, OF THAT SITUATION. MY DECISION TO RENOUNCE MY AFFILIATIONS HAVE BEEN SOMETHING THAT'S BEEN ON MY MIND FOR QUITE SOME TIME NOW. HOWEVER, THIS ACT OF BETRAYAL WAS THE LAST STRAW, THAT HELPED ME TO MAKE THE FINAL DECISION, AND ENOUGH TO MAKE ME DESIRE A NEW START. WHILE LEAVING THE PRISON GOVERNMENT BEHIND, I TAKE NEW AFRIKAN REPUBLIC IDEOLOGY, THEORIES AND PHILOSOPHY WITH ME, EVERYWHERE I GO. WHICH ARE NOT RESPONSIBLE FOR THE CORRUPTED, DECEITFUL AND DEVIANT ACTIONS OF THOSE WHO USE, REPUBLIC OF NEW AFRIKA AS THEIR PREMISE TO ATTRACT CONSCIOUS, AND SOCIALLY AWARE BLACK PRISONERS TO THEIR CAUSE, HAVING MALICE IN THEIR HEART THE ENTIRE TIME. THE REPUBLIC OF NEW AFRIKA IS A MUCH BIGGER, AND CREDIBLE MOVEMENT, NO ONE STATE PRISON STATES CLAIM OVER IT, OR HAS AUTHORITY TO OWN IT. THEREFORE THE ACTIONS OF A FEW 'BAD APPLES' HAVE NO IMPACT ON THE WHOLE OVERALL RNT. THERE IS A LOT OF WORK TO BE DONE OUTSIDE OF HERE AS WELL. THERE'S NO TIME TO WASTE, WE MUST ASK OURSELVES. WHAT HAVE WE DONE TO ENSURE AND SEE TO IT THAT OUR OWN FAMILY WILL BE SAFE, PROTECTED AND EDUCATED ABOUT WHAT TO DO. BECAUSE, IN TRUTH THE REVOLUTION IS UNDERWAY NOT TOMMORROW OR IN THE DISTANT FUTURE BUT RIGHT NOW. THE INTERNATIONAL FINANCIERS, BANKERS AND RICH GLOBAL ELITE SOCIAL-CLASS, HAVE BEGUN TO USHER IN THE NEW WORLD ORDER, CHANGING SOCIETY AS WE KNOW IT, ENGINEERING HORRIFIC ACTS OF TERROR AGAINST THE AMERIKAN GENERAL PUBLIC, BLAMING ISLAMIC DJIHADIST FOR THESE ACTS TO SPEED UP THE FEAR TACTICS THEY NEED IN ORDER TO IMPLEMENT THEIR STRATEGIES PASS SWEEPING LAWS, PERSUADING THE PUBLIC TO VOLUNTARILY
