

# WE CAN'T BREATHE

3-11-15

WEDNESDAY

Triple celling at CFCF has long ago been ruled "cruel and unusual punishment" by a court of law. The plethora of impoverished logistics concocted to support such ludicrous legislation is certainly criminal, in fact evil. Every day as men here are subjected to conditions contrary to human civility and dignity people in a position to change conditions go about their daily business as usual as if there is no atrocity being committed here, in plain sight. The list of names on the Board of Trustees, the Mayor, the Warden, the Commissioners; they all are responsible for conditions in here for men awaiting trial in the greatest nation on earth. Has greed over come their morality? As it is written:

For your sake we are killed all day long;

We are accounted as sheep for the slaughter.

- ROMANS 8:36

Those responsible will be held accountable in a court of law, or on Judgment Day; or both.
