Introduction Into The Mission Of
NATIONAL INTELLIGENCE For AFRICAN AMERICAN Communities
Political Party
By: HONEST Willie Worley Jr.

IF SOMEONE would had told me that ON the day I WAS ARRESTED (JAN. 14, 2000) that ON JANUARY 14, 2014 I would BE LAUNCHING A political party designed to help PRISONERS, EX-PRISONERS, MISDEMEANANT PRISONERS LEARN their voting rights in the state of North Carolina, I would HAVE thought you WERE INSANE. I couldn't HAVE imagine me BEING ABLE to pull it OFF. I WAS wrong. I HAVE BEEN blessed with the privilege of MEETING brilliant individuals that helped me to REALIZE my potential AS A RATIONAL THINKER AND SERVANT OF THE PEOPLE. MASS-INCARCERATION OF AFRICAN AMERICANS is my main focused, AS WELL AS the "CAUSE" AND "EFFECT" OF targeting our communities. NATIONAL INTELLIGENCE For AFRICAN AMERICAN Communities 3rd Party is A Progeny

Black Panther Party. When the Black Panther Party of the 60's and 70's were clandestinely manipulated by the ways of the world, they took a part of our communities with them that needs to be put back. So I revamped the name of the political party that belong to all of us.

History teaches that our Founder Dr. Huey P. Newton intended for the Party to be re-cognized as a actual political party that addressed issues that effect all communities. Our Founder and Elders risk their lives during a time of mental and physical racist attacks. Still they moved onward in the African American Liberation Movement. The Black Panther Party once had a campaign that supported candidacies into public office in 1968. Huey P. Newton for Congress, Bobby Seale and Kathleen Cleaver for the two California Assembly seats in the East Bay. Eldridge Cleaver was to be the parties candidate for president. Dr. Newton knew politics was the foundation to change the structure of a racist America. I doubt if he would want us to give up on this part of his work that he started. My mother would not

WANT ME TO GIVE UP ON THIS PART OF DR. NEWTON'S WORK.

Our work is the ANSWER to the CLARION CALL of the Honorable Black Panther Elders, Fredrika Newton, Elaine Brown, and David Hilliard.

The prison chapter has disseminated over 39,000 promotional fliers for two Mecklenburg County candidates and two U.S. candidates since January 14, 2014. Prisoners accomplished this dissemination project through family and friends. All candidates we supported prevailed during the May 2014 primaries. We will continue our dissemination into the November 2014 general elections.

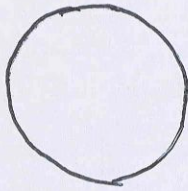

Politics effect everything and everybody in the United States. We must take part in the election process. African Americans are being led like sheep into the pastors of incarceration, and the insanities of mental deterioration tactics. I serve the people by bring intelligence to rebuild our

Communities. Oppression has taken on many faces in the U.S. So many that it is almost hard to distinguish who is the oppressor. Our mission is to stop oppression and reform the oppressors who are creating a dangerous environment with mental deterioration tactics, and propaganda. Our most powerful weapon in our arsenal is our ability to use rational thought as servants of the people. Some people doubt the success of my building a movement in the face of oppression. My reply to their doubt is, it's not the movement in the face of oppression. It is the individual's ability to use rational thought and understand how to deal with oppressive situations.

National Intelligence for African American Communities

Guide for Knowing North Carolina Prisoner Voting Rights

If you are serving time for a misdemeanor or awaiting trial for a felony in North Carolina, you can vote. Here is how you can vote in the next election.

1. You must register to vote if you already have not. You can obtain a mail-in voter registration from your County Board of Election Office or Public Library, or online at www.sboe.state.nc.us.
2. Always use the address of the place you would live if you were not in prison when asked on the registration form. Include your full address on the registration form so that the County Board of Elections can have you listed in proper voting district. To find out your County Board of Elections, contact the State Board of Elections. The address can be found at the end of this guide. Parts of your social security number may be requested if you can't produce a photo copy of your driver's license.
3. Make sure the County Board of Elections receives your complete form 25 days before the election if you are planning on voting during that upcoming election. If you are not planning to participate, voter registration is permanent so you don't have to worry about registering for future elections.
4. A card will be sent to your address that you listed on your registration form by the County Board of Elections. It will have the name of your precinct and your polling place (where you will vote).

Voting

Now that you have been informed on how to register as a misdemeanor and person awaiting trial, here is how you vote.

1. You can vote by mail by using an "Absentee Ballot" if you are going to be incarcerated during election time.
2. To receive an Absentee Ballot, send a signed written request to your County Board of Elections after becoming a registered voter. Absentee Ballots are available 50 days before election time, up until 5p.m. on the Tuesday a week before an election.
3. Registering to vote and requesting an Absentee Ballot can be done together. Just make sure your request to your County Board of Elections is mailed early enough to meet all deadline (register no later than 25 days before election).
4. If it is determined by your Board of Elections that you meet the requirements to vote, documents to verify your name and address may be asked to send in to your County Board of Elections. You have the option of having your absentee ballot mailed to any address including your jail or green clothes prison where you are serving your misdemeanor time, no matter where you send it, just as long as only YOU vote the Absentee Ballot. Make sure you follow every and all the instructions on the Absentee Ballot. If not, your Ballot will not count.

Voting Intel for Former Felons

1. If you are a former felon that was a registered voter you must register again in your current county of residence.
2. Do not try to register if you are still on probation or parole. Your sentence must be absolutely complete.
3. You have many options for registering. You can register by mail using a mail-in voter registration form. This form can be obtained by calling or writing your County Board of Elections office, visiting a Public library, or online at www.sboe.state.nc.us.
4. New laws call for you to show I.D. for voting at your polling place. If you register by mail you will be asked to produce a copy of your driver's license or include part of your Social Security Number. The form must be complete in full, correctly, so you can be listed in your proper voting district.
5. The County Board of Elections will send you a card to the address you listed on the form with the name of your precinct and the polling place where you can go vote.
6. If you move within your county, notify your County Board of Elections of your new residence. If you move to a new county or state, Re-REGISTER to vote in your New County or state. If you have any additional questions about voters registration, Absentee Ballots, or finding information about your County Board of Elections, contact:

Federal law prohibits discrimination in voting practices on the basis of race, color, previous condition of servitude, sex disability, being a member of a language minority, or age if you are 18 years of age or older. If you are convicted of a felony in North Carolina you temporarily lose citizenship including your right to vote. Any prior registration you had before your felony conviction is cancelled by the County Board of Elections with no action on your part. ANY ATTEMPT TO REGISTER TO VOTE WHILE YOU ARE AN ACTIVE FELON IS A FELONY, although felons can't vote in North Carolina. Prisoners can support any candidate without the prison administrations interference. No matter if it is for the "Primary Elections" or "General Elections". Sections 11(b.)
