

To Whom it May Concern,

The following dates 9-21-17 thru 10-3-17, are dates in which the following events did happen. While I was housed as an Inmate in transfer status in USP Atlanta, GA Hold-Over Unit, I received cruel & unusual Punishment. This goes against The 8th Amendment of The Constitution of The United States. It also goes against the Federal Program Statement titled Conditions of Confinement in SHU (Special Housing unit). I was denied my rights by SHU Staff. The following is a list of rights denied to me.

Statement # 541.31 Parts A-F

A) Sanitary living Conditions - Toilet unable to flush causing it to fill to overflow with feces. Cockroaches crawling all over the walls and my self both day or night, sleeping or awake.

C) Clothing - I was not given clean clothing at all while at Atlanta.

D) Bedding - I was not given clean bedding linens at all while at Atlanta.

F) Personal Hygiene - I was not given hot water at the sink in my cell OR a working toilet at all while at Atlanta.

Statement # 541.32 A-B

A) Medical Care- I was not given prescribed medication on a daily basis at all while at Atlanta.

B) Mental Health Care- I was not given Mental Care until Jct-2 even though I requested the day I was placed in the Shu.

I brought all these issues to OIC Day Shift, but was told by unknown Female Officer in Charge on day shift "You're just a Child Molester, What do I Care". I feel my rights as stated in the Constitution as well as Prison Program Policy have been denied due to my documented status as a white, Gay, Sex offender. I ask that you please investigate this matter to the full power of your office, and give punishment to those who have disobeyed the law in which they are sworn to uphold.

Thank you,
Rodney W. Graves Jr
