OFTEN WHEN READING ARTICLES ABOUT IMPRISONMENT WE MAY LEARN THE HARMFUL PSYCHOLOGICAL EFFECTS OF SOLITARY CONFINEMENT ON PRISONERS LIKE THEIR SOCIAL PHOBIA ONCE RELEASED, AND WHEN READING ABOUT EXPERIMENTS ON YOUNG MONKEYS WHO'S MOTHERS WERE PURPOSELY REPLACED BY A BOTTLE & A FEW WIRES WRAPPED IN A BLANKET (WIRE MOTHERS). WE FIND THAT THEY GROW UP UNABLE TO INTERACT NORMALLY WITH OTHER MONKEYS & ARE OFTEN EXTREMELY AGGRESSIVE. STUDIES CLEARLY SHOW THAT DENYING AN ANIMAL SOMETHING INTRINSIC TO IT'S NATURE - WHETHER IT BEING THE SPECIES NATURAL ENVIRONMENT OR MOTHER - THAT THEY TEND TO DEVELOPE A WIDE RANGE OF ABNORMAL BEHAVIORS. BUT WHEN WAS THE LAST TIME YOU READ A SCIENTIFIC STUDY ABOUT THE BEHAVIOR'S ASSOCIATED WITH INVOLUNTARY CELIBACY IN INMATES & BETTER STATED; THE SIDE EFFECTS OF BEING DENIED THE BIOLOGICAL URGE FOR SEX, COMPANIONSHIP, & PHYSICAL CONTACT WITH THE OPPOSITE SEX & I PRESENT HERE THE RESULTS, FINDINGS, & SIDE EFFECTS OF ONE OF THE MORE NOT-WELL-RESEARCHED OR UNDERSTOOD PAINS OF IMPRISONMENT THAT I CALL D.S.C.C - DENIAL OF SEX, CONTACT & COMPANIONSHIP.

SIDE EFFECTS OF DSCC INCLUDE BUT ARE NOT LIMITED TO:

(ALL FINDINGS ARE THAT WITHIN ALL MALE HOUSING UNIT)

THOUGH SOME MAY DECLARE MY FINDINGS AS PSEUDOSCIENCE BECAUSE I DONT HOLD A DEGREE IN BEHAVIORAL SCIENCE IT IS FAIR TO CONCLUDE THAT ONE DOESNT NEED ANY CREDITS FROM A LEARNING INSTITUTION TO DETERMINE THAT SOMEONE'S LIBIDO IS CLEARLY OUT OF CONTROL & THAT THESE PATHOLOGICAL BEHAVIORS STEM FROM TARZAN'S NEED FOR JANE. I CONCLUDE THAT THE INMATE POPULATION HERE IN TEXAS & MYSELF SUFFER FROM A SEVERE FORM OF DEPRESSION & RARE ~~UNDETERMINED~~ UNDETERMINED

PSYCHIATRIC DISORDER & INSIST THAT A PILL BE MADE ESPECIALLY FOR US TO ALLEVIATE PERMANENTLY ALL IF NOT ONE SYMPTOM OF DSCC + DESPERATE. I'M WILLING TO TAKE SAID PILL EVEN IF IT HAS THE SAME ADVERTISED SIDE EFFECTS OF EVERY OTHER PRESCRIPTION DRUG IN AMERICA, I.E. CONFUSION, SLURRED SPEECH, SEEING HALO'S &/OR BRIGHT COLORS AROUND LIGHTS, LOW LEVEL'S OF POTASSIUM, RECTAL BLEEDING, ECT. WELL MAYBE NOT RECTAL BLEEDING, I'D RATHER CONTINUE FINDING SOLACE IN DILIGENTLY HOARDING PICTURES & DECORATING THE WALLS OF MY CELL WITH MY CELEBRITY CRUSH: TAYLOR SWIFT, MEGAN GOOD, PAULA PATTON, ECT, ECT
