TO: COUNCIL OF CONSERVATIVE CITIZENS

SUBJECT: THE HEAD LINE FOR AMERICAN NATIONALIST

A new crisis is on the arisen with chaos ensued to the nation. Where more dissension will brake-out amongst our government. These Liberal Democrats and other popular leaders [in shadow government] have become mercenary instruments for inveigling their countrymen. With the same insidious views, they now seduced other members to unite in a collusion with the Media. Which have fostered a priority for foreign interest. Together, these special interest groups will effectually nourish discord and disorder, while continuing to push for their demiworld on America... (No longer a interest in Civil Rights for the American Citizen.)

We now face a great plague upon our Republic. ["Domestic Terrorism"]

People, have we now resorted to delinquent mischief by vandalizing the property of the opposing group ? [O]r do these groups gain an inherited virtue by playing the "victim role", used for political posturing, so that they may promote their campaign of propaganda ? (The strategy and agenda of the special interest groups are; The Victim Role and Race Pimping. See "Race Pimping by Kevin Jackson.")

Surely we should, if able-bodied, get out our Sunday-go-to-meeting cloths [suit up] and march upon any Rally that the Left Wing Humanist arise. Therefore, show them a banner that reads; "In Trump We Trust", or "Support America First Not Foreign Interest", while waving the American flag.

"We The People", United We Stand, for the better advancement in the quality of life. We must secure the existence of our People and a future for American children.

-CONCLUSION-

THEISM vs. -HUMANISM

Humanism; believe that problems inherent in existence are best solvable through self ego ingenuity and effort. Including in humanism as manifested is; one gender, one identity and one COMMON power for all. No more individuality, of your sex gender or ancestral heritage. Adios, American heritage. See Adios America, by Ann Coulter.

Humanism and Atheism; are trying to remove the concept of Spirit from existence. Including removing the existence of our Western Civilization.

"Communism as a fully developed naturalism is Humanism..."

-Karl Marx

"Humanism is the denial of God, and the total affirmation of man... Humanism is nothing more else but Marxism."

-Claire Chambers

By allowing [a shadow government and special interest groups] the Socialist Democratic Party to continue on with this political view of Humanism, knowing now is communism, while acting under the impulse of opposite interest and unfriendly passions, as such a situation only INVITE hostility, chaos, discord and disorder. A torrent of angry and malignant passions will be let loose.

Proceeding to lead their preemptive strike through the Media, drawn together in the Art of Deception, to deceive and keep the American people convoluted. They will mutually hope to evince the justness of the opinions, and to increase the number of their converts by the loudness of their declamation and the bitterness of their invectives. An enlightened zeal for energy and efficiency of government will be stigmatized as the offspring of temper fond of despotic power and hostile to the principle of liberty [sic]. This obscurity, must it not be observed that there are PRETENDED as well as just cause of war... Western Civilization-vs. Communism. The debate rages on, with the battle lines clearly drawn.

Theism; believe in a personal God as creator and ruler of the world and such problems are best solvable by divine power and authority:

("Whereas it is the duty of nations as well as of men to owe their dependence upon the overruling power of God, to confess their sins and transgressions, in humble sorrow, yet with assured hope that genuine repentance will lead to mercy and pardon; and to recognize the sublime truth announced in the Holy Scriptures and proven by all history, that those nations only are blessed whose God is Lord... We have been the recipients of the choicest bounties of heaven. We have been preserved these many years in peace and prosperity; we have grown in numbers, wealth, power as no other nation has ever grown. But we have forgotten God. We have forgotten the gracious hand which preserved us in peace, and multiplied and enriched and strengthened us; and that we have vainly imagined, in the deceitfulness of our hearts, that all these blessing were produced by some superior wisdom and virtue of our own [Humanism]. Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us! It behooves us then to humble ourselves before the offended Power, to confess our national sins, and to pray for clemency and forgiveness.") -THEISM-

-Abraham Lincoln, March 3, 1863

America was founded and framed in the Spirit of Theism.

-God bless America
