

"Of 'Parole' Boards And Dinosaurs "
(And Dragons, Too)

"P R O C L A M A T I O N !! Henceforth Let It Be Known
Throughout The Land: that the 'parole' board IS NOW
PASSÉ; that it IS a Dinosaur serving NO TRUE PURPOSE!".....

Its ONLY mission from here on is TO MUDDY THE
WATERS so that the hunters (those who seek to close it
down) CANNOT SEE where it lurks...

And BY this muddying it vainly hopes to perpetuate
itself; and to PERSUADE the PEOPLE.....

Even so, it KNOWS that the hunters will FIND it....

No, Saint George did NOT actually 'SLAY' the
DRAGON but turned aside from taking the last breath of
the wounded behemoth, saying over his shoulder: "What
the heck?! YOU'RE finished!"

And so, more than anything, it was this (self)-
KNOWLEDGE that FINALLY - from within - KILLED The BEAST...

'Parole' board, ACCEPT it: You're done-for! Lie down!
The PEOPLE have FOUND YOU OUT!
The Dinosaur IS Extinct.....
