The following CIRCULAR speaks for itself. Please Read this CIRCULAR & answer the call to action. I am WORKING VERY DILIGENTLY to expose Colorado's illicit imprisonment machine via my Letter Writing campaign & my websites: FreeOurBrothers.com & Facebook.com / Free Our Brothers with Omar Gent. If you truly want to take action against illegal & UNjust acts of the Justice system, I encourage you to visit Freeourbrothers.com & to stay connected via Facebook / Free Our Brothers with Omar Gent. I cant effectively challenge + his system alone from within the confines of this isolating prison cell. I desperately need your help with propagating this campaign, then the Jim Crow Courts & CORRUPT PRISON officials will be forced to take me SERIOUSLY. Please do all you can to support the APWA. The APWA is a beacon of hope & a voice for prisoners like me who are ignored by mainstream publications. NOW that the APWA has given me the opportunity to present the truth about illicit imprisonment to you, what will you do about it?

Please help indict Colorado's NO-INDICTMENT ENSLAVEMENT Scam.

FROM: OMAR Gent, founder of Freeourbrothers.com

TO: The people. Greetings,

I was born May 6, 1984. I am a black male that has been kidnapped & wrongfully & fraudulently convicted & imprisoned for aggravated robbery - without the necessary indictment/valid charging document & felony subject matter jurisdiction to lawfully authorize my involuntary servitude. But the fraud & multiple systematic constitutional violations that led to my unlawful enslavement is indicative of Colorado's lynch law NO-INDICTMENT machination that abolishes due process of law & the presumption of innocence. My website: Freeourbrothers.com exposes this machination & challenges the public to sign the petition against Colorado's illegal imprisonment scam that targets poor & marginalized people of all races. If you truly believe that all are created equal & that NONE - the government included - are above the law, please have at least 7 people or more visit Freeourbrothers.com & sign the petition & have those 7 people do the same. If you have a platform or expertise that you would like to commit to this cause, please contact me via: LightMatterTime@gmail.com

If the petition is closed or not active when you go to sign it, please notify us at the email listed above & we will restart it. I have a up & coming Facebook page, Facebook/Free Our Brothers with OMAR Gent. Please send friend request to this page & add it to your favorites & encourage others to do the same. This page will be used to help propagate my writings & thoughts, which will help me generate social capital. PRIOR TO

Starting my new Facebook page, I was attempting to propagate a page named : Facebook/groups OMAR Gent. Due to the lack of management of this page, I am starting this new account. But if you visit Facebook/groups OMAR Gent you will be able to hear & share my posted recording titled "The legal lynching exposé". But please do not send Friend request to this group page & please advise others that you direct to my recording not to send friend request to this group page, considering that my new page is Facebook.com/Freeourbrothers with OMAR Gent.

Thank you in advance for your support.

Signed, OMAR Gent, founder of Freeourbrothers.com
