Dear Diary

Sunday morning and I'm OK  
Dokee - Had a fall Saturday  
and so I'm full of it and not  
going to Sunday Breakfast. It  
goes not having to go downstairs  
dressed and ready to eat and get  
medications with all the guys -

Ha - I am drug free and  
loving it. Ya Ya Ya I  
sure could die on some high  
in some pot - Am patiently  
waiting for something to break every  
day now - like waiting for good  
mail - I know it's on the  
way so all I can do is remain calm
