~~What is Beast mode?~~

What is Beast mode?

It's like LeBron James, down three games in a Championship series people thought you would loose, or it's like the 2014 Super bowl, New England verses Seattle fourth down interception, It's like e... faith because you ~~can~~ CANNOT see it, It's that inner drive that makes me believe in me. It's like going through the phases while Earning more incentives, Like hard work brings raises; beast mode is TAKING initiative. OR it's like setting A goal and Accomplishing it then set more goals just to Add on to Accomplishments. Beast mode is self motivation, with no visitation, It's ALSO with holding self discipline, After being treated like An Animal, While pursuing your vision, Knowing patience is the Antidote, Beast mode is like "green lights" or having a "go mode" mentality. Even when things don't seem →
