

FIRST OF ALL I am A SURVIVOR FROM HELL AND BACK, AND HELL AGAIN. 1989 I WENT TO PRISON IN ILLINOIS DEPARTMENT OF CORRECTIONS (IDOC) what an experience. Joliet has its GHOSTS, I WAS ON LOWER TIER because Im an Epileptic (A head injury from The Military - Beirutera), Once I got put on the Bluebird bound to the Pen, I was shackled WITH 45 KILLERS AND OTHER, Joliet IS / WAS The MOST HIGHEST Security Pen. (NOT TRUE)

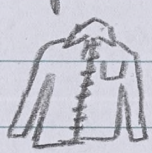

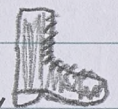

15 BARS ACROSS, 8 Steel Plankers

NO WINDOWS TOILETS WAS made of Porcelain the flush handle was separate, the MATTRESSES, WAS MADE OUT OF PURE COTTON Like in 20s AND 1895, Pillow SAME thing.

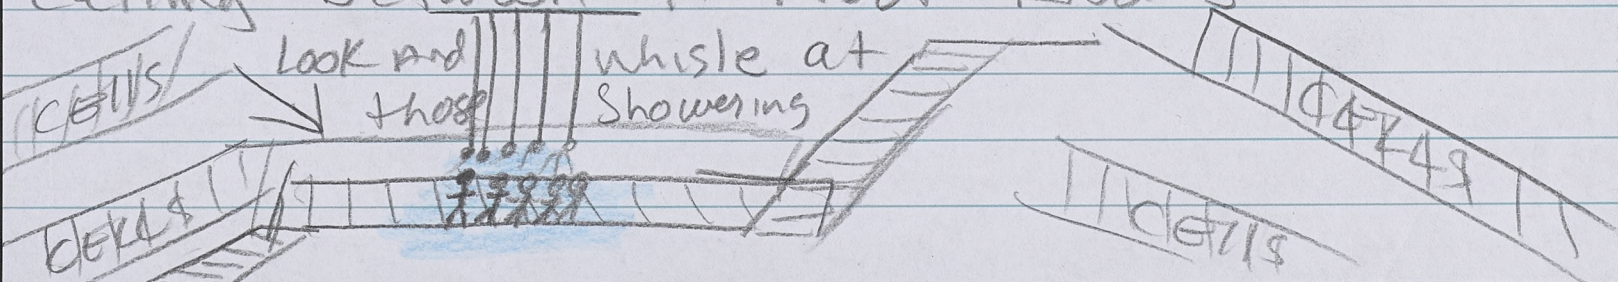

my grafics are close, it's been some 40 plus years ago. Ghosts within my memory. The

Guards are brutle IF your indigent and unplugged. unplugged means (Not in a gang) I stood alone, but I had my Men in Military incarcerated, being I was Retired as a wounded Officer (DCO) I was a Capt (USMC) Divisional Commanding Officer, in Beirut. So my Training Got me past the drama, Solitary Confinement is Hell, rats mice roaches Darkness, wet, dripping off the bars. over 450 men in darkness. CONTROL, IS WHAT ANY PRISON OR JAIL makes clear. DOMINATION is Second Abuse every day, one way or others. IN Joliet the -

- guards would tell the men who's coming in AND what your convicted for, From Murder 187 to Sex Offenses, and your breaking into Prison starts on the Bluebird bus, chained at your Ankles with All 22 men each Side of the bus, then you got to Pee, Stand UP Pee in a 5gallon Paint bucket & Sit down, the last visit to freedom is looking out the bus window the bus and State Police Escorts only take Routes, Junctions, or roads, never a Freeways. There Job is to get you trapped in "what you lost" for the next 15 Years. up to 45 to life. Black Africans Americans in will county Prison called Joliet are 50% 40% White 10% Mexican, once off the bus, Chains come off, & Strip off every thing body Searches. In front of all 45 men, Plus Men + Women Guards, then your given your Clothing issue. 2 pairs of Levi Jeans with Prisoner Painted on one side of the Jeans  then 2 pairs long Sleeve Jeans Shirt with a Pocket,  then 1- pair black leather Military WWII boots,  they must be Polished. (I used butter or hair grease) then 1 pair of cotton Gloves (white) a winter coat (Lined) AND a Summer coat (thin windbreaker) 2 pairs white tube Socks, a Prisoner hat, 2-packs of Camels 1 box of matches 1 bar of Soap, & 1 pair Shower Shoes, 1-mattress, 1-pillow 1-blanket 2-sheets, your bunk must stay made if your not in it. 24/7 in Solitary Confinement, and in Regular housing Cells. IF your doing Calendars, then your choice Education, A very powerful unit, which leads to College degrees, WORK Kitchen, is a good Job with Pay, Industries the Best Job

I've Seen fires, Murders, Rapes, Beatings, Abusive Force, the 27 yr old that was tried got Aids 5 inmates Raped him in the Kitchen back in 95' he was deaf + mute, whites did him, + hooked him cell by cell, those that want it, Pay for it, those that don't stay out that kind of scene.

(DIABOLICAL)

AND He knew what he was doing, he got HIV + Doctors told him this, He tricked the Gangs, each one had him got AIDS he set them all up, Death Row he lost weight down to 120lbs, He went PC, left a card to each one AND SAID YOUR DEAD he fell to 50lbs + died, + others were doing the same. Eighty men contracted AIDS you see people dying

I then went to Dixon IDOC in LEE county Northern Illinois, it was Barracks in WWII + Korean War, + AND left it that way 50 yrs, Dixon, are 14 housing units with (10) Room, each Room consisting 4-Beds and a medium yard, 1-Chain link fence, Less drama, more Respect, + Better Jobs the compound was 25-Barracks mess hall, Kitchen, yard you can walk all around, plus Rec yard free weights 1-carton of Cigs, 1 Box of matches, you can buy a hot Pot,

those worked at EAST Moline, IL, Slaughter house, came back with MEAT (I loved my Levi jeans, this Prison don't put Prisoners on the outer legs like the MAX prisons, you got more freedom, ~~LEE~~ county is near Rockford, near IWOA, I seen Bucks (Deer) in the winter, we have no bars on any windows or locks, sure guard towers, (but I felt like thats to keep people from breaking into Dixon IDOC. (humor)

when I was transfered to down State to Galesburg, IL (medium yard) we drove to Logan Prison where the women made our lunch bags Logan is in Logan County Next to Logan IDOC, was Lincoln IDOC both Prisons are minimum yards (no fences) and both are CO-ed yep! men + women living in same units same 1,000 pregnancies in 1997. Only (4) minimum Prisons in Illinois Viana on (Kentucky) line then Logan in Central Illinois Centralia Southern Illinois, Eastmoline on North Mississippi River. Galesburg is near East St. Louis, IL. People with 2 to 5 yrs goes to minimum ~~or~~ or medium yards, anytime higher goes to other Prisons like Menard where John Wayne Gacy was + died at in 1995. To be doing time now 25 years that accured in Illinois, that I never DID, is wrong, But Im indigent, so who CARES?
