"In society (out there), divorce portrayed, as 'the drug' (of life). Then, once-released, lamented; for recidivating. Yet, the word (society) has an unknown meaning - ('institutions and culture of a distinct self-perpetuating group'); long ignored! And, like-war ('Neither kill the old verging on death, nor children and babes nor the females...'), the taboos 'no longer gain ire'; but--for 'the base'--receive 'favor'! So, from my position, divorce seem: 'to have switched places'; out there, for in here? It's a ridiculous notion, BUT, nonetheless TRUE ('The selfish soul of the other led him to the murder of his brother... and become... one of the last ones'); like the 'first murder' (Cain-killed Abel; Paul killed Stephen; Vlad killed Radu; et cetera). "Zeitgeist!"

'Cain' represents 'half' the society, don't believe polls; for they're like: folks think, the POTUS (Trump) 'elected'; though he was 'selected' (electors)! In any event, half-the-population-believe anything; that's race based, just like prisoners! In here (out there), 'half' follow-whatever, comes their-way; are, called, legal! An example: "a purge" (Stalin; Hitler-

"Compartmentalized / Comparable?" (cont.)

Truman; Johnson; Nixon; and, Bush-es -- oh yeah, Trump's 'separation of brown kids'!

As well, the '100-to-1' (crack v cocaine) sentences; purged thousands (of freedom)!

Thus, I'm not one-of-those, I'm serving Fed Time; unconstitutionally! Do-

not weep for me, I've seen 'the result of folks (out there) that weep for the U.S.!'!

Nature weeps, too (floods; global warming; alluvion; etc.); it, at least, responds to-

human-lethargy! 'You're part of the problem, or part of the solution'?! Half, the folks-

who'd murder 'Abel' (again); work for this government, are unionized-militias! I must-

avoid them, '3-shifts-everyday'! Imagine, 'Trump,' wannabe that; lack oversight???

Ineptitude, ain't in the stratosphere (cf. '1984'; 'Democracy in America'; and, 'Les-

Miserables'???)! But, 'I weep,' for 'the thousands' (out there); who are BLIND: 'Do-

not even go into the village'. (Bible, NAB) And, don't SEE (truth)! 'Walking-dead'?!¹

There is one relief, left, the Truth; but, 'out-of-paper' ('... earth shall be a waste... a result')!
