

Song: What ya life like?

By: MC Twist Baugettez

Chorus: What ya life like? this is mine, a grown man
locked in a cage confined, I went through manhood
in a prison, Still got love for My Brothers that's
locked up sitting, All i can say is when you come
home try to shine, i'm out here on the streets
tryin to survive, Some times i find myself fallin
off track, - I Almost find myself comin
Right Back

Verse 1: it's about to be my year
you lookin at a brother Already did 9 years
inside of the pen
- I'll be damned if i ever go inside it again
This Place takes alot from us
Imagine lookin at the sky from a cage for 9
Summers

Mother Gettin older, every time we on the Phone
She Always Ask "Boy when you Coming home?"
Walkin Round the yard Mad with My Chest out
Thinkin bout the Streets Really got me Stressed out
IF i owed a dude it was "Screw you"
did most of My time in the hole due to
My Attitude -N- Behavior

Counselors tellin Me "You Gettin too old to be
Acting like A teenager

Verse 2: Grown up Mom was never home
She loved me with all her heart, but had

Problems of her own
I ran around with the have nots
Learning how to survive in the School of the
hard knocks

I Ran around doin' dirt with A light Skinned
dude Named [REDACTED]

Now [REDACTED] is locked up doin' damned near a
hundred -n- twenty

It's funny how i felt noone could tell Me anything
til i found myself locked in the damned bing

Goin to parole Gettin 2 year. slaps in the face
It's easy to get in but hard to get out this
place

-n- this aint just A Rap Song

I Got Brothers Still locked up Singin this
Sad Song

That Got locked up when they kids was in
the Mothers' bellies

Now them kids is Grown Men up in they
Mid twenties
