

"The 'Irreversible - Truth', Of 'Life', and, 'The Creator',?"
"TIME - medically, 'interval between beginning and ending'! ('epidemic')
"TIME - scientifically, 'nonspatial continuum in which events occur'! ('thanatos')
"TIME - ROOT, 'dā - to divide ... demon and Time'! ('daisthai') Greek-

and dividing, 'TIME', (the prison): 'We Are More Than mannaquins'.

As I pen this, satan (demon) tries, to interfere! I won't reveal how, we-
all have our cross-to-bear! Suffice it too say, like, 'guards do' (interfere)!

Today, is saturday, the 10th of August, 2019! I've been durance, since-
January 5th, 1990! SEE, previous, essays? But, after all this 'TIME', I'd not seen-
what I pen, today! Well, then, many will not awaken, to this truth! Oh, prison-
(EARTH) isn't preferable; instead of this dream-state! (TO BASE)

Imagine, a job where, laws are discretionary? Where the application (of law)-
depends, on the color of the skin? Then, too, discipline (of enforcers/law) re-
mains, in the hands of one-race? That, justice (Bible: Isa. 10:2; Hab. 1:4; Acts 1:23-
and, Col. 4:11) is, 'justus'? Would the law seem, corrupt? Or, at least, its im-
plementation? Taken another way, an 'oligarchy' run state? On the streets,
we call it, 'hypocrisy'! Well, that's amerikkka; since, 'reconstruction'!
But, also, 'every poor person (durance) created their income'; out-of-des-
peration! More to the point, being 'locked out' (durance: 'locked up and-
locked in'); by, a, corrupt-government! (cf. domestic-terrorism?)

Most do not remember, con-games; except, maybe, via a movie ('Superfly' -
for instance). My point is, 'Superfly' professed (as a movie) to be, about 'a pimp'!
Yet, it is about, 'a con man', who is Black! Anyway, a 'pimp' is defined in-
part: 'as a procurer ...'. In 'Hollywood', they're called 'an agent'. You've
seen movies, 'where they receive ten per cent' (of their clientage); right? Well,
in reality, it applies for: strip clubs; massage parlors; lawyers; banks -- loans-
for homes, cars, business, ad infinitum -- unions; even, voters (Electors) et cetera. [1]
"Whoever thought, power behind enforcing laws (also, enacting them) could-
make them apply, to disadvantaged, disproportionately? [redacted] © While no-
OVERSIGHT EXISTS, 'to stem the tide'; to their corruption? Sounds like-
'TOTALITARIANISM', to me; don't it, to you? So here's WHY, supra!

"The 'Irreversible-Truth' of 'Life'; and, 'The Creator'!" (cont)

- (1) The best way-- for business success-- to prosperous citizens is, 'Keep them spending at their business';
- (2) Be members of a monopoly (of businesses), supported 'by the government'; and,
- (3) "Self-perpetuation" (of their business). 'The Prison' is, all of these. 'So now, the basis (of 'TIME')! Whether you're 'in prison', or, in 'mental-amnesia'- you-are-in-prison! At 'ADX MAX', Florence, Colorado, like, hundreds (other-prisons), unions-keep-employees-predominately-one-race! The three (3) areas (TIME: medical; science; and, origin-ROOT) duranca, 'the global people'! However, like here (ADX), few are aware! "A great example is, POTUS and VP"! Due to criminal-acts committed (pre-office), countless crimes have multiplied; 'post-office'! And- with LACK EYS on board, our-government (OVERTLY): REPEATS HISTORY- america of slavery! POTUS candidate (Andrew Yang) coined: MATH, make-america ~~think~~ think harder! But what State, is THINKING? ('Better is the end... Eccl 7:8)-

And so, 'beginning and ending', an 'epidemic' ravages; america (based in-religions: Islam; Christianity; Judaism; Hinduism; etc.)! Don't believe me? Just visit, States, where 'Nature destroys'? Stead of "reconstruction" (of those, States)- we have: Congress; Supreme Court; and, DOJ "ON VACATION"!!!

'Thanatos', government (death wish); 'stepping over bodies' (of americans)! As well, the 'ROOT'; 'daiethai-Bruch': 'to divide' DESTROYS america; rooted in-HATE! As 'in here', or 'out there'; 'HATE' rules! Those (free, out there) forsake: duranca; 'God'; and, 'truth' (cf. 'fake news'?). 'Guaranteeing': 'The past-fate, pre-civil war'! "Add, too that": "BLIND Worship" (following) "of skin"; JUST LIKE HERE, 'death wish'! "This will never be: IN MEDIA/internet.???"

'In here' (out there) folk follow, generations; and/or 'skin color'! While one's chance, 'to unite' (americans), are ravaged; by hatred! "It's the curse...."

'TIME' is, 'best spent on positive ventures'; BUT, 'the curse' (from) 'condemnation takes us down'! Where are 'y'all's' votes (for: Hillary)???

You, nonbelievers (in G-d), ipso facto PROVE, evil future (america)!
