If I (Jason D. G.) were in charge of Prison I'd change how GLBT are tortured by Solitary Confinement under P.R.E.A. Today's 7-28-19. I've been in B.O.P. since 7-20-12. 9-21-18 Mark Adair made the Houston Chronicle b/c he hung himself & died at FDC Houston the day of his sentencing. My celly told me about his family Abandoning him after trial & how he wrote a letter to his family just before killing himself & I completely related to Mark. I asked officer B. Young to speak with psychology & ended up in Suicide Watch 9-21-18 until 1-14-19, 116 DAYS! At My Sentencing 12-18-18 Judge Rosenthal lied/misinformed when she told the entire court room, my family & friends, that I was in Suicide Watch For Sexual Assault. To This Day I cannot Get The B.O.P. To Give me my Incident Report From 9-21-18 which states I was found Guilty of "Disrupting the Order of the Unit." I've Never been accused of Sexual Assault

& being falsely accused when the B.O.P.'s own paper work  
 will prove otherwise makes people like me want to write  
 about it then follow in Marks foot steps. About 2 weeks  
 Ago a guy they call "██████████" got put in cell ██████████ here in  
 Beaumont <sup>Med.</sup> & a shorter black C.O. came down our hall yelling  
 "Where's ██████████" ... Accusing him of Sucking Cock. I felt  
 So Sorry for him & if I ran B.O.P. there would not be punishment  
 for consensual acts. The counselors & chaplains could Approve  
 temporary marriages so inmates wouldn't claim PREA to get out  
 of trouble. Currently were not even allowed to have our paper  
 work after getting tested. The way B.O.P. is currently ran led  
 to me swallowing alot of meds on 6-18-15 & I got rushed to the  
 Lyndon B. Johnson Hospital on 6-19-15. Overdosing caused me  
 to throw up, chest pain, black out, & pass out. My celly in the <sup>cell 201-128</sup>  
 SHU on 6-20 & 6-21-15 whos initials are ██████████ raped me &  
 we were both taken to the Ben Taub Hospital for a Rape test  
 on 6-22-15. Becoming A Victim N The B.O.P. Is BAD...

6-22-15 I'm placed in ZW-101 a single man Torture cell.

I called my family & told them about my rape. B.O.P. didn't appreciate me contacting the World for Help so 6-23-15 I'm

sent to Suicide Watch. On 6-30-15 I'm put back in ZW-101

with paper clothes & I quickly hung myself w/ them, sent

to medical for X-ray & put back in suicide watch. Now I'm

told I'm going back to ZW-101 in a suicide smock, on the Beh-

avior Modification Plan = A sign on the door saying "Do Not Con-

verse w/ this inmate", No Spoon/eat w/ hands, No Running water,

No Tooth Brush, No Blanket, Toilet Paper, Etc. I'd Rather Die than

go back to BMP/ZW-101 so I Banged My head on glass, bit

myself & spit blood everywhere. A "Team" showed up w/ a str-

etcher & I got tied down in 4-Point Restraints For 15 hours

on Video (I still want A copy). I begged to be let up to use

the restroom & had to P & Poop on myself. Then managed to

choke my self w/ string from soiled shorts & rushed to the

St. Joseph Hospital on 7-1-15. Back to Suicide Watch,

(Where I should have stayed w/a 24 hour suicide companion)

Then right back to zw-101, BMP. 7-3-15 I figured out how

to hang myself w/my suicide smock & taken a 3<sup>rd</sup> time out on a

stretcher from zw-101 to medical. Then put back in 4-Point

Restraints laying in my own feces while flies from shower

drain & cracked walls came out to feed on me. After Many more

trips to suicide watch, B.M.P., & Suicide Risk Management Plan

(b/c B.M.P. wasn't working), I'm eventually taken to Ft. Worth

on 10-22-15 for a psych. Evaluation. 10-28-15 My Migraines

from bright Fluorescent lights, Dinner tray taken, not allowed a

razor to shave, led to me praying to God for A sign. I

turned the page to a book called science & Religion & God

Gave Me a brand new Razor Blade! I told my celly, [REDACTED],

I was going to cut open a big vein in my ankle! He said O.K.

Once blood began pouring from my ankle he started kicking

our cell door 202-029 UAD b/c there are no panic buttons & the C.O.'s left the floor (their never allowed to do that). I also hung myself b/c I wasn't bleeding to death fast enough. I get rushed in a ambulance to the John Peter Smith Hospital & put inside a full body cat scan w/metal handcuffs on & could feel my penis cooking, then guts, finally brain as if I was a fork in a microwave. I prayed it would kill me. From 10-28-10-30-15 I'm in suicide watch & get sent back to Houston for more Suicide Watch, BMP, & SRMP Torture. I Pray Others Do Not Suffer As I Have Yet Only YOU In The Outside World Can Compile All This Cruel & Unusual Punishment & Advocate For Changes. Simply Allowing Inmates to cell with someone they get along with could prevent Alot of suicides. The other change needed is to get rid of the Prison L.itigation R.eform A.ct. My BP-11's to Washington routinely never come back after I mail them

to B.O.P. Administrative Remedy Section, 320 First Street,

N.W., Washington, D.C. 20534. Oct 8<sup>th</sup> 2015 I gave Dr.

Freeman Case No. 832036-RI regarding needing a modification

to 4 point Restraints & never got a response. Same with my

Case # 979702-RI Regional Request For 9-21-18 Incident Report.

Also Remedy # 982138-RI says "Provide 2 extra copies of inmate

Req. to Staff & Resubmit." Yet in <sup>↑</sup> I said "The 2 attachments were

in pencil & copies not legible." Finally I sent an Appeal for #

974855 & 56 & only got # 974855 back? There is no over

sight or digital records of our Appeals & Mail takes months

to get responses from B.O.P. yet we have only 30 days to

respond at most, If we ever get our mail back. I'm Ending

This Letter on a Positive Note! Lt. Warner on Friday 7-26-19
