NORCO'S PRISON (CDCR), IN RIVERSIDE COUNTY, CALIFORNIA, THAT PRISON WAS MY RESIDENCE, (FROM 2008 TO 2010) THE HISTORY IS EXTREME, GOING BACK TO THE PROHIBITION TIMES, PEOPLE WOULD TRANSPORT HORSES DURING THE WORLD WAR ONE ERA. INSIDE THESE TUNNELS I PERSONALLY FOUND SPOONS FOR WORLD SERIES, AS AN APPRENTICE PLUMBER, THE TUNNELS CONTAIN RATS THE SIZE OF CATS, ROAM ALL OVER THE UPPER LEVELS OF NORCO PRISON ON THE LOWERS, I'VE SEEN RATS WALKING ON TOP OF PIPES IN HEALTH CARE UNITS COMMUNARY WAREHOUSE, I PERSONALLY WATCHED A RAT CHEWING ON CANDY THAT HE CHEWED THROUGH A BOX, NO GLUE TRAPS NOTHING! THE LOWERS HAVE ORIGINAL HOUSING UNITS, THAT ACTUALLY HOUSED ASIANS DURING WORLD WAR TWO WHEN PEARL HARBOR WAS ENVADED. WOODEN FLOOR YOU FALL THROUGH, EACH UNIT RESTS UPON STANDS Δ (POSTS) TERMITES FALL FROM THE ROOF, LEAKS IN THE CEILING, SO WHEN I RESIDED THERE ON THE UPPER LEVEL, CALLED FACILITY IV, I WAS TOLD THE TWO ORIGINAL BUILDINGS WERE NURSES HOUSING FOR THE NAVY, THE PROPERTY IS BEING LEASED FROM THE UNITED STATES NAVY; THE KITCHEN, HAS BEEN THE DINNING ROOM FOR WILD RATS, OPOSSUMS, AND RACCOONS, THE U.S. FLAG'S POLE

WAS MOVED FROM THE HIGH SIDE FACING ROUTE 91, AND EAST 210. FREEWAY. THE FLAG WAS MISUSED, BROUGHT DOWN AND THROWN IN A CRATE ^{MILK} UNFOLDED - DISRESPECTFUL. SO BEING RETIRED USMC (03) (CAPT) I CHECKED THE GROUNDS FOR RANK, WWII VETS AS PRISONERS, NO VFW ANYWHERE, THE WARDEN IN 2008-2009, WAS A NATURAL LT. FOR UNITED STATES AIR FORCE, AND HE WAS A PILOT, HE RAN MY MIL, FILES WHICH ARE SEALED. HE GAVE ME RESPECT TO CREATE A SIX-MAN FLAG DETAIL, SO I COLLECTED SIX MILITARY-VETS, TO BE READY OUT FRONT AT 0530 AM, ARMY, NAVY, USMC, WWII VETS. WERE SELECTED FOR MY DETAIL. I COLLECTED FROM A LT. OF CORRECTIONS THE FOLDED FLAG AT 0530 HRS. FOR SUNRISE, I WENT AND THE SIX MEN STANDING OUT SIDE IN LINE DETAIL!!! THREE BY THREE AND ME, POINT (DCO) ^{(03) CAPT} DIVISIONAL COMMANDING OFFICER OVER ALL VETERANS IN NORCO, PRISON! I TOOK CHARGE UNDER (DOD) THE NAVAL BASE, TO THE EAST OF NORCO PRISON, BLEW THE HORN WHEN THEY WERE RAISING THE FLAG, (YOU CAN HEAR THE HORN SOUND OFF). GO TESS LINE NEED REPAIR (IT WAS!) I TOOK A NOTICE TO THE WARDEN, OF NORCO FOR MY FLAG DETAIL, TO BRING HONOR TO THE MONUMENT OF THE FRANKLIN D. ROOSEVELT FLAG MARKER, IT WAS TARNISH BAD SOME SIXTY FIVE.

YEARS OLD, SO I TOOK SAND WATER
AND CLOTH WITH TOOTH BRUSHES, AND
WE WORKED TOGETHER, LIKE WE HAD
BRASS ALL, THE MONUMENT SHINED FOR
THE TWO YEARS. THE FLAG DETAIL BROUGHT
DOWN GLORY AT 1800 HRS (6PM) SUNSET, WE
WERE EXACTLY ON POINT WITH THE U.S. NAVY
IN 2010 I RETURNED AND THE FLAG
DETAIL WAS DISCONTINUED AND CORRECTIONS
DONT FOLD THE FLAG. REGARDLESS OF OUR
PERSONAL FEELINGS, THIS NATIONS FLAG
ALWAYS MUST BE HONORED AND FOLDED.
