[REDACTED] you say claiming the promise Deliverance
provides evidence of Faith Right Gal(5:22) one of
these claims right is love, Jesus said love thy Neighbor
as thy self as well as in 1 corinthians 13 to abide in
Faith hope and love that is the capstone of our
Christian love that love is the greatest But your in
error because you say you hate sin that ~~person~~ person
who is saved and you go on to say loves others who
are Christians But that is not true if you just go
back to kiss keep it simple stupid I'd go if the sinner
needs help and isn't a Christian you will not seek peace
with him or love him cause ~~he's~~ not your Neighbor?
or a Christian and living in sin so by us Denying a
Unbeliever or any other Human Being we judge him as
unworthy because he don't profess the John 3:16
claim that's wrong and a 1/2 truth and what gets
us like you ~~at~~ were saying to me the other day
It's not in line with scripture, 1 corinthians 15:33-34
Do Not Be Deceived EVIL company corrupts good
habits awake to Righteousness and do not sin for
some do not have the knowledge of god I speak this
to your Shame! Paul warned the corinthians to stay
away from those who teach false doctrine
our final Victory 1 corinthians 15:51 Behold I tell you
a mystery we shall not all sleep but we shall all
be changed, John the Baptist Baptised with water
when Christ comes his Baptism is with fire god is
an all consuming fire Hebrews 12:29 His Nature is
Transformation for us to become that ~~the~~ New creation
he offers this gift to everyone who comes to him not
just the Christians who like the Jews that didn't
believe the first time he came they missed the
happening cause they didn't believe him that he
was the Messiah because they were worldly thinkers
Do NOT LEAN ON your own Understanding WORLDLY wisdom

For we walk by "Faith" Not By Sight "2: corinthians 5:7
So if we're in the walk of faith we know faith is
things hoped for but not seen spiritual things or
gifts from God the Righteousness of God is his gift
to us of Salvation and all the promises in the Holy
Bible. We already know the TRUTH because Christ died
for us ~~on~~ the cross it's our daily duty to die
to sin and Repent for if we even hate our brother
it's just like murder sin is sin but we're not perfect
we're trying to be that is obedience righteousness a
characteristic that can only be attributed to God
declaring believers righteous, but it also refers to
perfect righteousness a characteristic that can only be
attributed to God Himself in Scripture cause we know
that all scripture is given by God 2 Tim 3-16-17
So we can beat our self's up back and forth this and
that scripture says this and means that so on and
so on always searching and reading the scripture and
never know Christ and the ~~reasoning~~ cause we missed
his happening while we were ~~doing~~ our will and not
his that continually trying to be right in our own
eyes only drives people from us, if our faith isn't
genuine people will reject it even God. Because
we know that man is evil there is not one good
thing in him So DAVID with his eyes beginning to
open wrote the awesome Psalm 51 and said his
iniquity was a birth present from his Mother and
Father who inherited the sin of Adam and Eve So
we are born in sin we do not become sinners our
very substance is iniquity, So why do we insist on ~~saving~~
our own lives when we know all this Psalm 51:5
2 Samuel 22:6, Jonah 2:2 Proverbs 2:14, Psalm 116:3
Romans 12:12 is perhaps one of the most descriptive
Scriptures that tells us what must happen to us if
we are to abide in heaven WE MUST transform to
get out of the evil world in ~~the~~ which we are BORN

3

That awesome word transformed is the same word used to change a worm into a Butterfly there is no escape from hell except the cross No flying away out of here No suicide No being so religiously good nobody can stand us we are all stuck with the Big "C" word called changed and that is not changing our MANNERS our addictions our attitude it is getting a New life a New blood line then and only then can we be in the world and not of it like the Butterfly is in the same world as the worm but not of it only then will we have completed our journey trying to escape the cross with all the false doctrines like flying away when the going gets tough is the mentality of an "Imbecile" a "Coward" a "loser" and makes Christ's coming of no avail. Let us as "BRAVE" SOJOURNERS bear our cross yield to the change and not our own understanding The Lord is faithful to accomplish what he started Let us pray we seek first the Kingdom of God instead of running after the things He will add to us if we relinquish our all, Those who have found that there is no greater love then to lay down one's life for another, I say this to you because I want you to understand my gifts that God has giving me my TALENTS My calling and why I'm here The Kingdom of God does not come by observation for the Kingdom is within you the CHARLATANS are making tons of money off the ignorance of the Christian's an ignorance that will cost them their soul, Movies Books written TV Fairy Tales are all ear tickling Fiction and are weaving the web of deceit tighter and tighter, Accept Christ and not only are you saved but you will become a better person? That is a Evangelist myth! Matthew 24 I will beat you a nickel there's not a Christian that knows what that scripture means, the Kingdom of God is a mystery

and is revealed only to those who seek and are willing to give up their life, We choose to Become ~~New~~ New or Born Again with Christ so you should know you lose everything to follow Christ down to zero and then you pick up your cross and follow him you don't need a Ph.D. in Theology or Seminary School to prove your able to spread the gospel the Disciples didn't have any, a piece of paper to say you completed a course is just worldly and not of God the Christian leaders and therefore the churches are dead like a big blob of "dung" a stench to the Lord's nostrils they love their proud titles of their graveyard Lutheran, Calvary Chapel Catholic Vineyard and on and on, all disillusioned and not even aware that perhaps the Lord is grieved and is going to another people who know Him not, like the sinners that died w/ Christ the criminals, the tax collector, ect, It's like the choice papers you list all these things was ect, and that is the least of my worry I rejoice in that Madness and insanity the world as we know it is ending the (age) 1,000 years Remember Millennium is over that's the end of the System of things ending and Regenerating But the so called Religious Teachers want to preach a False gospel about a Rapture and Armageddon ect with T.V. fairy tales well let Christ come Brother he has!!! That's why I don't want you to be sad cause you want to share all this information with people But there's no response Show them God in you through your works, cause we know that pointing out there faults or trying to show them how to live isn't real, real is the prisoner's seeing Christ in you the light in you by your actions God love's a giver go to the store or package and you get stuff on your shelf and someone is in need and he tells you But you could help him But you don't

That's greed in your heart just for a example Not that you would do that Acts 2:44-47 Pouring out and showing love to others we dont need to bombard people with scripture and commandments and judgements, we are called as the first born family of God the father as peace makers Matthew 5:9 Blessed are the peace makers for they shall be called the "Sons of god" to sow for when we sow peace we reap Righteousness James 3:18, and I'm getting tired some so I'm going to close this letter to you and tell you that we have to have our house in order before we can correct some ones else's Remember proverbs 28:5 Evil men dont understand justice But those who SEEK THE LORD understand all. To be able to say the right things at the right time is a art. I am a artist
Now Here we go

Remember there are no failures in life just chapters of learning.

6 I may be Rich I may be poor I never know from one day
to the other, all I ever ask for in life is my
daily Bread, and god Provides and Blesses me
everyday Because I love everything even those who
can't love themselves, god Sends you Flowers everyday
and a Sunrise every morning I'm grateful for every
thing from the time I awake I thank god for my
Nostrils for me to be able to take that first breath
of morning air and the joy that cometh in the
morning My grand mother who you were so quick to
condemn because I said she cussed like a sailor I
hope you thought about the word sailor I am the
Davy who is in the Navy and probably will be for
life "just like the song goes" Stay Tuned 102.10 K Love
airwaves we will all be changed just be glad when you
see everyone confused and wondering what next we can't
teach god's mystery only revile it to others by our conduct
It says in Hebrews that we have to submit to the authority
that rules over us for they guard our souls who must
give report of their treatment of us. So to not do so would be
unprofitable for us. So don't worry about all these fools
and their folly cause in the Dictionary a fool is a insane
person. we are in a "Snake pit" THAT means an Mental Health FAC
