

Dear A.P.W.A.

Currently I am faced with a dilemma for which I truly believe must be addressed.

My name is Minister Chavel Borden #1483139 & recently I became the victim of an injustice for which I am in question of the matter being silenced.

From 10/3/19 to 10/19/19 My person was illegally detained & unlawfully imprisoned to the SHU/Box for false allegations of a cutting incident. The allegations were dismissed!

After being released from the SHU/Box, I was informed that the alleged prisoners wounds were self inflicted & that the person was pending P.C./Protective Custody.... still in General Population. I was also informed by Correctional Staff & their superior officers that the call/order for me to be housed as an S.H.U. prisoner came from Dep of Security or D.S.S. Corey.

Currently I am seeking an attorney who can be of aid in getting this matter into the courts as is needed A.S.A.P. & I believe that with your aid I can obtain the justice due,

Respectfully,

Minister Chavel Borden
