

"Slavery, Reconstructed; Law enforcement?" ARA @ 10/1/2019 ADX May Plantation (CO)

cc My first encounter (law enforcement; re) was, age 4, AID, 1958; Chicago, Westside. Had I been aware then, my life would've been, shortened, I think I'd be for my plumber! That brings me to, the reconstructed-slavery; where Elton (and; Asian; Spanish; Native; etc.) are re-enslaved; no doubt, with their participation (willing or not)! Compare; Hort Employee; Union Local? Voting-block,

See, I'm 65 years wise! How wise are you? Take this quiz: "The youth (of; Elton; Spanish-Cherian; Asian; and; Native American) were tested -- unbeknownst to them -- by various 'poly-histor'! The test consists of: (1) removing their fathers, from each youth's household; (2) placing, as father figures, street headlines -- foster-fathers -- and; (3) neighborhood 'le' (law enforcement). Naturally, youth (male & female) -- of targeted racial groups -- gravitate; towards the 'father-figure' in their lives (post-ages 4-16 years old). Out-of-one hundred percent, what percentile end-up durara; (a) before, age 12; (b) between, age 12 and 16; and; (c) between, age 16 and 21?"

NOTE: The answers vary, by States (of; warmer-States more time, for crimes)?

Will you believe, a concerted plan exists; based on the 'isms': Devilism; globalism; hypnotism; negativism; nihilism; patriotism; racism; sexism; and; tribalism? Coupled with, covertly-shrouded 'nepotism'; linking-together Branches (of State and Federal Govt)? And, any supervision (of Govt) 'done or not'; by Govt ('who will guard, the guards; themselves? Martial'), oversight?

So, then, what 'Abraham Lincoln' said ('... the right to rise up, and shake off the existing-government'); is carte blanche ('... their right, it is their duty, to throw off such Government, ...' - Declaration of Independence, para 2), right?

In prison, after covert operations (Juskegee; crack & Contra; Cointel pro; et cetera), targeted groups (by race); by same percentage (supra) look to be as one would their father or-mother! Especially, the young; and, those raised durara! Not to forget, returning (to-prison).

Could this be, classic; cognitive dissonance? What with 'polyhistor' avoiding, 'outing-Government'; and, the rich? Consider, the 'Media' only-protect 'The Constitution'; and 'the sword and the shield'? How can 'We the People' be shielded; by a Government who-protect its kleptocracy and kakistocracy? (guarding the interests, of the rich)?

Well, as the 'youth' (blossoming, recidivist) admire ('le'); the 'govt' admire, the-'rich'. With 'the same' ('gang type following') obedience. Instead of pursuing justice, as a youngster does, 'these want to impress' (father or mother).

You can compare this, too, 'Pavlov's' conditioned response (1904 Nobel Prize Winner)? I must emphasize, the elite ('polyhistor'), are educators; backing. 'The isms', used by the Govt! But NOT ALL, are willing slaves!

Although, I can't know (Internet, I see, 'TBD' channel) testing; or, blogs, I see no-news broadcasting (anything of this ilk)! Please let it be known (on 'TBD', Facebook), if I've missed such? I am, extremely, interested?

What 'satan' said ('this thing' -- it didn't know what 'Adam' was -- 'is nothing, only-hollow and easy'), for 'the base'; seems true? Law and order, have left the country -- leaving, behind; the stench of bad wine. ARA @ Are y'all wine-o's, 'eat there'? ARA @ 10/1/19
