

"We are all / we all are?" (incomplete flowers / maps ...) ARA © 10/11/19 ADX plantation
"How can all ... be, a map; a human face, a durance of earth...? In this Universe-
... That becomes; a stagnate-place?"

"To write is / two is right? Reading, what's writ, always frees; the durance! 'Earth,' a prison-
one cannot escape! Where all seek / where seek all; answers, most do find; they're there, al-
ready (the predetermined, 'all spoke to G-d' / 'all G-d Spoke to'); become, 'resurgitated' at-
choice (to prefer, 'all selected' / 'selected all') This road, to life; and, stove-off (the blind-
eye, 'all live as' / 'as all live') 'the deaf; the indifferent; the dead as alive / the alive as-
dead!' 'We all chose this life / we, life, chose all this'? Where proof is, compare, the-
suicide (of new-Nostradamus villain); newly-writ, circa A.D. 2016-2020? Or, psychics
who read (of our past); to write / write to?

I get to experience, the stories writ; in prison! 'Hacks,' separate, themselves from-
'durance'; to KEEP FROM SEEING PRISON! Really racist / devilish; devilish / racist real-
ly do vice versa! Just as the first did (satan), not-being 'up to snuff'; chose the pre-
tense (of being-better-than). In 'its case,' the 'Adam' (atom-atoms, truck, indivisible)-
began sentence; BUT, WE ALL JOINED THE CONSPIRACY / but the conspiracy... It is the-
prison (of satan), all wish to escape. They can't, however, yet; each age tries. The-
first scientist, satan, keeps all; Trying! And, like 'Trump' (base), divert attention; from-
the truth. Did they trick y'all?

Now, 'the truth' is, 'the key'; Universal! Anywhere-- on Earth-- in the Heavens; a-
fact remains, or it's not true. We all support, that, right? Well, then, the Universe is the-
'truth'; and, 'the truth' sets you free! (smile) So, gravity is... Air (clean / toxic) is-
(the truth)... Thus, to all naysayers, EVERYTHING evolved; from Truth! And, the-
one dissenting 'tries to escape it'. Of course, that's, the futility of a wasted life! Some-
consider slavery / durance as; as durance / slavery consider some. But, 'a wasted life' is, the-
suicide; of one who has ability, to live. As pain is relative / relative is as pain...
'Did a baby feel (pain) coming through?' Or, doctor (satan) causation?

What's apparent ('you can't con-a-con') is, EVERYONE wants to impress! POLYHISTOR-
the most (pseudo-gods). So, they; doubt / question; question / doubt they, so? 'A fool and his-
money are soon parted'; 'a sucker's born every second'; 'when following, the leader, you are-
leader when breaking-away'... There is no life except what's, already, chose! Just because-
some are asleep, means; 'you / y'all must stay awake'!

I am not a willing prisoner! No, not speaking of fate... No destiny-- except death-- is
predestined! 'If a fool plays, with death, when it's time, ONLY WHEN! You, who know you are-
durance, must seek freedom'; The Teacher will appear when the student, is ready! ARA © Know-
the Truth and the Truth shall set you free! (John 8:31-33) 'Prove all things... (1 Thess-
5:21) 'Truth has now arrived... falsehood perished; ... falsehood is... bound to perish'. (Quran 17:81)

The prison (FCC Complex, Florence ADX Max supermax) I'm in, is TANGIBLE; yours, is not!
Look this word up; 'Eblis'? Not; 'Iblis', for, they're contraries. Former (writ as) a myth, latter-
(writ as) Truth. Here's a trick. 'Rich cannot stay, rich, unless 'poor' choose; to stay, 'poor'.
Look this word up, 'infantilism'? What games played ye, today? / 'to day, ye played what games'?

'We are all / all we are' (incomplete...), until we awake (to the Truth). 'The few devil-
the MANY; 'who is in prison'; ARA © 10/11/19 ADX Max plantation (CO) 81226-8500
