

COMMERCY: The Earth's, prison? [redacted] MAY © 8-27-19 ADX plantation (COLO)

"This is a journey (diary/journal?)! Most are afraid, to awaken (take great pains, to cover over the truth)! While the 'belly of the beast' (wealthy) have govern-
ments. (hence, Shakespeare's curse: on lawyer's BOLL; they (govt) force/wheedle masses -
into 'Tying the line'! Ergo, unjust laws! 'What's good for the goose,' ain't 'good for the
gander' (cf. '3rd Evil introduced,' Gen. 2:25-3:7?); NOW, female and male (govt, gender-
divided) down through races! 'The SECOND CURSE,' (of NAB, bible, Gen. 3:19); the 1st -
(cf. Qur'an, 2:35; '... Dwell you and your wife... but come not near this tree...'); cf -
chapter 2, verse 38 ('Get down all of you from this place')?

Do you know, the great pain for us? It is, division (but see, Gen. 2:24: 'one body'?!)
The apex (of which) is, the word itself (divine/divus versus division/divivus)! A 'Tree' -
(deodar, Sanskrit, wood is true), with pages (leaves/sheets of paper); and, meant to bring
peace! All traced, to par (Latin=peace)!

Now, religion (cf. rely - from trust?), and, skeptic (Scepticus - disciple of Pyrrho of Elis) -
are bound (by words), by human acts! 'It's all, relative; dependent - on our/one's use.'

In 2019, the Earth becomes more visible; to see! But (perhaps) a veil (from evil-
anagram), for (government & wealthy); COVER-Y'ALL! 'Orwell,' calls it: double-
talk; or, self-indoctrination (cf. 'Endymion,' Greek; 'Sigurd,' Norse; 'Rip Van-
Winkle,' Irving; 'Sleeping Beauty,' Perrault; Rumpelstiltskin (?); and, 'Lazarus,' John -
and, Luke, 'Our friend Lazarus is asleep, but I am going to awaken him', (ye will); and -
'... a poor man named Lazarus... When the poor man died, he was carried away to the
bosom of Abraham... Abraham far off and Lazarus at his side' (Lk 16:22-23)?) My
point, 'all of us are ASLEEP - TO - PURPOSE OF LIFE?'

Please awaken: the past, we stand upon; the present (English guides one's -
objectives); and, the future (in which WE ALL DIE) IS KNOWN (death date, place -
hour) IS NOT! Naysayers, dispute this; Bible states we have '120 years span to -
life' (Gen. 6:3); and, 'NO ONE KNOWS WHEN DEATH COMES' (Eccl. 9:12) & 'Verily -
the knowledge of the Hour is with G-d (alone).' (Qur'an, 31:34)?

This prison (ADX, Florence, Colo), 'out there' (your, prison) BOTH; have inter-
racine/pernicious-death (for future) of ALL! Is that not a prison? And, BASE -
give, their, futures; to others? WOW! MAY © 8-27-19 ADX May plantation (CO)

"The Prison System, seems defined, by bars; guards, and, criminals! Unfortunately, 'Matthew 7' destroys, the definition; for sure-
ance! Because, without the uniforms; guns (all manner of des-
truction); keys; and, nepotist backup, there's little difference (bet-
ween people). For example, hacks are more 'forward thinking -- crim-
inals -- than convicted-criminals! As this one (convicted), hasn't
violated; 'a fraction' (of the crimes) that 'hacks' violate, 'shifty' -
and, weekly! And, 'their offenses'; ARE LEGAL CRIMES, Even, murder!

Now, I must identify, the criminology; from (so-called) cit-
izens views! First, the impetus -- for the difference -- between (crimin-
als and law-abiding) is 'NONE'. Second, the impetus (of 'non-crim-
inality') is high-and-mighty: 'LAW'. And, third, the veneer (of-
abiding-by-established-LAW); absconded, long ago (from 'the-
good old USA)! 'A civil death' lands, at my feet, and, 'not-
the jailers-boots'! 'Should it not 'BE' the 'other way around'?

Well, it's not; the elderly -- in my mind's eye -- experience;
or, the wisdom-of-youth -- ignoring what's, 'in plain sight'! It is -
rather, the 'REFUSAL OF COMMON SENSE', to 'prevail'! So, I will
mention, but; one 'exemplum', 'hiding from, THE TRUTH'! The kind
that, excuses; leaders, ignoring (some, celebrating); assisting; and/or-
'accepting' (drastic) 'changes' (to America)! But, 'Nature' (on the-
upper echelon; of this 'seesaw'; with, Trump, a 'teeter totter') is -
moving; 'to close ranks' (again, some, 'humans')! Cf. 'Brazil fires',
'climate changes' (Sweden); and, 'infra structure, demise' (astro-
nomical additions; to Debt; on top of Corporate Theft via 'National-
Debt Hidden Of Theirs')! 'Pick this apart, 'Kakistocratic robotic base'?

And, this 'durance'; won't 'join the audience' (of, one, 'hypocrisy');
nor, 'that of the youth' (who've, 'closed ranks', of the immature) again (aged)!
'Out there' whom are; 'the law abiding'??" ARA © 8/27/19 ADX (plantation)
