

"The 'satan': is sidom defined, as 'a jinn, from fire free of smoke' that it seems impossible - To some, keep the question: 'how can the Bible speak of a burning bush, yet, people disbelieve 'in-jinns (made of smokeless fire)'? Thus ('A satan rose up against Israel, and he incited David, ...' - 1 Chronicles 21:1, et seq.) that 'satan, was/is known! And yet, 'the plastic' (Pascal's way), is un-aware (of: 'Abis; als al Abid; shaitan; satan; lucifer; ad infinitum); while evil-destroys, all around!

So, there's a lesson (on: comparison, bad and good); (1) the peacock, before 'Argua-100 eyes, myth' (which came first?); (2) 'jinn' (cf. 1 Chron, above) and/or, 'Adam' ... - (3) 'Enoch' (Adris?) and, 'Elijah' (Hujin) and/or, 'Christ' (Isa); (4) 'Immanuel' (Isaiah 7:14) and/or, 'Emmanuel' (John 20:17); (5) the 'angels' (Jude 6) and/or, 'satan' (Rev. 20:1-3) - note (many think 'satan'-angel?) contradiction; and, (6) the 'Soul' (Spirit) and/or, the 'Breath' (Smell)?

At present, all live (Life) based upon: comparison! Which steers Soul, in a direction; either: bad, or good! That's a given, not to be uprooted; by evil influences! Yet, evil has a hold (on amurikkka), and; won't let go! It's as simple as, leading a nation by: first-come, first served; with NOTHING LEFT, for others! That's, so, clear! Even more so - than: 'Jude 6' (angels, chained, first); and, Rev. 20:1-3 (satan, then, chained), 'Which - grows (or, should to Christians), that: (6) 'Angels' (Jude 6) have been chained up; and, - (7) 'John' (Rev. 20:2) says, 'satan' SHALL BE (as, proof 'satan's-not' an angel)!

(MUST BE REVISED)

Above (Jude & Rev.), and, many others (exam. 'Ismael, NOT-' Isaac') must be revised! However, proof supports (their) falsifying Edicts (Religion); to mislead! They, like - satan, want company (hell); and, 'heaven on Earth'! The proof is there, for all to - see. Cf. 'Trump, and Putin'? Write your own history, using truths; or, follow lies?

HOW 'USEFUL'?

If your family needs (food; clothes; shelter; safeguarding; guidance; etc.) then, tangibles are sought; NOT intangibles! Through the truth, one's word (given), standards are set; and progress achieved! But, without (truth) no advancements; just, destruction! Exactly what - 'satan' wants! With its (satans) war, against its tribe (jinns), satan overcame; jinns! Besides 'angels,' what's become, 'satan'-felt it first (before 'G-d')! Its next encounter (with - 'Adam') began, our Life; in flesh! And, 'flesh,' denotes: family and kin!

It's relative, 'Adam's flesh' is, the relative (of, all, flesh)! Just as, 'satan's, relative - (of, all, jinns)! We, normally, don't see (jinns); but, they can (from-the-willing) - enter (humans)! With hideous crimes-committed, daily; some, variations (of 'satan') cited! Even 'atheists cite, such, evil! How does one disconnect, when success depends (on good connections)?

What becomes, a, comparison is; progressive, or, destructive! So, the reality (of Life) is - progressing; as long as one can! Thus, WHY are (some) humans destroying; and, NOT build- ing up (Earth)? Is there an avenue, to 'satan,' hidden; behind 'isms': racism; sexism - terrorism; formalism; isolationism; positivism; nihilism; negativism; and, atheism? Please note - (like) 'satan,' it's unseen (naked eyes), so too; is the: 'dichroism' (microscope)? Diseases are - unseen too, but; whom denies their existence? Or, that of, TRIBALISM?

Finally, 'Trump' (will, historically become), like 'Hitler'; 'if truth comes out'? And such, his - issue seeks; to hide! BUT CAN YOU SEE, or; DON'T WANT TO? ARA @ 9/19/19 ADX MAX (CO) plantation

"The Prison, 'EARTH'?"  
(Ch. 21: Hologram (Linn); and, human) ("Question (unanswered) ISM?")  
"An 'ism' (suffly) may be, 'process'; and, 'an excess of something'? Yet, 'ism' begins, 'things' lives! An-  
example: Terrorism, and, oppression (Cuba; Africa; Iran; Iraq; El Salvador; etc.). But, what about its parents:  
'racism'; and, 'hypnotism'? BEAR WITH ME? Before 'terrorism' began, it's used; again the 'terrorist'.  
Then, reversed; again those in power! Based on, 'racism'; children taught (less than humans were  
the problems)! It's learned behavior, cousin; deviant behavior. Where wines (of repetitive lessons)-  
are washed-over (children). Whom, therefrom, pass on, via 'hypnotizing' behavior! Hypnosis, as a  
product (ef), can be seen (circa 2016-2020 AD); via 'The Base' (of Trump)!

These three (members) go-hand-in-hand, yet; remain: unrevealed (racism (child taught) &  
hypnotism (raised and bred on); and, Terrorism (based on race, and/or religion). While power is-  
kept, in the hands of: rich, and; powerful therefrom!

In any War, Two (2) are culpable: (1) the cause of antagonism, leading to; and, (2) Intuition-  
to word-of aggression, resulting-in. Where 'ism' has, eight (8) characters; only, a 'patron'-  
can sell all (of them). Especially, since 'isms' are, always: NEGATIVE!

The drama (GREEK) is, leader; and, imitations, result, therefrom! NAB writes:  
("46 They will be a sign and a wonder for you and your descendants for all time." (Deuteronomy, 28)  
(And (Hammurabi?): "The pen is mightier than the sword."  
Compare, the providence (events before they occur); before, science? Both, discount (The God)?  
Who's what's "before, science"? (Not "The God" then; what?)

So, 'isms' are used (always) contrariwise. Take the Bible (Christians)? The (OT)-  
Old Testament (Milito of Sardis, circa 170 A.D.) coined, over 100 years; post-Christ! Not approved  
by Christ, disciples; or, their writings. Now, consider: Ditheism (3-separate gods)? Athe-  
agnosticism; atheism; isolationism; liberalism; conservatism; nihilism; negativism; positivism-  
pauperism; pointillism; parallelism; racism; sexism; tribalism; and ad infinitum. My belief is,  
before, events -- governmental -- occur; they're precipitated, by powerful people! And, no doubt-  
they "fall in line, with"; pre-destroyers. When, next, you see, summers handing off-a-baton-  
to-the-one-in-front; consider, greedy? They, greedy, throw this Earth into upheaval!  
What's taken-away, from the vast-countless (poor); goes to a few! And, their lack-  
of empathy is; a sign (supra); quite, 'psychotic'; and, 'psychological warfare' erupts-  
therefrom.

If this seems bizarre, it's because (NO ONE): raises-that-issue; greed is disturbing-  
in a disorderly way. Who sets the rules? Who writes, the books? Going back, too the  
Bible (Catholics & Maccabees; etc.)? And, who steers; the Media? There's no POOR-  
doing anything (above)! Although, since, they're majority (Globally) -- of Globalism? -- WHY-  
aren't (POOR) forming; Governments? It's not, they're not trying! Rather, Greedy Keeps-  
(POOR) majority; divided, from proper upliftment!

✓ There it is, divide and conquer (reverse: psychology; sting; order; engineering; etc.); as-  
Paulo Freire (Pedagogy of The Oppressed) says: "Divide and Rule... the oppressor minority sub-  
ordinates and dominates the majority, it must divide it and keep it divided in order to re-  
main in power." (pg. 122 in part)

Well, connect, immaturity dominates (Globally); and, gort-fuels such: cartoons; horror; games-  
(Survival; bread & circus); bread crumbs strewn all over; it cetera! The Adult Topics (Purpose to-  
bring here), are dissuaded. "Don't let the left hand know...?" ARA @ 9/20/19 ADX MAX Plantation (CO)
