

(Ch. "Am Song, unheard before, you write, during sleep?" from Whisper)

11. A federal prison, like this Supermax, is the bootcamp! When prisons (State and Federal) are free, not open, to scrutiny, crimes are rampant! Those crimes, inside (of a closed-off supermax) are, orchestrated; by the interior hacks, not the Durance (as most would imagine)! Those (who are unaware) get their point of view, from the guardians; or - generally, known: AS THE GOVT. "Who will guard, the guards; themselves?" (Quveral) Isa 45:1! That's a monopoly, in all languages, Biblically, "Justus" (Isa 10:2, Hab 1:13, 1:4; Acts 1:23-24; Col 4:11) transformed! How? "Control the Narrative," ARA @! "Sell, the only, Products & Supervise them!"

Like ("out there") "in here," Durance have muffers; on sounds! Easier (in here) than, "out there," but, same result! How does the guardian keep, their, powers? By being ruthless, as the Bible (, .. all my town people know you to be a worthy woman", Ruth 3:11) says, guardians are not/less, like Ruth, at all. So, Shakespeare, said: "the government I cast upon my brother"! The rich know, govt seeks; wealth! "Chasing, their tails!"

If, y'all need something (from a store), then, they go shopping! Unless, its location is to far away; or, it's closed! But, "in here" (out there) some locations are; in the wrong neighborhood! Or, "to costly"! And/or, "not worth effort"!!!

To seek truth is, "to costly"; "in or out there"! So most, stay away; look at some place, else! Or, accept some other, "something"! Even, stand in line; until it is, their turn! "In here," that, "something else" is; "follow-the-leader"! "In here," leaders are; those, who have "the power"! And, guardians loan (power) too, the gullible; who'll "shop-for-anything-sold-by-guardians" (like; "out there")! Now, imagine: "out there," you shop (in a different neighborhood)? Then, your DNA gets you; arrested; with your family? Of course, family members are separated (from each other)! Unfortunately, the children (Durance) - don't visit, family! And, children don't speak (English); what the "cashiers" speak! They lack, funds; so are labelled; Thieves! Whom are treated, like, "less than humans"! After a repetitive use (of these tactics), garners thousands; upon thousands (of "shoppers," so labelled) - "stragem" becomes; official policy! And, the News - slowly - stops reports; like, for market!

Now, the two (other) Branches (of govt), see results; "that they can live with"; and, do all they can, to support (the other branch)! Hence, a monopoly emerges; where "discretion" be - the; "Shield" and, the "Sword"; "Constitutions," be damned! While the children grow-up, Durance - because they tried/did purchase; things (avoid of proper-permission)! But, "the inner-circle" - knows; just so many -- can stay, "out there"/"in here" -- allowed; before "the jig is up"!

So, "the pyramid scheme" takes effect! Where "National Debt's Usury" to create; PANIC! which, rotates until affects; jobs! Then, rotates until it affects prices; then, infra-struct - ure (neighborhoods, hit by Mother Nature, farms, likewise; jobs sent, beyond our borders - settlements won agin Corporations, subsumed by Debt -- who'll know, "monopoly" -- and; the "hate attacks writ" (from the Bible) so they seem, foretold; ominous! And, "forecasters" (weather - stocks; pollsters; preachers; talk show hosts; prosecutors -- betting on arrests & plea deals - or convictions -- SAT scores; sports draftees; et cetera) "jump on the bandwagon"; in stride! Then, the appetite (public census) becomes; whatever "guardians" push; "as drug of choice"! Like, "Zantac" (NDMA) causes "Cancer"; or, "E-cigs" can kill! After the monopoly - gets its cut, losses (corporate) added; to "Nat Debt", they know, where the body's buried!

In ADX Max, the "wind determines": "if Durance gets REC! What will when, we eat! If Ebon (strong ones) get (visits; mail; phone privilege; potable water; enough -- undisturb - ed sleep -- eatable food; money -- no mail/calls; no ducats -- medical care; clean laundry; warm - th in cells; and, circa Trump, if "First Step Act of 2018" will be applied - to them "Nat Turner's")? So, "money is used" (to build wall); "Keep, in or out" (or, both)? In the "circus," the "trainer - gets into the cage (of the lions)"; then, makes them; "jump thru hoops"! "Russia" (trainer)...? The Epiest (Aunt Bee, Andy Griffith, use; becomes, 'Stand Your Ground' law in Florida, Texas, etc.);  
The Movie (Dirty Harry, Eastwood, use; becomes, 'Make My Day' law in Colorado, etc.); and,  
The Show (Oppenheimer, G. J. Trump, use; becomes, 'You're Fired' selected by Electoral College (MAGA)?

"If 'G-d' is (collective unconscious) then, 'it stands too reason, a 'satan's'; also, there? 'I-witness' - 'who stands beyond', AS: (1) friendly, or, (2) unfriendly? 'Knowledge is', 'wit<sup>2</sup>' to be or become aware of; learn - To Know (p. 1975, The Amer Herit Dict, A.D. 2006)! Only embraced, repetitiously-supervised; you, then, get: to see! 'Soul', the immaterial (break from, collective-unconscious) does not lead; as 'Jung' suggests! 'Soul', is 'True Faith from G-d', ONLY! One's-Soul may be, plugged in? Or, may be hacked via 'one's self doubt'; becoming: 'unfriendly'! Rule applies, to every-endeavour! 'Those friendly (to G-d) receive, those, 'unfriendly'; get, hacked (by satan)! Define-words: enthusiasm and atheism?

In Judaism, dubnik - takes it further - into (a Soul)! If true, 'collective-unconscious' hasn't choice! There'd be NO: preference! Nor, chance-to-choose; NO Will, therefore; NO Law! I-suggest, NO ORDER, hence, NO STRUCTURE! It would be, NO: past, because NO PRESENT-me-witness (supra); and, NO LINK, no future, NO EXISTENCE! Death wouldn't exist, for NO-CREATION! And, there'd be, NO: precreation, Before; Prior to; Earlier (NO PAST)!

If, you seek (To Know: The Truth), then, you shall find that which you sought (present will-meet, past and future)? If, you follow someone, NOT: EQUALLING, SEEKING; then, your loss? And, UNCONSCIOUS -- no meaning, no feeling -- is, NOT: having, conscience | conscious (NOT-AWARE, DO NOT KNOW)!

A 'collective-unconscious', MAY (if G-d Wills), mean: racial DNA; color; but, NOT- (collectively) predestined thoughts? And, present is based: on past, as are future! Too believe is, individual-awareness; learned thoughts, to memorize! NONE may (if G-d Wills), learn-to-apply anything; IF UNCONSCIOUS! And, TO CUT OFF, is like; sleepwalking, through life!

Like the three (3), supra, they follow: A PERVERTED UNCONSCIOUS! An automaton - who follows; A COLLECTIVE RACE; anywhere, because, they're A ROBOT-being, hacked (satan)!

When someone mourns, dead people, they're unconscious; and, HACKED! Sleepwalkers in a tower-of-babel? Latter are, truly, those who've had reverse psychology; hacked into-their unconscious! And, they're unaware! Like: stand your ground; make my day; you're fired; and, make america great-again!

"And hold fast, all together, by the rope<sup>21</sup> which G-d (stretches out for you) and be not divided<sup>21</sup> among yourselves; and remember with gratitude G-d's Favor on you... Thus doth G-d make His-Signs clear to you; that ye may be guided." (ch. 3, verse 103)
