"Reverse Psychology: To End Shame?" ARA © 9/8/19 ADX

"Humans know, most, how the past guides; one's present, then, future! Hearing, a song for many, takes them (back) to where they heard it; before! So too, the eyes; past, present... The title (above) works similarly, as it's the past used, to obstruct SHAME! I won't

'cook everything for you' (bme, me, one generation; or 'fast food / take out' - opened up internet - 'and selfies'). Suffice it to say, bestows one-with-lack of conscience (cf. '3-branches of govt')?

Media reports, daily, 'Trump lies'; as truths! Which shades/covers, his lack of conscience!

And (could've writ, differently), the BASE: 'love/worship him, the more for it!'

There's a movie ('One Flew Over The Cuckoo Nest', great, Jack Nicholson) -- note, dual meaning w/ 'great, Jack Nicholson'; 'not again'; or 'great, Jack Nicholson'; fantastic Artist) -- where 'he's in and escapes a nut house (with help from some, books)! I mention it, here, because (title) 'to end shame'; is a mirror!

Like thoughts (often of all think distance, books), one's agin another, become (down-the-line) another; agin-you! 'Point a finger... three-point-back! So, the moral: keepers lose shame, empathy (even), when using-

'reverse psychology! In prison, hacks MUST: lie, steal, even, kill (job category); especially, NOW WITH Trump (McConnell; Kennedy; etc.)! The movie (above) did, likewise! Then, who are the nuts???

As I said (previously), 'The teacher will appear...'; and, when one says, 'you can't teach me nuttin?' they're nuts! Here's a ditty (by; Harold C. Schonberg): 'depending on whose personality is stronger, one can-

more easily psych the other! My view is, 'Trump' ('Messer' wannabe), 'Nostradamus' prediction? Like all things satan uses, evil folk write 'their story based on past ones! Remember, 'me, Cleo'?

If I reach ONE (of y'all), I'm blessed? Strange, hacks read minus (going/coming); some, play-

massa (destroying)! But (supra) the difference (devils & humans), lies in the behaviors! 'One comes in with truth (in their hearts); but, leaves with satan... The reader (the eyes, ears, or thoughts) - will mark one; FOREVER! Amazing, I'm a convicted (unjustified), my ancestors were slaves?

YET, monopoly (during slavery) is, still 'INTACT'; same. 'twisted-minds'; '... great, again? Only justice ('Jesus shall return, set things right'; not 'son'; etc.) NOW, is truth unveiled!

NATURE, takes away -- from Karkistocracy, kleptocracy -- what was stolen; without right! (cf. Habakkuk 1:4?). ARA © 9/8/19 ADX ENCLOSED, ALSO: 'Huard Is: Durance; I Almost, Understand; When 'Common Sense' Prevails; AND, 'Ume, 'man' cannot, 'change'... ARA © 9/3/19 ADX MAX (C6)

Terminated (Sept. 30, 1996); U.S. Civil Rights Commission (42 USC 1975-1975d), see Hannah v. March (1960) 4 L. Ed. 2d 1367 (cites 42 USC §§ 1975-1975e, procedures) cf. Blacks v. Newello (C.A.2, 3-4-2011) 413 Fed. Appx. 352 & 358; Termination (Oct. 25, 1994, P.L. 103-419, §2, 108 Stat. 4342) See, 5 CFR 7801.101 General? If not clear, U.S. Commission on Civil Rights (investigative laws §1975d) are terminated (Clinton Term Congress); 1996! As part (of Exec Branch) now, Commission must be commissioned (to investigate); by two (2) coordinate branches (Congress/Executive)! Its Rules/Statutes removed, as part by the only one; to activate (45 CFR 706.1 et seq.) the (Use The) People obstructed!

The Democratic-Republican Party:

In 1854, under the Republican Party as defined, it was one (1) of two political parties (of USA)! It opposed the extension (of slavery) of the Democratic-Republican Party was opposed, to the Federalist Party (dissolved in 1828). Yet, in the 19th, 20th, and 21st century these TWO (2) are, one party!

Private Prisons (plantation slavery): 'govt by criminals' or, 'kleptocracy'?

Trump skits (law) helps Russia: retracted funds for Wall Jared, and; prisons used -- as chart -- for the domination (of USA); by Russia! Sounds outrageous, huh? First, cutting out contact (Durance, with 'out there') 'out there', with reality; second, contact with safety (cf. Charles Whitman (1966) killed -- mom, wife, then -- shot 15-people and wounded 31 others in Texas?); 2019 continues (54 years, later); third, Trump (as others, POTUS) follows seeds (of monopoly) planted (connect, above); and, fourth, furtherance (of racism & patriotism) aimed at 'EXO-' outsiders (until none remain, then cannibalizing; war)! An example: rhetoric used on high (by 3-branches) -- cf. denial - In Re African... Slave Descendants, 375 F. Supp. 2d 721-781 (descendants lack article 3-constitutional standing, Judiciary; Executive branch combines, art. 2 - Congress and Courts §8331-6601 checks title 5 US Code; and, MILITIAS/VOTING BLOCKS, to provide oversight tripartite? -- supported by MONOPLY! At Federal prisons sharecropping flagged; the first spiral, out-of-control, for USA! So, NATURE PROTECTS (EARTH); as the base, shall, see! latest, 'Dorian'; see: Poris, Dorian (Korea)?

Now, I write the obvious (nothing new...); compare: Antigone, whose two brothers (Eteocles, and Polynices) killed each other; Seven Against Thebes; Romeo and Juliet (Pyramus & Thisbe; etc).! As well, Antony and Cleopatra's suicide, resemblance Norway, the relatedness (of things) goes, without saying! This includes Seth killed Anubis (Anubis brought him back to life); Note: Isaiah (45:1) writ 'Anointing' (Heb. messiah/Christos) see: Mark 6:13 & James 5:13-15 OF Isaiah (King Cyrus, Isa. 44:28)? Point-of-fact, art. 3 (State equivalent) - Judiciary (scale of justice) from 'Anubis' (scale of justice weighing dead souls in underworld)! Or, 'snake entwined around a staff' 'Asclepius' (Greek) and 'Aesculapius' (Roman) co-opted (by army Med. Caduceus, two (2) snakes around staff with angel wings at top)! Everything created, is related... (cf. sponge - and; aerogel; computer and math; 'redshift and expanding universe'; global warming and dendrochronology; or, saw and lever?); 'Duality': prison and crime; or, prison and economical gain; ?? W/W! As many States (globally) use prisons -- as city/State major income -- govt becomes; guards, and rich, wardens. Privatization, just, another corporation; except, NOT govt-supervised! 'Aristotle' may not have foreseen (in Politics), 'pity and fear'; Tragedy and psychology (credit: Sophocles) as a means-to-an-end (wealth accumulation & racism: prisons)? If he did see, then; like 'Cyrus' use - (supra), becomes demonic? Of course, duality (privatization and privation) serves: the rich; but - subsumes, poor remain, such! As govt aims, 'to serve rich' and; 'hope for crumbs'? There's NO - Catharsis (just; hatred for less fortunate; hacks, here, hate & lie as trained; 'out there' as police? - likewise, do 'Cain and Abel' (I CAN - BELA), says; arians (white supremacy) from 'Arius' (coined: arianism; Egyptian Ankh -- anate cross -- to swastika)? 'Kalkiteocracy', from 'the base' (folk); 'Teagovt'? What genre (of citizen) curses, their children; and, their children? ARA © 9-8-19 ADX
