

Ch 15 ¹⁷ Alone, 'man' cannot change; merely, 'amendo', ¹⁷ ARA © 9/3/19 ADX
(one generation departs and another generation comes, but the world forever stays; Eccles 1:4)
"As durance, ADX may lends nothing different (to his-tory); than Tocqueville's book-
in 1835! So, I must explain, that, truth is sprung; from 'all the weeds left us'!

The word (plagiarist) roots, in; kidnapper; net; fluke (etc)! If you imagine, where a-
prison seeks 'changing' (its structure; behavior; or, durance); then, 'you're bound to never-
change your thinking'? Hence, 'nothing (I write) will make a dent!' Be that as it may-
be true, 'read on'; please? 'Empedocles' (YK, 5th cen. B.C.) said; 'all change is caused by-
attraction and repulsion'! You know what the bible says, Ecclesiastes! But, 'Juvenal'
(Roman 60-140 AD) wrote a particular poem; about govt ('bread and circus') that;
cast him to the grave (of infamy)! Because he 'spoke, 'the truth'! They credit-
'Chaucer' with first using 'circus' (English, 1380); and, 'that's a half-truth'! 'Juvenal'-
(in Latin) was 'first'! 'Slick'! Anyway, 'mutatis mutandis' gives support; to how I-
use 'change'! Confused? Well, I hope so; then y'all may check out: 'what's true'?
As 'Einstein' said; 'the world cannot be changed, without changing our thinking'!

Wow, forgive the long walk, but; I needed that! Maybe, 'change' (from: exchange-
Latin; cambire, late Latin) will; 'light upon y'all'? The govt has y'all, in prison! It-
uses: 'bread and circuses'! Some, y'all be; unwilling, durance -- I'm there -- majority be-
most 'out there', willing (base)! But, remember; Latin, maior / majority, ain't greater?
Government knows, the, ROOT (almagest; Hermes Trismegistus; 'Mahat' - 'I AM MAHAT'
see, Ex. 3:14), 'Don't be spooked'! However, them -- that -- follows, mayn't lead; ever!

Now, here (ADX Max, plantation), I see the END (OF), potable drinking water; safe shower-
safe meals -- before tampering -- medical; mail; games -- Inmate Trust looted, 'wall' -- phone-
calls; and, MORESO 'OVERSIGHT' (cause; 'who will guard, the guards; themselves'? Juvenal)!
'Don't be dismayed, the scale swings; 'out there', too! 'Rich get richer, and the poor
get poorer'; 'durance are the first wave'! 'It' is a fact, 'where one wave comes in then it-
must go back out-again'! 'Y'all, are the retreating waves who are blind (to your fate)! Even-
except for 'APWA' (et cetera), 'NATURE'; 'FLAGS' y'all, 'but, who is free' ('out there')?

Really, your, 'perspectives' (Media molds, daily) are; curtailed; by Rich (Lackies); and-
race (Wan & Spanish, majority) 'pollutes' people ('the waters')! So, seeing ('the writing on the
wall' Dan. 5:7 and 5:17) is for, Only, the few ('many are called but few are chosen' Mt. 22:14)!
'Seeing is, believing in a nearsighted world; filled with; me; me; me-give-me'! Wow! ¹⁷ ARA
