"Bible says (in part); '... of sins previously committed' (Romans 3:25)! There-
is a saying: 'reculer pour mieux sauter', to go back in order to jump forward!
I make mention, for 'the descent' (of America); into 'pre-Civil War' (America)! If-
you read (Roger Brooke Taney) decisions, it's like, 'Trump' moves (Ex parte Merryman;
Plessy v Ferguson; etc.)! The 'same' ('sins previously committed'); 'again' ('make America-
great, again')! BUT, nothing's 'great' about 'pre-Civil War'! Prophet 'Job' covers such:

"20 My bones cling to my skin, and I have escaped by the skin of my teeth." (19:20)
'In this case,' America's led backwards, 'to destroy her'! 'Hindsight is 20/20'!

"... put every city under the ban..." (Deut. 2:34) The Hebrew (herem) means: 'total-
extermination of a population'! Anyway, like 'a snowball rolling down a mountain';
it balloons, into 'an avalanche'! 'Nothing, to stop it'! 'What WRITE YOU'?

'Little things -- unchecked -- balloon, into hugeness'! A good example is, 'The
wall' ('Trump's'): costs, for emigrant kids locked up; law enforcement (guards), troops-
new data tracking; compensating farmers -- bounty hunters -- censors; Appropriations;
privatized jails; etc.! Oh yeah, 'where does sub-par items go'? Used to be, 'a-
third-world country'; but, now, it's American prisons! 'Zantac' (Ranitidine) NDMA-
danger, still, sold (FBOP)! And, the products made & sold (FPI, Inc. / Unicoz per-
18 USC 4124 (2410 n) 10 USC 2410 n) 'products list'! 'Out there durance'?

For 'the undead,' having America 'go backwards,' it's abhorrent! However, the
'Walking Dead' see nothing wrong! 'Spanish children locked up, stripped of family'-
and; traumatized, 'overshadowed' (by 'Impeachment hearings'; EVEN, 'preempting-
Sesame Street - PBS' (Reps & Dems: 'same coin', one-party pre-1854)! ARA ©

"When there's nothing wrong, with 'one-political-party' (unilaterally running-
America); 'an avalanche is coming'!" ARA © ADX plantation

"The POTUS (Donald John Trump) is: 'the commander-in-chief'; even-though 'he dodged' - serving (military); Nevertheless, he warrants 'respect' if-only, 'for the Office' (US Const. art. 2); Except, that 'Office' is at least, 'the selection' (art. 2, sec. 1, cls. 1, 2, 3 US Const) - via 17th Amnd; is based on 'kings'; 'And wouldn't you know it, the Republican base gives - 'him'; 'the selfsame' (autocracy); 'What's different, between, '1840 AD & 2019 AD'?"

Now a 'durance' encounters, 'autocrats' (wardens, directors), 'daily'; criminals - with: 'unchecked powers'; 'Why, america dropped (99 out of 100) to, 'third world - nation (status)'; 'And why, Russia owns 'the POTUS' (research: 'Merr Griffin' - and - 'Donald J. Trump' 1989-1991)? Or, I'll give, something 'easier': 'monopolies' are telegraphed ('like a boxer, faint before throwing a punch); 'look / check TV Channels, during a Commercial'? 'Whom has the Power, where ALL these Stations go to Commercial'? 'Cryptic'; ain't-the-half - of-it!!! 'Yeah-yeah, the 'yes-persons' (apologist) 'CHIME IN HERE'; 'lick the hand - that feeds them'; 'Couldn't 'truth' (monopolies: law enforcement unions control, Congress - Districts, State & Electors appointments / elections; Cong, Sen.) 'BE' there? 'Martial - 'who will guard the guards, themselves'? (1st cen. B.C.)

'Okay, ready, doesn't matter; 'here comes': 'guards' (see, Wash v Reno (CA6, Ky, 1994) - 35 F.3d 1093, 1101; Cunningham v FBOP (D. Colo, 2016) 222 F. Supp. 3d 959; ad infinitum?) - have 'a monopoly' (Tripartite Branches); just 'ask': 'Trayven'; 'Devon Bailey'; ad in - finitum? 'Oh what, you can't, cause 'they're DEAD'; and, 'no justice (for their folk)?

Here's something; 'On 7-17-19 (Wed), a Reporter (USA Today, at 1A, 4A) wrote about - '1.6 mil' in Bonuses (to Wardens FBOP); 'What wasn't reported, is, 'how they were awarded - illegally'; 'And, funds ciphered off - from - illegally obtained sources'; 'Base, check out the - US DOJ / FBOP Policies (P.S. 4500.12, ch. 2, 3 & P.S. 3451.05, Attachment A)?

'What would happen, IF: 'federal durance non prisons; like 'Trustees down south used to - carrying guns'? 'Wouldn't you know it, SWITCH, 'guards changed places' ('The Walk - ing Dead'; 'Republicans in Congress'; 'Republicans on the bench'; and, 'Plessy v Ferguson'); 'Blind'; 'when they came for the ... Gypsies ...' The 'Titanic, is 'america'; 'what say ye'?
