"Chap. 'The Collective' 'Can the masses control the narrative?': Putin - Netanyahu - Trump - Barack Obama, etc.)

"In life, I find, that, most -- racially, religiously, or, via self-preservationally -- look for the love & acceptance! 'We can, all, agree' on this! ('a given')

And, in prison, the same applies! So, take from the following, whatever -- as 'my intent'; is the truth! Not, to appease 'any human being'; nor, especially, 'any balloons full of satan'! Past essays explain that, phrase! The view -- of ALL -- animals, alike; notwithstanding, 'hardly is accepted'! No matter -- 'I' remain true... A short story! ('Want, to be famous'; 'serial killers' - 'males', or, 'sklans'?)

'A USon' C.O. (correction officer) comes to work, Monday thru Friday, 'unaware' -- he is being-judged: by 'G-d'; by 'supervisors'; by 'cons'; BUT, the most important -- of them ALL -- 'isn't G-d'; 'as one might imagine'! RATHER, is, The 'C.O.s' judging self; 'G-d knows before, anything existed'! Just, consider: 'ALL-LANGUAGE is, communication, ALREADY ON TAPE; and, something created, 'is-known beforehand' (infinitesimal scale) 'a parent aware of, their, child's acts'! 11

This, C.O., male-breaks-laws, 'he took an oath to uphold' (daily), 'On this-day, he targets'; 'an Ebon durance', with 'a bounty on his head'! In FBOP (art. 2, Executives) have Policy(s) -- P.S. 3451.05 -- which reward; with: plaques-certificates; and, finances! 'A murder' (injury; foments recidivists; and/or, connections with criminal groups; Dryans, Mexican Mafias) form: 'The collective sought'!

One, such, C.O. is reading this (prior: 2 page cert. no. 7017 0660 0000 7952 9896 - 11-26-19 to APWA): IF; or, WHEN it's mailed! Now some (C.O.s) started careers, 'true-to the Constitutional oath' (U.S. Const., art 6 cl. 3)! BUT, some, before their '1st Day' ended (NFEE; AFGE; AFL-CIO (Unions: Connected To Military; Fire Dept; law enforcement; Congressional-Secretaries/Clerks; Court Clerks - controlled via title 5 U.S.C. 601 et seq.)) 'swears-a broader allegiance' (to their SELECTIVE: 'the famous people'; 'god fame'; 'vengeful fame'; and, 'famous... enemies')! In vain ("fiction is stranger than truth")? 'Hell yes'!

Thus, 'on this day', this C.O. (violating FBOP Policy: P.S. 3000.03 'shall wear name tag') as-backed (by supervisors); 'tortures Ebon durance' (no name tag)! Read: U.S. v. Lavelle (D. C. Colo. 2003) 269 F. Supp. 2d 1297 - 'Cowboy's'; 'And, if successful, gets rewarded' (cf. Gallagher? 11/19)
