

"My Last Attempt!"

"He said: 'Truth is stronger than fiction'! I need not reveal, his name, as college students are aware (of him, as a gifted writer)! I shall reveal, that, 'truth' as: 'signs that make things manifest'! (Qur'an 24:46) Now, in federal prison (as of Dec. 31, 2019) via the Federal Register (Vol. 84, No. 250) 72274-72275 (page 5); lies are revealed, for the 'truth'! In other words: 'fiction'! Sounds like 'maga': 'make america gray-again' (Confederates)?

Well, here's a 'truth': 'I am blind (left eye), and, progressing (right eye)! The surgery (Cataracts) was denied! Got notice today (1-13-20), along with the U.S. OIG refusal (to investigate, 'other matters', like: 35 F.3d 1093 (CA6) & 222-F. Supp. 2d 959 (D. Colo. 2016)). Was it coincidence (former dated 1-13-20; latter 1-2-20)? After 30 yrs (duration, continuum), I know the 'truth'!

So, I write (while I still can) this:

"Watched a bird fly into a large cage, though it could escape the same way it imprisoned itself! All it sought, was food! But, after eating -- seeds, and pieces of bread -- it perched upon the steel fence and sang! I don't know, 'if it was singing thanks or laughing'? Because 'the large cage' was 'the cage that I take recreation in'!" ARA ©

While I still can see (right eye), I shall read all of: religious-books, that, I own! When a child asked me (35 yrs ago); 'how could a human enslave another,' I answered: "God said, 'I have made some for Heaven and some for hell'!" Then that child looked up, and, said: "I don't understand!" So, I said: "we must all choose a Heaven or a hell, by the way we live"; 'that's why, we have choice'!

In closing, many duration don't choose to write; 'it's dangerous,' they say! Oh well, 'God says you have a choice'! 'What profits a man that gains the world but loses his Soul'? (Bible)

'It's been a blast,' at least, 'I won't be blind in forever!' ARA © 1/13/20
