The Poetic Information About INCARCERATION AND This
IS The ORIENTATION ON the QUARANTINE Situation

Written by WAYNE P JOHNSON A.K.A L.M.X

What IS It that you would like to know
About INCARCERATION

BECAUSE I HAVE plenty of Experience
With PRISON Administration

So First you START out At INTAKE

BECAUSE That's when you First LEAVE
The police District AND get Locked up
behind the gate

So Now you're Sitting INSIDE of A holdin' TANK
Waiting to See The Judge AGAIN with Nothing
To do but talk AND Think

And Most people wonder how did they EVER
get CAUGHT

And to Some It don't even matter If the Sentence
IS Long OR Short

BECAUSE NO body Really WANT to do ANY kind
of PRISON Time

And Some people ARE only Locked up
BECAUSE They Like to GRIND

And That's why when you Come inside
The PRISON System you have to be
Strip Searched

BECAUSE A lot of people Like to try to SNEAK in
PARAPHERNALIA work

And Some people Maybe Infected with A disease
So you have to go through medical to be checked
FOR INJURIES AND T.B

And That's usually when you get a short break
From The Cold Bench or Floor And Answer
Some Questions And Take A Urine And A Shower
So That you CAN get your blanket
And Then your NAME is put on a bunk
waitin' List

And This Intake process will probably
Take Anywhere From 6 to 24hrs
Because They Also like to check to See If you have
Any Tatoos

OR If your IN A GANG And have to be Seperated
From Some other Fools

And After That you will probably Receive
A phone Call

And That's when you let your people know
That your Locked up behind the wall

And If you have a bail you Try to get your people
To go pay It Real Quick

Because Some INmates ARE Repeated offenders
So They Try to get out before Their parole officers
get hip

Because Bench WARRANTS And Detainers do drop
When your Trying to bounce

And when A detainer OR A bench WARRANT
Catch up with you

you Already know you Aint gettin' out

Until you See The Judge OR have A detainer hearing

And the hearing EXAMINER decide's what to do

So you Could be Sittin' IN the County with That
Bench WARRANT OR A detainer And A New Case
Singin' the blues

And you will Stay IN the County until your Court date
Where The Judge will decide Rather you go home
OR get Sentence to the County OR Take A bus Ride up State

Now me My Self I have even been on
AIR plane Rides in the Feds
Because "I AM" A REAL TRUE CONVICT VETERAN
old head
But I will Tell you About that Some other Time
because Right now The C.O is probably Telling you
To get back in line
because They have Found you A empty bed Space
So Now you movin' on up to Another place
Wich is A pidge OR A UNIT OR Maybe even A block
Either way Now your gonna have to listen
To The Cops
But Some INMATES Aint trying to listen to nothin'
So They do Rebel
And Tell The CORRECTIONAL officers to go
Straight to hell
And These ARE usually The INMATES
That ARE Facing hard Time
So A hold lot of Stuff be troublin'
Their INCARCERATED mind
And ANY Sentence over 11 1/2 to 23 months
IN PENNSYLVANIA
you will have to take the bus Ride to the D.O.C
up State
So Now please Allow me to explain to you All About
What's ON A harder CRIMINAL's plate
Like SAY For INSTANCE That you Just got Sentence
to Life
But do you have ANY Idea About what that
might Feel like
Especially If the Crime That you where Convicted of
keep's playing over AND over in your head
And you keep picturing the Crime victim dead
And you doin' Life Instead

Now Some Inmates Really do Feel Remorseful
So They Really do Try Their best to deal
With the Shame And pain
But the prison Administration May think
They playing games
So they Tell the parole Board that
That Inmate hasn't changed
And This Creates Irritation that turns
into Frustration
Because other Inmates hear About This
And also direct Their Aggavation Towards
Administration
Because being in prison is such a depressing
Situation
Because on some days you may not Really know
Just what to do
So when a Lifer don't want to talk
I can understand that to
OR Let's Say you got Sentenced to crazy
Football Jersey numbers
But do you have ANY Idea About how long
your mind will have to wonder
Because some Inmates have been incarcerated
For a long time
So they may have lost Their brothers AND Sisters
And Even their mom
And Their Girl Friend may have Run off
With their dad
Just like on Jerry Springer So that Inmate
Is Real Real mad
So If your a Short timer you might not want to Make
That kind of Inmate your Friend
because he's always into something -
And he gonna Try to keep you in
OR Lets Say your Really Innocent but the Judge
Sentenced you to A Stretch

And your Girl Just Left you
So you Thinkin About puttin' A lose
Around your neck

Because Some Inmates do Reach the point
Where They want to check out
And I have seen others even get punched
In the mouth

And It's usually over A pack of cookies
OR A kite

OR Sometimes A bag of potatoe chips

OR Some DRUG will Start A Fist Fight

OR CAUSE Somebody to get Staked

OR Thrown off The tear

either way The Administration has to do the paper work
And They Really don't care

But I CARE So I will be Sharing with My Readers

Some Real prison Life Factual Information

But I will be changin' NAMES And using My very own
created poetic Style About INCARCERATION Situations

But I will be gettin' back to that in A Few minutes

Because Right Now the C.O probably Lookin at you

Like boy is you is Finish

Because you Aint gonna Come up in the D.O.C

Runnin' off At your mouth

Because The Staff is in charge here And this is our house

So I expect you to pay Attention when I'm Trying

To Teach you About the Rules

Even though in your Neighborhood you might

Can Act Like A Fool

But in the Department of Corrections

your gonna have to learn how to listen And obey

OR we will Admit you to Administrative Custody

So Right now I'm Tellin' you All to obey

Them "white lines" in the yard And on your unit Floors

And when you go out to the yard stay out there
because this is not a Revolver door
Like the Court Rooms that some of you convicts
like to run in and out

So when I'm speakin' I expect you all
to shut your mouth

Because my name is Lt. Kickems

And this is one of my partners C.O. Sticks
And we don't want to hear none of that tellin'
about who did it.

Because we will handcuff you real real quick
so you cry babies can save that kind of information
for security because they invest in rats
And they will give you commissary for information
like that

But if you get out of line with me
I will call the A Team and have them
pin you to the floor

Because you ain't nothin' but a bunch of
drug dealers and murders and addicts
And gang bangers and we don't want no wars
So keep your cell windows uncovered
so that my officers can see in

Because some of you inmates get a little bit
to friendly with your cellmate
And commit sin

And some of you high profile inmates
when I call your name

I want you to step out of line

Because you're not gonna come up in the D.C.
And tell us about how you gonna do your time
So inmate 0267 and number 8423

I'm gonna need you two inmates to come and follow me

BECAUSE YOU NEVER SHOULD HAVE BEEN
LET OUT OF THE RECEIVING ROOM
BECAUSE YOUR CASE IS SO HIGH PROFILE
I THEN SEEN YOUR FACES ON THE NEWS
NOW HOLD UP LT. KICKERS MY NAME IS HASKEEM AKBAR
AND I WANNA GET SOMETHING STRAIGHT
BEFORE WE EVEN START
BECAUSE I HAVE A NAME EVEN THOUGHT
I MAY ONLY BE A NUMBER TO YOU
SO IN ORDER FOR US TO GET ALONG
YOU GONNA HAVE TO LEARN HOW TO RESPECT ME TO
SO NOW TO ALL MY VIEWERS ARE YOU STARTING TO SEE
THE PICTURE THAT'S DEVELOPING FROM THIS POETIC
INFORMATION ABOUT INCARCERATION
BECAUSE NOW CHARACTERS ARE STARTING TO FORM
AS YOU ENTER GENERAL POPULATION
SO RIGHT ABOUT NOW YOU MIGHT SEE SOMEBODY
FROM YOUR NEIGHBORHOOD THAT YOU KNOW
OR SOMEBODY PROBABLY TRYING TO HOLLA' AT YOU
LIKE WHAT YOU LOCKED UP FOR
NOW THESE ARE THE KIND OF CONVERSATIONS
THAT YOU REALLY DON'T WANT TO TALK ABOUT
BECAUSE AS SOON AS SOMEBODY GET IN YOUR BUSINESS
IN PRISON
THAT'S WHEN SOMEBODY GET PUNCHED IN THE MOUTH
SO PLEASE REMEMBER THAT THIS HAS BEEN
YOUR POETIC ORIENTATION
BECAUSE IT TAKES ABOUT TWO TO FOUR WEEKS
TO GET THROUGH YOUR QUARANTINE SITUATION

because before you enter General population
you have to basically go through Insolation
So IN OUR NEXT INVESTIGATION we will be dealing
more with prison Administration
Plus hygiene And Education Along with Recreation
And The LAW Library And mail Room Situation
And lets not for get About family visitation
And of course Mental Health INCARCERATION
And we will be looking into Religion
And Grievances to
Because These ARE All everyday Situations
That PRISONERS go through
And you Already met Lt. Kickems
And C.O Sticks
And Inmate Hakeem Akbar Sound like he aint
havin' It
And Things CAN go from zero to a hundred
IN prison Real Quick
So please Stay Tuned into the
AMERICAN PRISON Writing Archive
Where you CAN get your poetic Information
About INCARCERATION ON line
OR you CAN Contact me personally
If They posted My Information
Because AS you CAN See I have plenty of experience
With prison Administration
Because even though My body may be locked up

Because I'm Right where GOD
Said I would be.
