(O Jail)

AP, NA, (com) my actual Submission is indeed on your files. I am sending my Essay & Newspaper articles on ty inmates in Orange County jails on Coronavirus-19 H1N1 (COVIN-19) (Independent Journalist: George Niven Luthy Wilder.) Please make copies of the actual newspaper clippings, so I can download upon my Release Someday this piece is called "Violation of 14th"

Based solely upon our Constitutional Rights in a County Jail, (note nota Prison) Our Fourteenth Amendment of "Equal Protection" only applies to Law Enforcement lives, not inmates, lives in February, 2020 Coronavirus-19, had came into California, I was Assured my Safety was promised by Sheriff Don Barnes, well by law Under-the-Color-of-Law, they must protect me & everyone here in the Orange County Men & Women Central Jail, Inmate Release Center Santa Ana, and Theo Lacy Facility in City of Orange. Safety is NOT part of the program here, its "oh-well" deal with it" I know, I legally discharged 10-04-2013 from CDCR Cal. Prison, (But uncharged-

- Still I'm here on a Court hold  
no seven years later still, And  
Now the Corona Virus -19 is  
living in these (3) Jails, thanks  
to the deputies that brought  
it here themselves from the Streets

According to the News Paper  
only a couple were affected  
< NOT True > How about 200  
inmates, 100 deputies all taken  
out at night to be Quarantined  
elsewhere, But them (300 people)  
affected hundreds more if not  
a thousand!

The Truth is Prisons in California  
are in serious danger I can  
prove it. As of Easter, (4-12-2020)  
the map don't lie. San Diego <sup>44 dead CO,</sup> (CO)  
has CDC "Dalano" Prison

I have this Corona Virus  
TRACKER, showing color of danger  
IN Kern County CDC WASCO  
(3) dead, (Riverside County  
has NORCO - CDCR, Chino,  
which has (41 dead) Pleasant Vally  
CDC is located in FRESNO County  
San Quentin, Folsom, a State DMH Hospital,  
TAHACHA PL PRISONS = FRESNO CO HAS 5 DEAD

588 what the Newspaper Prints is 1/2 the truth, I am an IN dependant Journalist, where else better can a Journalist seek out the Real Stories then behind bars as an actual witness, I see hear, & Experience everything the inmates here experience.
