Back some street cred I'd been missing out on since I took Mark's Shop in the early 90's Boy how funny things work out me well the only thing I got that weekend was a visit about a month later from the Sheriff Dept seems a young lady I meet at the tattoo convention worked @ the Dept in Dago she ran a check on me after I had giving her my number, or Business card and everything checked out she called me up and Drove up to Big Bear Lake where I was living at the time in a Million Dollar Home Not to Buy But to Remember If I'm Right she said I had a outstanding warrant for evading and possession of a oz. of weed and I needed to take care of that ticket. So as a good young outlaw tattoo artist I showed her around and we enjoyed the weekend together Need I get into the graphix of the story I am a whore Myself so I won't go into Detail cause this isn't a story about my antics in Bed But about Prison and It's many Faults. So you can see I am a member of a very elite group of Artist, my fame will, golli's Sarge like I said this memoir is about posse's Not pussy But It was nice to wake from a Nap thinking about a woman for a change These guys all talk about pulling a staff or State Employee well, I've pulled a Deputy Sheriff on the Street and she gave me a Background check to Boot Kinda Reminds me
