"This is OUTRAGOUS"

THE HEADLINE SAYS "5 year old AUTISTIC boy" put ON RECORD as SEX OFFENDER" by school FOR hugging classmate AND kissing ANOTHER ON THE CHEEK. Initially, knowing the media's propensity FOR hyperbole, ESPECIALLY when the TERM "SEX OFFENDER" CAN BE USED, AN AUTISTIC FIVE YEAR old that LIKES TO HUG, HE FEELS AND SHOWS AFFECTION, HE HUGGED ONE class mate AND KISSED ANOTHER ON THE CHEEK, A TEACHER OF A FIVE YEAR OLD Hopefully TRAINED IN EARLY Childhood Development Felt COMPULSED TO NOTIFY school AUTHORITIES, AND THEN NOTIFIED Child SERVICES; IN WHAT OBSCENE, PERVERSE WORLD ARE THESE ACTIONS by ANY FIVE-YEAR-OLD DETERMINED TO HAVE A SEXUAL motivation?

I THINK THAT ITS REDICULOUS that we LIVE IN A BEAUTIFUL. Country THAT CONDONE THE TEACHER TO ACT ON HER OWN STUPIDITY REGARDING A 5 YEAR OLD, AN INNOCENT Child, NOT ONLY DOES IT AFFECT IN THE FUTURE WITH THE Child MENTAL DEVELOPMENT BUT ALSO PUT THE PARENTS THROUGH MENTAL TURMOIL that child will have to BE EXPOSED TO REGISTER AT EVERY NEW school.

PLEASE SEND ME A COPY FROM WEB PAGE AND NUMBER OF HITS, SO I CAN KEEP A RECORD ON FILE.

Thank you VERY much again.
