Hello;

When I saw my parole officer in Oct. 2015 He gave me a paper to sign but didn't tell me what it was. He ^{just} said That I needed to sign it.

I later found out that it was a "Waiver of Rights" that I would have never signed if I knew what it was.

Who in thier right mind and knowingly will sign a waiver of rights on two (2) Non-criminal, Non-violent technical violations while having a Life Sentence and in this case it is me.

Why should I face the possibility of spending the rest of my life in prison for technical reasons?

Where is the justice in this?

Thank you
