(Maute Rashad Gentry)
A#C# 136823

To whom it may concern my name is Maute Rashad Gentry #136823. I am currently surviving a 92 yrs sentence at the Cummins unit Arkansas Department of correction. For less then a gram of crack cocaine. First conviction, first time in prison and never even had a violent crime. First conviction recieved a 92 yrs sentence been locked up since "2006" 14 yrs of my life been taking away for less then a gram of crack. The way i see it i'm just one out of millions of African American target by the white man on this war on drugs. Not just any drug "crack cocaine". I've met people in prison for rap, robbery, and murder with less time then me and here it is i'm surviving 92 yrs for less then a gram of crack not kilos nor truck load but (~~Less~~) then a gram of crack. I been before the Clemency board twice and made it each time "Asa Hutchinson" denied me and i clearly fit the criterion of the Judgement require on the Excessive Clemency form i

presented before the board and the
Governor. Why will he not sign off?
When I clearly been over sentence,
my charges only carry 10 yrs total?
I go before the Clemency
board again August 6, 2020 I'm
praying Asa Hutchinson feel my pain
this. So much I have missed out on
what hurt the most my children
growing up without me. It's hard
when you have no voice, people forget
about you behind bars. A new war
has come amongst us (Covid-19 aka
Corona Virus.) People in the world
couldnt (~~imagine~~) what it feel like to
be locked in prison dealing with this
world crisis. People have died and
social distants is impossible inmates
nor officers want to follow the CDC
guide lines therefore the risk is even
higher to catch the "virus". I havent
left out the barrack I'm housed in since
April. Doing everything in my power
to avoid mingling with people I means
its a war whtin it's self trying to
survive this 92 yrs sentence on top of
that the (Corona Virus.) my prayers go
out to all who have lost loved ones to the
(Corona Virus) to be continued...
