RDI PI

There are lots of forms of organized crime all over the United States. It comes in the form of Gangs, Mafia, Groups, and actual organizations. None are bigger than corrupt Government. In the State of Arkansas, the "Criminal Justice System", the Arkansas Division or Department of Correction (ADC), the Governor's Office, the Police, the entire System is corrupt and ADC is the heart of the largest Arkansas Crime Syndicate known to Man kind. It's so bad that Arkansas needs to change it's slogan from "The Natural State" to "The SLAVERY and Prison State."

The State Government is no stranger to: embezzlement, rape, sex trafficking, pedophilia, human trafficking, drug and alcohol use, drug trafficking, money laundering, white slavery, lies, falsify documents, fraud, hipaa violations, slander, ~~perjury~~^{perjury}, defamation, discrimination, sexual harassment, gang affiliation, mafia affiliation, burglary, invasion, breaking and entering, sodomy, assassination, abuse, torture, terrorizing, terroristic threatening, conspiracy, acts of terror, assault, battery, mugging, bio-terrorism, chemical-terrorism, use of explosives, excessive force, prostitution, malpractice, bribery, adultery, evidence tampering, threatening witnesses, obstruction of justice, and especially MURDER. Every major and minor crime you can think of, they commit and ADC is the WORST of the entire system. ADC regularly displays deliberate indifference. One only needs research lawsuits, ALL lawsuits filed against The Arkansas Board of Corrections, The Arkansas Department of Correction, Correct Care Solutions, WellPath, Wendy Kelly, Marshal Dale Reed, Dale Reed, Warden, any officer that has been in ADC or any Director ever of ADC. One could view what Johnny Depp, Paul Harvey, and many others have said about ADC. And the State supports and encourages this activity, just look at all the cases against State officials and offices!
