"You shall not find -- from sun up, to sundown -- anyone, who: 1) believes in -  
4-d) ; and, 2) believes in (idols)! 'As it is written....' (Daniel 9:13) The 'source'  
and, the oath: continue - today! 'Pascal'; via, 'Pascal' agrees; in theory!

Wouldn't ye know it, everyone (on Earth) follows; some variation (supra)! In-  
America, we watch, "as our Trainwreck" shows (Trump-utin; COVID-19;  
Climate Change; Hurricanes; Racialism - "3-Idols" 2)! Globally, as if "States -  
Crashed into one another"; instead, "watching a pileup"! Domestically, "we're -  
led" (piecemeal) "repeats": "Trump-utin"; "COVID 19" "Deaths"; and, "Wrath" -  
Romans 1:18)! Much like children, we, mature step-over dead bodies; strewn-  
across the USA! "As if it's usual"! Lie after lie, murder after murder!...

The greatest-mistake, is, when (so-called) Adults Act; as child-  
ren! Following, "the lead" (of "3-Idols": "I - 3/5th Law"; "II - Adoption";  
and, "III - good Behaviour"). For "We The People", watch, like "Veronica" -  
did; but, "not offering a handkerchief"! They, just, watch (Trainwrecks)! So,  
"America goes down a sewer, without realizing, it's become evil! Make -  
America great-again," (mirrors); "how can satan drive out satan" (Mark 3:23)?  
"It's childish when apologists defend, the indefensible"! Which trashes, "the -  
Golden Rule" (Mt. 7:12)!

Now, the focus (to set us on the right path), should be; 3) to a right; ;  
and, 4) to intermit (introduce), "America is doomed, if-it-continues"....  
Not, to pretend; anymore (America is the greatest Nation on Earth)! It -  
is a fact, perfection needs-no-changes! "America does, immediately"!

The Title (supra) intimates, "out there" (Citizens): "Drinking - Jim Jones" -  
Beel-oid"! Of course, guards accept the same; while, in here! But assim-  
-mulation (in here) occurs, within: Conservatives; and, bigots-only! Those -  
"at the bottom rung, however; "won't accept-mord-sewage" (agree)! Quite like,  
"base follows, power; or, perceived"!

With "... selfish greed," (of what use are they to the owner except... for the  
eyes alone"? Ecclesiastes 5:10), "base" follows; "Midas," unaware (of "Dionysus")  
mythology! "Fool's gold," for "chumps"? "A paper money, that, must repay"!

This, variation, comes, first; from Words, not-disjointed! Like:  
"monopoly"; then, "oligopoly" - suffices, which are perverted, by "bi-  
-liopoly". Traced, to source, are contaminants; "to Truth"! Neither, con-  
-tinues, a "straight path"; rather, "niggag" (dippy-doodle)! LIE!

There ye have it! 5) Either, 4-d, accepted, Path (upon Path); or, 6) -  
"the Trick" (compare: biopolymer - midfield?)! "According to..." (Equality, or, Chaos)!  
(prefix; midmost; or, suffix) "just one"! [redacted] /ARA © ADX plantation (CO)

11" According to "selfish greed"! 2) "Articles I, II, III!"
