"September 4, 2020 (Fri), 'Trump-utin' submitted, 'Pres. Mem.'; 'Cancel, Race-Related Training Sessions' for 'Executive Agencies'! As 'POTUS', his oath requires diligence: To the U.S. Constitution; Laws; and, Policy (Art. 2, sec. 3; Take-Care Clause); Therewith, 'The Civil Rights Act (of 1964)'; and, progeny (Title 3 U.S. Code sections 411-417), 'For Presidents'!

As a result (of above, Pres. Mem.), the Agency (EEOC): 'turns auck'; 'no-restraints' with 'diversity/inclusion'. Which led me, to the similarity with-
'Russia' (1918)! If the reader isn't following, then, a refresher read might help: 'Victor Serge', 'What Everyone Should Know About State Repression (1926)?'

The title ('As They Watch') is, 'AIMED', at: 'Christians'; 'Why'? For they-
(believe or not): 'in The Crucifixion, of Jesus' or; 'Jesus Barabbas' continue, 'to sit by'; as spectators. 'Sins of the father, visited upon the sons'? Oh well, 'Pharaoh and followers, stepped into the Sea'; after 'Moses'; Foolishly, after-
all (of them boats) entered; 'all, drowned'!

Now, 'in here' (ADX Day), 'followers' ('out there, too'): 'do what'? They-
'lawfully': 'follow one's nose'. Hence, 'sins of the father'! Yet, all around-
'Nature puts up-her-mirror': COVID-19 (black ops); fires (climate change);
suicides (refused-mack-ing); hurricanes (refusing to evacuate); but-the-worst-
ones, 'rejection-of-Truth' (turning-away-from-'G-d')!

When you look (in a Mirror), you're meant to check: 'for imperfection,' or-
what's-behind! 'What's in-front,' and; 'what's behind, left-right-above-below':
a Mirror reveals! 'If we can see'? In 2020, many cannot see: all the de-
struction (America)! So if, one wonders; WHY, some don't believe: IN 'G-D'; then,
these, ALSO, don't believe: Russia-runs-America! Nor, evil took over (Congress-
letting folk lose everything; while Rich Getting Richer), 'The seesaw'!

My 'Big Sister' recognizes, evil; when she sees it! And, that's 'a sign-
of change'. Of course, evil changes things, 'to worse'. Where 'these not-
cursed', can, 'see what's coming'.

So, 'as they watch, ye 'had better PRAV'! Or, 'ye follow Pharaoh'!
Well, I know -- for a fact -- there is Unity, in mass prayer! WHY,
hasn't TV done that; a '5-minute-prayer-session'? For the Unity,
sought (America needs), in the past; but, came; in fighting, Wars! AM-
I WRONG? 'Speak up, what?' 'As they watch'! [redacted] /ARA © 9/11/20 ADX
