

وعن أبي موسى الأشعري: أن النبي ﷺ قال: إنما مثل الجليس الصالح وجليس السوء: كخامل المسك، ونافع الكبر، فحامل المسك إما أن يُخذيك، وإما أن تُبتاع منه، وإما أن تُجد منه ريحاً طيبة، ونافع الكبر إما أن يُحرق ثيابك، وإما أن تُجد منه ريحاً مُنتنة متفق عليه.

The example of the good company and the bad company is like the carrier of Musk and the blower of bellows, the Musk carrier either gives you some, sells you a bit or you get a good smell from him. Where the blower of the bellows he either burns you or gives you a bad smell.

I'm happy all the time, now that school dpne started back I just got to stay safe and keep my mask on like evbry one is suppose to be doing.

An mask not only stops you from getting it, it also stops you from giving it to some one.

I just hope and pray every one is being safe out there.
