I'm sorry for the paper I had to use.  
It's just that, they put me in Quarantine  
for 14 days, because my bunkie tested  
Positive, and after 3 day, the ~~sit~~  
Still see I'm testing Negative, and  
this LT today Explained Everythings  
to me today, and the housing unit  
where I live M-2 77cell, any way I  
guess that's part of Incarceration  
any way, I only have my Scrabble #6  
Edition, and I doesn't give you words  
with more than 7 letters, I don't know  
if you ever played it.  
any way, I am best at that game,  
putting 2 7 letter word down ↘ ↘

and we end<sup>ed</sup> that game to start another  
one, and I was on an winning  
streak that day.

Before, I came in, my sister slow

and I told her, Just because you  
went to college, your still a bum  
at this game.

This place just can't understand how I  
protect my temple (body) in an two man cell.  
I wear my mask 24-7, even in the cell  
with one person, in it.

strategies. with adam st. university, out

photo, and a note stating if it could be sent  
back, and that was month ago.

I'm in a New Jail Now and the address is

Kevin M. Benefield, Sr. 152458  
MacDougall <sup>1/2</sup>  
1153 East St South  
Suffield, CT. 06080

Other than that, the picture was taken in front  
of Baker Park, which is on 155<sup>th</sup> & 8<sup>th</sup> ave in  
N.Y.C., where I'm from. I only went to the  
2<sup>nd</sup> grade in N.Y., and in 1972, my mom moved  
to New Haven, CT., and was there from  
1972-1981, and my grandmother is from  
Connecticut, so I guess she wanted

4  
US to go to School in CT, then with  
my mom having 5 kid and 22 yrs old, So She  
MUST OF (Imberoused) my Grand Parents.

anyway, at least I did my Schooling up  
Here in CT.

My goodness mom, you had twins at 16, my  
brother at 18, me at 20, and my younger sister  
at 22, and that 5 kids 4 baby daddys.

My Gosh mom!!?, She was a loose cannon!?

anyway, I'm Glad my Brother took my son  
up under his wings, and sent him to  
Trucking School, down in Fl., years ago.  
and I haven't heard from them in years, but  
my brother had to stop the communication  
with me, because of his job messing with  
his miles, as that how he make's his  
bread & butter. and my Grandmother said,

The last time she saw my father,  
I was about 4-months old, and to this  
day I don't know, if he's Dominican,  
or what, but when I was out there in  
09, I partied with the Dominican's, and  
they called me the Nigrito beat on that  
Dance Floor, I took to doing Bachata!  
and he always complimented me, and  
once told me, I'm like I'm from Peru, Peru?  
and that really bust me head.  
I was born in Jewish memorial on

198th St Bway in Manhattan.

That's all I know of, my mom never told  
me what my dad looked like or nothing,  
my brother met his dad while coming  
from the National Guard to the Navy, when  
I was 15, then my mom said

Your going to have to excuse the only ⑥  
paper I have, don't mind the other side,  
I was learning arabic back then, yes I  
am practicing muslim, and I the last  
11 yrs, I got better  
Certificates for "foundations of Islamic  
Studies Pt-1, as I'm doing part 2 Now,  
with IOU, Islamic On-line university,  
and you could call info and get where there  
from, I just can't put my hand on the  
address at the moment.

Getting back to my mother, who told my  
brother and I that we had the same father,  
then when my brother met his dad for the first  
time  $\frac{10}{15}$  and I was 15 yrs. old, so for  
the first  $\frac{10}{15}$  15 yrs of my life, she lied to me  
or didn't know, then she said "Oh" Such &  
Such is your dad, and I said mom  $\downarrow \downarrow$

I said mom, I'm O.K., I was working in the World Trade Center back then, the only thing I learned from that, is to never put my kids through that, I got a 35 yr old Daughter, 34 yr old son, and an 12 yr old adopted son, who I raised from birth till he was 1 1/2 yrs old.

That when they came and got me, because he had to give Kenneth Ireland, from CT. and that case was from @ 1986, and he did 21 Plus years, then when he got ~~extra~~ exonerated, they had to put someone in the hot seat, yea, 6 million is a lot, so they had to make someone pay, and the "Innocence - Project" is handling this for me, I had to send them every thing, so they could understand my case, and I still fighting for justice, after 11 yrs being ✓

I keep an positive attitude, pray  
5 times a day, as an muslim does.

deal with my College Course, I was  
running the N.A. & A.A., over at  
Garner  $\frac{1}{2}$  for 6 yrs.

Now I'm over here at MacDougall  $\frac{1}{2}$ ,  
and this pandemic is going on, so that's  
slowing everything down.

So praying to Allah 5 times a day, keeps  
me at an positive stance, I always got  
to tell people to do their time and leave  
mine's to me.

I play Scrabble a lot or get on the  
computer or type writer to do an Essay  
and that how I do my incarceration.

Hey, keep in Touch
