Incarcerated, in Quarantine, still Hustling

Hi, I'm doing this Essay, by writing, I go back to my housing unit on 12/6/20.

the only thing is, I got to change bunkies, Plus, with all this rain, I had like 19 Styrofoam tray catching water in my cell.

This Place won't even let us order, Biza-Sheets, Pillows?, Hmm!! (why)?

I got to wait for (wed) 12/2/20,

that when we have Veal & that's when

I get that good sauce, makes the Pizzas taste good & plus the sauce is thick

I got these dudes hooked in Quarantine you know them Pizzas give me a optimistic attitude.

I had to turn to Request Forms to
Finish my Essay.

hear this

"Don't let what you can do, interfere
with what you can do"

"when you carry bricks from your past, you
wind up building the same house"

"It's not too late, to be what you might of
been."

"each of the steps you have taken in the
past, has been a building block
for your success in life
congratulations"

Thank you
