

CLIMBING THE WALL

He build a wall
to keep out,
Ramirez, Martinez, Chavez and
Acosta...
in reality
to keep IN,
Bowers, Bremers, and Bryants
So,
the "king" get his CROWN.

EL
CORONA!

The wall,
could not KEEP OUT,
Corona...
highly educated, sophisticated,
of CULTURE and POLITICS,
quite sagacious.

The "king"
tunnel vision of the border
CORONA

boards a ship
around the border wall
corona slips!
...to punish for the wall
racistly installed.

He build a wall
to keep out,
Ramirez, Martinez, Chaves and
Acosta
but as fate would have it
the "king" is trying to JOIN them.

EL Corona,
now have the "king"
