

Whispers from a Prisoner

1.

Emerging from my Nest like an eagle
I Soar through the Sky, observing the world
from a three hundred sixty degree angle
in my mind.

This is how I feel when I walk
amongst those who are Spiritually
unconscious in the Prison yard.
Many People both in Prison
and in the free world Spend So much
time everyday
Worrying about things that are meaningless...
We want to maneuver on an elevated level
But what we're doing is
fooling ourselves, Playing ourselves,
Destroying ourselves, and running from ourselves.
if we focused more on investing
our time and energy in bringing one another closer
together, instead of being severed from each other,
we could bend light, Communicate our
thoughts and Visions
and actually accomplish what we were
Put on this Planet to do.
the most important thing in this world
is time
and yet (everyday) we are running out of it...
How would you like to be remembered
100 years from Now

What would you like said about you
when you are reduced
to Nothing, but dust in the wind?
Did you help others? Did you love others?
Did you Pardon those that Perhaps didn't
deserve to be Pardonned?

Well, just remember that is the Very thing
we will all be Seeking when we stand
before the lord in judgement: A Pardon.
It's easy to give to those who are friends
and that give back to us,
But, the true test of gods love
is to Show mercy and Kindness to
our enemies.
