Hello world now let me introduce my self my name is Raynon Jones they arrest me on dec 19, 2002 and charge me with a Murder, Attempt Murder, discharge a weapon, EX gang member from Compton California they gave me a 100 years so powerful make some that care cry. I stayed strong walking and faith and did not let the time break me. I have a Lawyer and I fall up under the "Franklin Proceeding" about to be free man I have over come a lot with God he's good also everything is possible but that's a other conversation for the views # Now let me share something to the world that I discover on why I'm special in have a high valued I have a Learning disability come up as a youth some of the name calling was, slow, retarded, stupid, shamed, and the big one you never be nothing, with negative words bully, I use to bully people to because I was hurt. But I would like to thank every one for call me special because I'm giveing light and to the world embrace the help stand tall for the ones that can't do it with respect also my mask is off because the new me is Motivated and ready.

Always
RAYNON JONES
