

"BALL let go..."

2/19/21
J.F.

* I'd Rather Live like A Man than die like A Coward.

therefore I Must Adjust My thought process And Aggressive Behaviors! * The clock is still ticking... As My Days Decrease. Anxiety Increases And My Mood Shifts Even Quicker than Any Vehicle.

* BALL let go... totally Use It & Wrongfully REACT I'd Rather pray to ALMIGHTY, Ask For GUIDANCE And protection As well As the STRENGTH And real Ability TO CHANGE MY CONDUCT! * Prison life Has been MORE than Just A Journey... It Has Been A Reality Check on So Many levels!

* I'll Be the 1st, 2nd, 5th, 30th or thousandth person to tell you FACTS.

Prison Has ONLY Created A Fucking Monster!

NO, NOT Your Average Bogan Man Scare Anyone OR Anyones Children "TYPE OF MONSTER". ↓

2
* A Monster that the GOVERNMENT Has Created
From Their Corruption! A Monster that NOW
Knows How to properly Fight these Bitches.
A Monster that NOW talks More ASSERTIVELY,
Intellectually And More humbly... Only For the
Sake of MY GROWTH, DEVELOPMENT And World Wide
Messages & "Bigger Picture" I'm truly trying TO PAINT.

BT I let go... And lose MY FOCUS, with Confusion.
I'd Rather Grab Ahold of the Wheel, pull off to
the Side of the Road, take 10 long breaths, (cant to 10)
"Pray to ALLAH" And get the Heck off that
ROAD OF DESTRUCTION, which
will ONLY lead Me Straight BACK TO PRISON OR Simply
to My Grave. * I Fear Nothing or NO-ONE BUT ALLAH (SWT)
So BT I let go... I'd Rather take Another look!

That Glass IS Half Full Not Half EMPTY. (period)
