"This world made me, from the good & the Bad of every thing in Between"

Carlos R. Husband father & Human Being

I've taken this stance in my life not because I want to make any excuses as to my behavior thus far, I'm making an assertion: that any ones life could turn out this way if it <sup>has</sup> ~~was~~ the right circumstance.

I came from a broken home, mom & Dad had differences, mainly their age. mom was <sup>20 yrs old</sup> once she had my ~~brother~~ Baby Brother. Dad was 50 yrs. The other difference was that mom ~~would~~ <sup>was</sup> wouldn't be tied down to two new ~~and~~ born Babies & dad would. me & my little Brother were exposed to ~~the~~ crime at an early age. ~~This~~ This happened because Dad did every thing he could to provide for us. working doing odd jobs that had <sup>him out most of days</sup> ~~skills~~ ~~he~~ ~~that~~ ~~acquired~~ ~~through~~ ~~out~~ ~~this~~ ~~life~~. I <sup>became</sup> ~~became~~ ~~the~~ ~~head~~ ~~of~~ the house hold & ~~he~~ ~~did~~ a terrible job at ~~that~~ ~~that~~ ~~leading~~ ~~my~~ ~~brother~~ ~~into~~ ~~the~~ ~~streets~~ ~~and~~ ~~drugs~~. ~~I~~ ~~was~~ ~~responsible~~ ~~for~~ ~~that~~ ~~and~~ ~~leading~~ ~~my~~ ~~brother~~ ~~into~~ ~~the~~ ~~streets~~ ~~and~~ ~~drugs~~. <sup>and</sup> ~~it~~ ~~just~~ ~~so~~ ~~happened~~ ~~that~~ ~~at~~ ~~that~~ ~~time~~ ~~Hartford~~ ~~was~~ ~~reeling~~ ~~with~~ ~~gangs~~ ~~&~~ ~~drugs~~ ~~and~~ ~~we~~ ~~were~~ ~~all~~ ~~we~~ ~~were~~ ~~all~~ ~~subject~~ ~~to~~ ~~it~~. ~~at~~ ~~a~~ ~~lot~~ ~~of~~ ~~our~~ ~~inner~~ ~~city~~ ~~men~~ ~~&~~ ~~women~~ ~~have~~ ~~similar~~ ~~stories~~. I put alot

emphasis innercity too. FYI. This is a story about me <sup>its</sup> BUT ~~is~~ written to shine a light on what we, as ~~people~~ minorities & people going through economic struggles, go through on a daily basis. I lost my virginity at 12, I had my first gun at 17 & killed some one by the age of 20. (Routive!) I didnt get caught for that crime for 8 yrs. & I lived relatively free from it while I was free. Then when I say getting caught I mean I turned my self in. Guilt & other issues led to me making this ~~is~~ decision. Sad to say that this life was possible in this country.

I need to say our cities dont have any kind of Real direction to address socio economic inequalities <sup>and innercity</sup> neighborhoods are mostly drug ridden & <sup>run by</sup> ~~is~~ disorganized & gang activity. ~~Some~~ Criminals <sup>arent</sup> given out lets to build foundations of Education or job training when they come ~~to~~ ~~to~~ jail. So it goes without saying that theyll return to the streets & where familiarity kicks in ~~and~~ ~~and~~ being creatures of habit makes us comfortable, Risking our lives & freedom doing what we know how to do best.

(The only thing we know how to do!) It is up to us to rise above these challenges but its ~~easy~~ ~~easy~~ ~~easy~~ easier to do what we do & come ~~to~~ ~~to~~ ~~to~~ jail (hopefully) <sup>to</sup> live in relative comfort while our families carry ~~burdens~~ ~~of~~ ~~of~~ tough burdens enabling us even further ~~to~~ ~~to~~ by doing so these are the issues <sup>that</sup> plague ~~to~~ ~~to~~ our lives, & the best way to solve these issues is to look at the main proponent of everything that is wrong with what ~~we~~ ~~we~~ ~~we~~ just explained. that is: How criminals arent properly rehabilitated before reentering society. <sup>How we look at this issue could shine a light on</sup> ~~the main issue~~ ~~shines a light on~~ all the components that are necessary to fixing ~~these issues~~ the problems we face.

The

~~They~~ Then there's ~~the~~ community dysfunction. Community  
 ISN'T behaving as a community should. It's <sup>been</sup> long ~~standing~~ standing  
~~that~~ that inner city residents get the short end of the stick  
~~at~~ only because ~~the~~ ~~relationships~~ Relationships don't exist that  
 make <sup>the</sup> inner city problems ~~an~~ all of our problems. ~~of~~ Investments  
 must be made in our police departments, because people are killing  
 each other ~~because~~ over these drugs & the money it brings  
~~we all need to be part of how we manage this life in~~  
~~or~~ Even more investments must be made in education ~~starting~~  
 at an early ~~targeting~~ targeting the younger grade school kids  
 that ~~we~~ <sup>they</sup> learn tools & skills that are ~~relevant~~ relevant to  
 their future. ~~The~~ The biggest obstacle IS prison. ~~The~~ The  
 DOC needs to be more involved in reentry programs that  
 are built around ~~the~~ ~~prisoner's~~ Prisoner's reentry need to ~~be~~  
~~able~~ ~~to~~ be able to address immediate needs for a persons  
 successful release. WORK, must importantly. But even before that:  
 while a person is doing time he must <sup>be able to</sup> be prepared <sup>high self</sup> to ~~take~~  
~~care of~~ ~~the~~ ~~world~~. He must have ~~that~~ full working ~~knowledge~~  
 knowledge as to what he's going to do with the rest of his  
 life. Tools to that end need to be taught & the resources need  
 to exist.

I propose programs that make ~~us~~ morality: ~~the~~ the who a  
 man is to ~~his~~ ~~self~~ his family & ~~the~~ ~~community's~~ society  
 of large ~~of~~ Educational tools that focus on making a person ~~of~~  
 qualified for better paying jobs. Then giving people  
 the ~~of~~ opportunity to have a seat within the community's  
 efforts to fix what's wrong within our own  
~~base~~ ~~of~~ ~~social~~ ~~structure~~ significant markers that make us identify within  
~~our~~ ~~social~~ ~~structure~~

I'm looking for partnerships in the fight for Reform  
 in ~~its many~~ ~~its~~ all of its varying Degrees. ~~the~~  
~~for~~ I fell in love with the fundamental concepts of what  
 the Declaration of Independence stand for & that's  
 all I want us to get back to. I have a few good  
 people in my corner & I wish to help shape our  
 lives in the most beautiful of ways. we belong  
 I long for that. ~~I miss~~ I miss my two I'm for  
 ever one

If you think you could help me I am more  
 than willing to be of value to you as well.

I've written a program that looks to answer all the  
 questions to my essay I hope that the right people  
 read this & help in shaping the future of our state.

 ground that you walk on is yours! I kiss it
