

"HOW BIZARRE"

By Mr. Patrice Lumumba Daniels-Joliet Treatment Center

It's 9pm

lockup time

& without any thought given

I get up to go to my cell

BUT what if today I don't wanna lockup?

"what's wrong Mr. Daniels?"

"why don't you wanna lockup?"

"you have been in prison 29yrs."

"you know how this goes"

How bizarre?

Something's wrong with me because I don't wanna get locked in a cell.

How bizarre?

The officer is upset over the fact that I am being non-compliant.

What normal person willingly allows themselves to get locked in a cell?

What normal person expects for someone to allow THEM to do it?

This entire thing is utterly bizarre.
